

HONORING THE ANNIVERSARY OF  
PENTECOSTAL TEMPLE CHURCH  
OF GOD IN CHRIST

**HON. RASHIDA TLAIB**

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Friday, September 20, 2019*

Ms. TLAIB. Madam Speaker, I rise today in tribute to Pentecostal Temple Church of God in Christ, a house of worship in Inkster, Michigan, as its members celebrate the church's ninetieth anniversary.

Pentecostal Church of God in Christ was founded in 1930. Construction of the church itself was a labor of love initiated by pledges and donations of community members and built by their own hands. Since then, the church has grown to accommodate its flock and its many programs. The same sense of community that was present at the church's inception is still evident in its growth both physically and spiritually. Over the years, Pentecostal Church of God in Christ has expanded to include a school for kindergarten through sixth. It offers summer programs, daycare, and even technology classes. The legacy of community service and inclusion lives on under the leadership of Pastor Kellen Brooks, the grandson of Pentecostal Church in God's longest serving pastor, the late Bishop Isaac King, Jr.

Please join me in tribute to Pastor Kellen Brooks and the members of Pentecostal Church of God in Christ as we recognize its ninetieth anniversary.

PAYING TRIBUTE TO THE LIFE  
AND LEGACY OF DR. EMILY  
ENGLAND CLYBURN

**HON. EDDIE BERNICE JOHNSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Friday, September 20, 2019*

Ms. JOHNSON of Texas. Madam Speaker, I rise today to recognize and pay tribute to the life and legacy of a transformative leader and my personal friend, Dr. Emily England Clyburn.

A native South Carolinian, Dr. Clyburn graduated from Berkeley Training High School in Moncks Corner before attending South Carolina State University (SCSU), where she earned a Bachelor's degree in Library Science. She continued her studies and earned a Master's degree in Librarianship from the University of South Carolina. In 2010, Dr. Clyburn was recognized for her achievements in the humanities through an Honorary Doctorate of Humane Letters from her alma mater, SCSU.

Dr. Clyburn served as a public school librarian in Columbia and Charleston in the early part of her career. She later transitioned to a medical librarian position at the Charleston Naval Base and Dorn VA Medical Center in Columbia, where she merged her passion of librarianship with her commitment to service.

Dr. Clyburn and her husband, my good friend Congressman JIM CLYBURN, generously contributed funding to South Carolina State University to allow for the reestablishment of the Honors College. In addition, the university created the Dr. Emily England Clyburn Honors

College Scholarship Endowment, which enables deserving students the opportunity to further their education.

Dr. Clyburn's philanthropic successes did not go unnoticed. She was a recipient of the Woman of Faith Award from the Columbia Chapter of the National Council of Negro Women, the Distinguished Service Award from the South Carolina State University National Alumni Association, and the Woman of Distinction Award by the Girl Scouts of South Carolina. Additionally, she was featured in the I. DeQuincy Newman Institute for Peace and Social Justice's documentary, *Notable African American Women: In Their Own Voices*.

Dr. Clyburn was preceded in death by her parents, Peter and Mattie England, and siblings Arthur England and Mattie Mae England Wadley. She is survived by her husband, Congressman JIM CLYBURN; three daughters, Mignon L. Clyburn, Jennifer Clyburn Reed (Walter), and Angela Clyburn Hannibal; four grandchildren, Walter A. Clyburn Reed, Sydney Alexis Reed, Layla Joann Clyburn Hannibal, and Carter James Clyburn Hannibal; and many more loving family and friends.

Madam Speaker, I would like to extend my deepest sympathies to Congressman CLYBURN, his loved ones, and all those who had the pleasure of knowing Dr. Clyburn. She was a pillar of this great institution's community, and we will dearly miss her.

CONTINUING APPROPRIATIONS  
ACT, 2020, AND HEALTH EXTEND-  
ERS ACT OF 2019

SPEECH OF

**HON. PETER A. DeFAZIO**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Thursday, September 19, 2019*

Mr. DeFAZIO. Mr. Speaker, I will vote yes on H.R. 4378, which funds the federal government through November 21, 2019, although I do have several concerns regarding what is in the bill.

The House has completed nearly all of its appropriations bills. The Republican Senate has passed none. Because the Senate has not done its work, bridge funding is needed to keep the government open past September 30.

Let me be clear: it is imperative that Congress provide long-term stability and funding. Congress, specifically the Senate, needs to get its work done and halt the ridiculous and irresponsible lurching from short-term fix to short-term fix. Shutting down the government does nothing but harm Americans. The shutdown earlier this year resulted in Coast Guard personnel going without a pay check for 35 days. I have a bill to ensure that never happens again.

The continuing resolution includes provisions that I strongly support. I am glad it contains language to stop roughly \$1.2 billion in cuts to transit formula funding from going into effect on October 1, 2019. Had this language not been included, the so-called "Rostenkowski test" would have been triggered for the first time ever, leading to a roughly 12 percent cut in funding to transit agencies. This test, originally intended to prevent overspending from the Highway Trust Fund, is no longer relevant given that the Trust Fund now consist-

ently relies on General Fund transfers and should ultimately be repealed.

It also includes funding for Community Health Centers, which provide a vital lifeline for health care services to thousands of Oregonians and millions of Americans in rural and underserved communities. It also modifies Medicaid's drug rebate program to ensure that rebates paid to the federal government and the states by brand name drug manufacturers are calculated based solely on the price of a brand name drug, and not on generic drug prices.

It includes language to ensure the Department of Veterans Affairs (VA) has the funding it needs to process claims from Blue Water Navy Veterans impacted by Agent Orange as well as critical provisions that will significantly expand enrollment in the World Trade Center Health Program, aiding 9/11 first responders and survivors.

Importantly, the bill provides \$250 million in aid to Ukraine to help it defend itself from Russian aggression, which President Trump suspiciously delayed this summer. Disturbingly, Trump may have even tried to use this aid as leverage to coerce Ukraine into conducting politically-motivated investigations to help Trump's former campaign chairman Paul Manafort and to target former Vice President Joe Biden's family.

However, I am extremely disappointed that the continuing resolution did not address a highway program funding issue created by the Republicans in the last surface-transportation reauthorization bill. Section 1438 of the Fix America's Surface Transportation (FAST) Act rescinds \$7.6 billion of Federal highway funding on July 1, 2020. State Departments of Transportation are very concerned about the impact of the rescission on planning, construction, and repair of roads and bridges, and it is imperative that we address this before we finalize the fiscal year 2020 appropriations bills.

I also have serious concerns with the bill's attempt to reimburse the Commodity Credit Corporation for trade relief that has been disbursed to farmers and ranchers hurt by President Trump's trade war with China. While there's no doubt that farmers and ranchers have suffered under President Trump's trade policies, this legislation essentially clears the way for the president to continue his erratic trade policies unchecked by providing an absurd bailout of more than \$20 billion.

I hope the Senate can get its work done during the next eight weeks so we can stop the budget gimmicks and spend our time working on important issues like improving access to health care and repairing our dilapidated infrastructure. That is what Americans expect, and that is what they deserve.

Mr. FLORES. Madam Speaker, I rise today to recognize the Bryan-College Station Habitat for Humanity, which is celebrating its 30th anniversary this year.
