Ms. HERRERA BEUTLER. Madam Speaker, I rise today to recognize and congratulate Amy Campbell, from Camas, Washington on being named Washington state's Teacher of the Year.

Once again, I want to congratulate Amy on receiving this honor. I want to thank her and all of our teachers for their hard work and devotion in serving our students and families in Southwest Washington.

HONORING THE KESSELING NAVAL PROPULSION SITE IN WEST MILTON, NY FOR RECEIVING THE TOWN HERITAGE AWARD ON THEIR 70TH YEAR ANNIVERSARY

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2019*

Ms. STEFANIK. Madam Speaker, I rise today to honor the Kesselring Naval Propulsion Site in West Milton, NY for receiving the Town Heritage Award on the occasion of its 70th anniversary.

The Kesselring Naval Propulsion Site was founded in 1948 and began operations in 1955. Previously known as the West Milton site, it was renamed the Kenneth A. Kesselring Site in 1968. Despite being established to serve as a testing location for liquid-metal cooled power breeder reactors, the site's focus changed to the testing of propulsion plants through the Naval Nuclear Propulsion Program. Over the next four decades, several generations of power plants were successfully tested at Kesselring before being deployed onto submarines like the USS *Ohio*.

Today, the Kesselring Naval Propulsion Site serves as a training site for Nuclear Reactor Operators. Kesselring allows for trainees to have a hands-on experience to better prepare them for operating these complex systems. Kesselring has trained over 50,000 sailors since 1955.

On behalf of New York's 21st congressional district, I want to join The Saratoga County

History Roundtable in honoring the Kesselring Naval Propulsion site and the Town of Milton on this historic occasion. I also want to thank the leadership team at Kesselring and the service members who have trained there for their dedicated service. I look forward to the continued success of the Kesselring Naval Propulsion site training future generations of sailors and submariners.

TRIBUTE TO MICHAEL BAUER

**HON. JANICE D. SCHAKOWSKY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2019*

Ms. SCHAKOWSKY. Madam Speaker, I rise today to honor the memory of Michael Bauer, a larger than life, beloved Chicagoan who made an impact on the most powerful American leaders as well as the most humble and vulnerable people.

Michael Bauer was only 66 years old when he passed away after a battle with cancer on August 29th. On September 3rd, hundreds gathered at Anshe Emet Synagogue on Chicago's north side to pay tribute to Michael and hear from some of the people whose lives were deeply affected by this passionate and exuberant activist.

Speakers included Chicago Mayor Lori Lightfoot, a long-time and very close friend, who Michael worked day and night to help elect, as well as Senator DICK DURBIN, a friend and political ally. Governor JB Pritzker was in attendance along with several Members of Congress, including me, and many members of the State Legislature as well as officials at the County and local level.

Michael had a law degree and an MBA, but his real passions were fighting for the rights of the LGBTQ community, Holocaust Remembrance and progressive politics. As a gay man, he began his activism during the ravaging days of the AIDS epidemic, but he never stopped fighting to end all forms of discrimination. He worked to change laws at every level of government to assure the right of gay couples to marry and the rights of transgender people, among other issues.

Both of Michael's parents were Holocaust survivors, and he and his brother Jerry grew up without grandparents, aunts and uncles or cousins. Poignantly, Michael's beloved mother Tema Bauer, 103 years old, was at the funeral of her younger son. Not surprisingly, Michael played an important role in the establishment of the Illinois Holocaust Museum & Education Center in Skokie, Illinois, a city that is home to many survivors.

And Michael was deeply involved in politics, raising money and campaigning for his chosen candidates. His endorsement was heavily sought by Democratic candidates, but each had to pledge support for Michael's priorities, including protecting women's reproductive rights.

For nearly four decades, Michael shared his life with his partner and husband Roger Simon. They were inseparable, particularly going through the difficult phases of Michael's illness—Roger always at his side, always lovingly caring for his every need.

Michael was a dear, dear friend of mine. My husband and I loved to be in the same room with Michael and Roger, often watching Michael command the space—always forcefully making a point, or making a joke and being the force of nature that he was. He will be deeply missed.

HONORING EPISCOPAL HOMES OF  
MINNESOTA ON ITS 125TH ANNI-  
VERSARY

### HON. BETTY MCCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 17, 2019*

Ms. MCCOLLUM. Madam Speaker, I rise to recognize Episcopal Homes of Minnesota on its 125th anniversary of caring for and serving senior communities in Saint Paul.

Episcopal Homes began in 1894 with a visionary leader named Sister Annette Relf. Sister Annette was a hospital nurse and Minnesota's first Episcopal Deaconess, who saw a need for a home and place of comfort for poor and elderly women. The first home was founded at 710 Martin Street in Saint Paul. In 1909, Sister Annette herself became a resident of the home until she died in 1915. The tradition of strong women's leadership continued in 1930, when Eliza May was elected as the first President of the Board and women took over daily management of the home.

The Great Depression brought major challenges to the community, and the federal government responded by granting the home an exception from taxes. The Social Security Act was passed which kept many residents out of poverty by providing retirement security. After World War II, the home grew to accommodate 70 residents. In 1970, the home officially became the Episcopal Church Home of Minnesota. The need for more supportive services led to the hiring of an occupational therapist who could address the physical, recreation and social needs of residents.

Episcopal Homes has continued to grow to serve residents, receiving a major grant from the U.S. Department of Housing and Urban Development (HUD) to build subsidized housing for seniors. In 2011, Kings Crossing Apartments opened in Saint Paul's Frogtown neighborhood, which HUD lauded as a model for innovative community planning and neighborhood revitalization. This federal investment has continued and been valuable to Episcopal Homes' nine senior communities located near Green Line Light Rail stops along University Avenue in Saint Paul. Episcopal Homes has won numerous awards and recognition for its care and services—including those from Aging Services of Minnesota, the Metropolitan Council, the Midway Chamber of Commerce, the Saint Paul Area Chamber of Commerce and U.S. News & World Report.

Today, Episcopal Homes is home to more than 1400 residents who thrive in their retirement years through the continuum of care offered through the homes in the heart of Saint Paul. Madam Speaker, please join me in honoring the 125th anniversary of Episcopal Homes of Minnesota's dedication to building affordable, diverse, vibrant communities and enhancing the lives of older adults.
