HONORING SERGEANT FIRST
CLASS THOMAS F. VAUGHNS
AND THE TUSKEGEE AIRMEN

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. WESTERMAN. Madam Speaker, I rise today to recognize Sergeant First Class Thomas F. Vaughns, a Tuskegee Airman and World War II and Korean War Veteran. On August 21, 2019, Sergeant First Class (SFC) Vaughns will be recognized for his service and commitment to the United States.

SFC Vaughns, of White Hall and resident of the Fourth District of Arkansas, began his service during World War II at Camp Robinson, North Little Rock, Arkansas. After Basic Combat Training in California, he reported to several locations around the country where he worked as a mechanic on B-25 bombers. He eventually ended up at the air base in Tuskegee, Alabama, where he helped ensure B-25s were operational and safe for training.

At the end of the war, he completed high school in St. Louis and then returned to Arkansas where he attended the Arkansas Agricultural, Mechanical and Normal College (AM&N), now the University of Arkansas at Pine Bluff (UAPB). He graduated in 1950, just in time to be called up again for service during the Korean War. In 1951, now SFC Vaughns, served as a supply sergeant at Fort Hood, Texas. The Army discharged him at his request one year later in 1952.

After his military service, he worked several different jobs but ended his career as a horticulture specialist at UAPB.

The Tuskegee Airmen were a highly trained and specialized group of America's first African American pilots and ground crews for the U.S. Army Air Corp and eventually the Army Air Forces. Their impressive performance during war-time earned them more than 150 Distinguished Flying Crosses. The unit obtained a distinguished reputation for their ability to safely escort American bombers into enemy territory, resulting in the fewest losses in the 15th Air Force during the war.

I am honored to recognize Sergeant First Class Thomas F. Vaughns and the Tuskegee Airmen for their rich history of service and bravery. I thank each and every one of them for protecting the freedoms of this country and hope their legacy continues for generations to come.

REMEMBERING THE LIFE OF THE
HONORABLE PATRICK JOSEPH
UNGARO

HON. TIM RYAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. RYAN. Madam Speaker, I rise today to honor the life of former Youngstown, Ohio mayor, the Honorable Patrick Joseph Ungaro, who passed away peacefully at his home with his family at his side, on Saturday, August 17, 2019.

Patrick was born March 3, 1941, in Youngstown, to Victor and Mary (Mast) Ungaro and grew up in the Smokey Hollow neighborhood of Youngstown.

He graduated from The Rayen School in 1959 and attended Youngstown College, where he played football and eventually earned a bachelor's degree in Education. He received his master's degree in Counseling, Administration and Superintendent Certification from Westminster College and served in the U.S. Army during the Berlin Crisis.

Pat began his professional career in 1965 as a teacher and school counselor at The Rayen School where he would also coach football and track and field. Pat was eventually named the head football coach at Rayen, leading some of the most successful teams in Rayen history. He then left Rayen and coaching to become the Assistant Principal at South High School until 1984. It was during these years spent in education that Pat had the most pleasure and reward, helping countless kids from Youngstown reach their potential and go on to become productive people. Many of his former students still approach his family crediting his calm, compassionate demeanor, firm discipline and most of all his genuine care for them as people as credit for their success to this day.

Pat ran for Youngstown City Council in 1976 at the urging and support of his wife to make a difference in the Third Ward. He was elected and eventually became Council President the following year, serving in that capacity until 1982. In 1983, Pat ran for Mayor of Youngstown, during turbulent times and won the first of five terms, serving as mayor for 14 years. He often credited his win to walking door to door every day during the election in the city; always remembering the number of great people he had the opportunity to meet; people who would help him become elected and who he would eventually serve with humility and integrity. He often said that hard work, perseverance and being honest in your dealing with people will always pay off. This working-class ethos carried him to three additional terms as mayor, where he eventually retired 1997, serving as the longest tenured mayor in the history of the city.

Pat attempted retirement unsuccessfully and eventually returned to education, serving as the Assistant Principal at Youngstown City West Elementary in 2001. In 2002, he was approached by Liberty Township to become the Township Administrator, where he served until June of this year. Pat made many friends in Liberty Township and Trumbull County and was always grateful for the opportunity to serve Liberty until his final days.

Pat was a loving husband, father and grandfather who cherished his family and enjoyed many fun vacations to Ocean City, Maryland for 40 years. Pat's son, Eric, continues his family's commitment to public service as a township trustee.

The Honorable Pat Mayor Ungaro was one of the greatest leaders to ever come out of our community. He began the effort to revitalize Youngstown's downtown, reclaimed Brownfield sites, and was a stand tough opponent of organized crime. He made it a point to meet with me days after I was first elected to Congress. The positive things happening in Youngstown today are because Pat Ungaro had the guts to lead. I join the entire Mahoning Valley in celebrating his life and legacy. He will be missed.

DUSTIN A. SHULTZ

HON. JENNIFFER GONZÁLEZ-COLÓN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Miss GONZÁLEZ-COLÓN of Puerto Rico. Madam Speaker, I am proud to recognize Brigadier General Dustin A. Shultz of the 1st Mission Support Command in the Caribbean Army Reserve. Brig. General Shultz arrived in my Congressional district of Puerto Rico days before Hurricane Irma hit the Island on September of 2017. Since then, she has served tirelessly over the last two years, where she consolidated 5,000 Army reserves soldiers from around the Caribbean to become a united front. She quickly adapted and integrated herself seamlessly with the locals and led recovery efforts that were vital in our greatest moment of need.

Since the beginning of her career in 1989, she has served as the Headquarters Company Commander of the 647th Area Support Group, as an Intelligence Analyst for JTF-N, and in 2007 became the Executive Officer of the 373rd MI Battalion under the 201st MI Brigade and just three years later, assumed command of the Battalion. She then served as a Joint Planner in the J9, supporting Haiti relief efforts. Finally, in 2017, she was promoted to Brigadier General and was appointed to Puerto Rico. Under her exemplary leadership, the 1st Mission Support Command was activated full time in Puerto Rico for the first time and has been carrying out relief efforts since.

Throughout her career, Brig. General Shultz has been highly decorated with the Legion of Merit, the Bronze Star, the Joint Service Commendation Medal, the Meritorious Service Medal, and the General Douglas MacArthur leadership award among many others.

Her command in Puerto Rico ends this August after 2 years of hard work and dedication. She will move on to become the Operations and Training Officer for the Army Reserve Command. As the sole representative from Puerto Rico, I thank her tremendously for all she has done and wish her much success in her next command.

RECOGNIZING WAUKEGAN TO
COLLEGE

HON. BRADLEY SCOTT SCHNEIDER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. SCHNEIDER. Madam Speaker, I rise today to honor Melanie Antonio, Rafael Bonilla, Nyah Brown, Melissa Bueno, Armonie Collins, Cristian Diaz-Santos, Alejandro Garcia, Marlenny Gonzalez, Syed Hussaini, Donville James, Lizbeth Jaquez-Mena,

Michelle Martinez, Valeria Mencia, Gabriel Murray, Natalia Ocampo, Pedro Ocampo, Noemi Padilla, Alex Palomar, Aliyah Plummer, Lori Ruiz, and Kaitlyn Torres for their admittance into the Waukegan to College (W2C) program.

A year-round college readiness service, W2C launched in 2009 and seeks to advance local students' intellectual and emotional development, cultivating a strong commitment to community and a profound belief that they can build a brighter future for themselves, their families and their communities. By establishing high academic expectations and counseling students and their families on the college application process, W2C helps students realize their full potential by making the dream of college a reality.

All of these students will be the first in their families to attend college, and were selected for the W2C program due to both their impressive academic achievements as well as their contributions to their communities. As leaders inside and outside the classroom, these students show tremendous dedication and potential.

Strengthening our communities requires rebuilding the ladders of opportunity so that all Americans have the opportunity to succeed and thrive. This begins with providing each and every child, regardless of zip code, access to a high quality, affordable education and continues by ensuring all families can afford to send their sons and daughters to college.

When our nation's talented young people pursue their passions and follow their dreams, they accomplish far more than personal growth. They serve as role models in their communities and their achievements inspire and motivate other young people to equally strive and achieve. These students truly are Champions of Change. I wish them the very best of luck in their higher education and in all their future endeavors.

COMMEMORATING THE ONE HUNDREDTH
ANNIVERSARY OF
CUMMINS INC.

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, August 20, 2019

Mr. REED. Madam Speaker, today I rise to commemorate the one hundredth anniversary of Cummins Inc.

In 1919, Clessie Cummins and his business partner, William G. Irwin, joined together to form the Cummins Engine Company, developing diesel engines. From these humble beginnings, the Cummins Engine Company has grown to become Cummins Inc., a leader among independent engine manufacturers producing a wide variety of engines and engine system components. Today Cummins is listed as a Fortune 150 company, employing more than 62,000 people worldwide.

While their headquarters may be located in Columbus, Indiana, Cummins Inc. has a long history with Jamestown, New York. In 1974, Cummins acquired a more than one million square foot facility in Jamestown to manufacture engine components. Since the Jamestown Engine Plant produced its first engine in 1981 it has built more than two million en-

gines. The engines made in Jamestown serve customers around the world and the plant serves an important role in the company by serving a wide variety of markets. The Jamestown Engine Plant is also dedicated to improving the community around them, annually contributing one million dollars through charitable donations. It is a pleasure to recognize the success of Cummins and celebrate the contributions that the Jamestown Engine Plant has made to our communities over the last forty-five years.

One hundred years of successful business and forty-five years of serving the community is certainly a cause for celebration. I congratulate Cummins Inc. on this impressive milestone and look forward to their continued success in the years to come.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to commemorate the one hundredth anniversary of Cummins Inc.
