Monday, September 16, 2019

Mr. THOMPSON of California. Madam Speaker, I rise today to honor the Boys and Girls Club of Greater Santa Rosa on the occasion of its 70th Anniversary.

The Boys and Girls Club of Greater Santa Rosa opened its doors in 1949 with the generous support of local leaders who donated their time and resources to establish a safe place for children to go during the after-school hours. Since then, the club has provided boys and girls with a place to learn, play, develop academic skills, and engage in physical activity. They satisfy the age-old desire of young people to have a "club" of their own. Staffed by full-time and part-time Youth Development Professionals, and supplemented by passionate and caring volunteers, the club is open more than 250 days per year.

One major tenet of the Boys & Girls Club of Greater Santa Rosa is diversity. They strive to reflect the makeup of our community and serve boys and girls of all races, religions, and cultures. The programs and activities are conducted in the warm, friendly atmosphere of facilities specifically designed for youth. The Club is open to all members at any time during hours of operation and offers varied and diversified programs that recognize and respond to the collective and individual needs of girls and boys. The Club is guidance-oriented and emphasizes values inherent in the relationships between young people, their peers, and adults.

Madam Speaker, for seventy years, the Boys and Girls Club of Greater Santa Rosa has provided a safe, fun place for children to

learn and play. It is therefore fitting and proper that we honor its 70th anniversary here today.
