

are required in all our housing programs, just as we require smoke detectors, no matter where our HUD-assisted families live.”

In April, HUD proposed a rule to require carbon monoxide detectors on its housing units. In May, HUD announced \$5 million to install detectors. We know, however, that the rulemaking process can drag on for months.

Already, almost 25 States already require carbon monoxide monitors in homes, and it was Secretary Carson who suggested that the patchwork of State laws be aligned around the principle of expanding public safety protections.

□ 1415

Testifying before the Financial Services Committee in May, Secretary Carson said that he was 100 percent in favor of resolving this issue and said, “As quickly as we can get it done, it is going to get done.” The quickest possible solution is for the House to pass the bill before us today.

Secretary Carson’s staff at HUD have been engaged in working with Congress to expedite the rule-making process and make sure that protections are put in place before the cold winter months arrive. This bill has already spurred legislative action in the Senate, and the bipartisan efforts moving through the Senate Banking Committee are now aligned in this bill.

Let’s pass this life-saving legislation and protect those in Federally assisted housing.

I would like to thank the staff of the House Financial Services Committee, the Department of Housing and Urban Development, and in the Senate those who have worked to ensure that our efforts will effectively prevent needless deaths as quickly as possible.

I would also especially like to thank Senator KAMALA HARRIS for working with me to introduce this legislation and to Senators MENENDEZ and SCOTT for helping us make technical changes to improve the bill.

I also want to thank Chair MAXINE WATERS, ranking members PAT MCHENRY and Mr. STIVERS of Ohio and members of their staff for all their work on this bill, which received unanimous support from the Financial Services Committee.

Numerous housing, public health, and home security groups support this legislation.

The SPEAKER pro tempore. The time of the gentleman has expired.

Mr. SAN NICOLAS. Mr. Speaker, I yield an additional 5 minutes to the gentleman from Illinois (Mr. GARCÍA).

Mr. GARCÍA of Illinois. The supporters of this bill include the National Association of Realtors, the National Low Income Housing Coalition, the American Public Health Association, the National Housing Law Project, the National Housing Trust, the Public Housing Authorities Directors Association, the Council of Large Public Housing Authorities, the Latin United Com-

munity Housing Association, Justice Innovations, Safe Kids Illinois, and the Security Industry Association.

Colleagues, let’s seize the rare opportunity to advance straightforward life-saving legislation that has already won bipartisan support in this House. Saving lives in our housing facilities with a simple, inexpensive solution is not a partisan issue. It is exactly what our constituents sent us here to do, work together to find solutions for the American people. I urge you to support H.R. 1690, the CO ALERTS Act.

Mr. STIVERS. Mr. Speaker, I yield myself the balance of my time. Mr. Speaker, again, I rise in support of H.R. 1690, the CO ALERTS Act. I want to thank my colleague from Illinois (Mr. GARCÍA). I also want to recognize Senator TIM SCOTT from South Carolina, who was the Senate sponsor of the bill, and we want to help make this into law. I rise in support of this legislation and would urge all my colleagues to support this great legislation from Mr. GARCÍA and Senator SCOTT.

Mr. Speaker, I yield back the balance of my time.

Mr. SAN NICOLAS. Mr. Speaker, I yield myself the balance of my time.

I just want to extend a sincere thanks to Representative GARCÍA for this life-saving legislation. To be able to introduce something that is actually going to save lives, not just immediately but over the generations that we are going to continue to provide for is something very profound. It is an honor to be able to serve with Representative GARCÍA. It is an honor to see so much bipartisan support for this legislation, as well as both Houses of our Congress.

I humbly ask my colleagues to please join all of us in supporting this legislation.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Illinois (Mr. GARCÍA) that the House suspend the rules and pass the bill, H.R. 1690, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

#### FURTHER MESSAGE FROM THE PRESIDENT

A further message in writing from the President of the United States was communicated to the House by Miss Kaitlyn Roberts, one of his secretaries.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO FOREIGN INTERFERENCE IN OR UNDERMINING PUBLIC CONFIDENCE IN UNITED STATES ELECTIONS—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 116-60).

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs, the Committee on the Judiciary, the Committee on House Administration, and the Permanent Select Committee on Intelligence and ordered to be printed:

*To the Congress of the United States:*

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days before the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the threat of foreign interference in or undermining public confidence in United States elections declared in Executive Order 13848 of September 12, 2018, is to continue in effect beyond September 12, 2019.

Although there has been no evidence of a foreign power altering the outcomes or vote tabulation in any United States election, foreign powers have historically sought to exploit America’s free and open political system. In recent years, the proliferation of digital devices and internet-based communications has created significant vulnerabilities and magnified the scope and intensity of the threat of foreign interference. The ability of persons located, in whole or in substantial part, outside the United States to interfere in or undermine public confidence in United States elections, including through the unauthorized accessing of election and campaign infrastructure or the covert distribution of propaganda and disinformation, continues to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13848 with respect to the threat of foreign interference in or undermining public confidence in United States elections.

DONALD J. TRUMP.

THE WHITE HOUSE, September 10, 2019.
