

In its 24 years under Jim's leadership, MABA has consistently and exceptionally represented the interests of the agricultural industry in Michigan, offering important resources to businesses while working proactively to keep the industry ahead in the global marketplace. For instance, MABA's "2025" project has encouraged industry leaders to think about long-term needs and how Michigan agriculture will grow in the coming years. Jim has excelled as a leader and communicator, and his expertise has made him well-respected by those across the political spectrum.

Agriculture is the second-largest sector of Michigan's economy, contributing more than \$71 billion to the economy annually and supporting one out of every four jobs in the state. With today's ever-evolving world, the work of industry leaders like Jim has been critical in making Michigan the agricultural hub it is. His impact on the state of Michigan cannot be overstated.

Madam Speaker, it's my honor to congratulate Jim Byrum for his decades of service as President of the Michigan Agri-Business Association. Michiganders can take great pride in knowing the First District is home to such a dedicated leader. On behalf of my constituents, I wish Jim all the best in his future endeavors.

Mr. RYAN. Madam Speaker, I rise today to honor the life of Karen Williams Connelly, 68, of Niles, Ohio, who passed away peacefully at home, Thursday Sept. 5, 2019, surrounded by family after a long illness.

Karen was born April 7, 1951, in Warren, the daughter of her proud parents, Tom and Luella Knai Williams.

After graduating from Niles McKinley in 1969, Karen attended the Ohio State University and eventually graduated from Youngstown State University. Karen earned a bachelor's degree in social work and later a master's degree in counseling. Karen worked in the mental health field in the Mahoning Valley until her retirement, helping hundreds of people with mental illnesses. She loved her work and her love for people could be seen in all aspects of her life.

On Nov. 29, 1980, she married the love of her life, Tom Connelly, and together they made a life in Niles. Karen loved to laugh and enjoyed hosting parties, picnics and events in her home. Christmas Eve and Memorial Day were her favorite events and her parties became traditions among family and friends. Karen loved to cook and bake and was constantly trying new recipes.

She will be dearly missed by her devoted husband, Thomas R. Connelly; her loving children, Thomas and Laura Connelly and Megan and Brian Gibson; her grandchildren, Lucy Gibson, Max Gibson and Lily Jones; a sister, Patty Williams; a brother Bryan (Lisa) Williams; and many nieces, nephews and friends. Karen was preceded in death by her parents, Tom and Luella Williams.

The family would like to extend their heartfelt gratitude to Karen's physician, Dr. Zul Mangalji, and the nurses at Trumbull Memorial Hospital for their exceptional care and compassion during her illness.

I am very blessed to have worked with and befriended Karen's husband, Tom, who was the president of AFSCME Local 2026, which represents hundreds of nurses at Trumbull Regional Medical Center. Karen will most certainly be missed by all the lives she touched.

HONORING "FOOTSTEPS TO YOU:  
CHATTEL SLAVERY" EXHIBIT

**HON. NORMA J. TORRES**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 12, 2019*

Mrs. TORRES of California. Madam Speaker, I rise today to honor the Footsteps to You: Chattel Slavery exhibit. This exhibit opened in San Bernardino in 2018 and featured original artifacts and documents from the 19th century to showcase how the institution of slavery has shaped the United States.

Originally from historian Jerry Gore's estate, the collection gives visitors greater insight into the daily abuses inflicted on the millions enslaved in America, and the courage that African women, men, and children demonstrated

while fighting for their freedom. Guests can immerse themselves in newspapers, first-person accounts, and objects of the slave trade. I had the chance to examine up close some of these documents and was reminded that slavery was not just an unspoken evil, but one out in the open, written, and debated in our country. These slave narratives help spark questions about how visitors themselves would have participated in slavery during this time in history.

The exhibit was one of the San Bernardino County programs named as part of the 2019 Achievement Awards from the National Association of Counties.

It is my honor to recognize the Footsteps to You: Chattel Slavery exhibit on the House floor today. This exhibit provides necessary insights and education into the experience of a slave in America and has made important contributions to the 35th District that are worthy of admiration.
