HONORING BRIGADIER GENERAL  
DUSTIN A. SHULTZ

**HON. JENNIFFER GONZÁLEZ-COLÓN**

OF PUERTO RICO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 20, 2019*

Miss GONZÁLEZ-COLÓN of Puerto Rico. Madam Speaker, I am proud to recognize Brigadier General Dustin A. Shultz of the 1st Mission Support Command in the Caribbean Army Reserve. Brig. General Shultz arrived in my Congressional district of Puerto Rico days before Hurricane Irma hit the Island on September of 2017. Since then, she has served tirelessly over the last two years, where she consolidated 5,000 Army reserves soldiers from around the Caribbean to become a united front. She quickly adapted and integrated herself seamlessly with the locals and led recovery efforts that were vital in our greatest moment of need.

Since the beginning of her career in 1989, she has served as the Headquarters Company Commander of the 647th Area Support Group, as an Intelligence Analyst for JTF-N, and in 2007 became the Executive Officer of the 373rd MI Battalion under the 201st MI Brigade and just three years later, assumed command of the Battalion. She then served as a Joint Planner in the J9, supporting Haiti relief efforts. Finally, in 2017, she was promoted to Brigadier General and was appointed to Puerto Rico. Under her exemplary leadership, the 1st Mission Support Command was activated full time in Puerto Rico for the first time and has been carrying out relief efforts since.

Throughout her career, Brig. General Shultz has been highly decorated with the Legion of Merit, the Bronze Star, the Joint Service Commendation Medal, the Meritorious Service Medal, and the General Douglas MacArthur leadership award among many others.

Her command in Puerto Rico ends this August after 2 years of hard work and dedication. She will move on to become the Operations and Training Officer for the Army Reserve Command. As the sole representative from Puerto Rico, I thank her tremendously for all she has done and wish her much success in her next command.

RECOGNIZING WAUKEGAN TO  
COLLEGE

**HON. BRADLEY SCOTT SCHNEIDER**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 20, 2019*

Mr. SCHNEIDER. Madam Speaker, I rise today to honor Melanie Antonio, Rafael Bonilla, Nyah Brown, Melissa Bueno, Armonie Collins, Cristian Diaz-Santos, Alejandro Garcia, Marlenny Gonzalez, Syed Hussaini, Donville James, Lizbeth Jaquez-Mena,

Michelle Martinez, Valeria Mencia, Gabriel Murray, Natalia Ocampo, Pedro Ocampo, Noemi Padilla, Alex Palomar, Aliyah Plummer, Lori Ruiz, and Kaitlyn Torres for their admittance into the Waukegan to College (W2C) program.

A year-round college readiness service, W2C launched in 2009 and seeks to advance local students' intellectual and emotional development, cultivating a strong commitment to community and a profound belief that they can build a brighter future for themselves, their families and their communities. By establishing high academic expectations and counseling students and their families on the college application process, W2C helps students realize their full potential by making the dream of college a reality.

All of these students will be the first in their families to attend college, and were selected for the W2C program due to both their impressive academic achievements as well as their contributions to their communities. As leaders inside and outside the classroom, these students show tremendous dedication and potential.

Strengthening our communities requires rebuilding the ladders of opportunity so that all Americans have the opportunity to succeed and thrive. This begins with providing each and every child, regardless of zip code, access to a high quality, affordable education and continues by ensuring all families can afford to send their sons and daughters to college.

When our nation's talented young people pursue their passions and follow their dreams, they accomplish far more than personal growth. They serve as role models in their communities and their achievements inspire and motivate other young people to equally strive and achieve. These students truly are Champions of Change. I wish them the very best of luck in their higher education and in all their future endeavors.

COMMEMORATING THE ONE HUNDREDTH ANNIVERSARY OF  
CUMMINS INC.

**HON. TOM REED**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 20, 2019*

Mr. REED. Madam Speaker, today I rise to commemorate the one hundredth anniversary of Cummins Inc.

In 1919, Clessie Cummins and his business partner, William G. Irwin, joined together to form the Cummins Engine Company, developing diesel engines. From these humble beginnings, the Cummins Engine Company has grown to become Cummins Inc., a leader among independent engine manufacturers producing a wide variety of engines and engine system components. Today Cummins is listed as a Fortune 150 company, employing more than 62,000 people worldwide.

While their headquarters may be located in Columbus, Indiana, Cummins Inc. has a long history with Jamestown, New York. In 1974, Cummins acquired a more than one million square foot facility in Jamestown to manufacture engine components. Since the Jamestown Engine Plant produced its first engine in 1981 it has built more than two million en-

gines. The engines made in Jamestown serve customers around the world and the plant serves an important role in the company by serving a wide variety of markets. The Jamestown Engine Plant is also dedicated to improving the community around them, annually contributing one million dollars through charitable donations. It is a pleasure to recognize the success of Cummins and celebrate the contributions that the Jamestown Engine Plant has made to our communities over the last forty-five years.

One hundred years of successful business and forty-five years of serving the community is certainly a cause for celebration. I congratulate Cummins Inc. on this impressive milestone and look forward to their continued success in the years to come.

Given the above, I ask that this Legislative Body pause in its deliberations and join me to commemorate the one hundredth anniversary of Cummins Inc.
