**HONORING DR. MICHAEL
CHERINGTON**

HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 24, 2019

Mr. BUCK. Madam Speaker, I rise today to honor and celebrate Dr. Michael Cherington for his 85th birthday.

Dr. Michael Cherington of Castle Rock, Colorado was born in Pittsburgh, Pennsylvania in 1934. He graduated from the University of Pittsburgh and later attended the University of Pittsburgh School of Medicine. As such, he was destined to continue his career on the East

Coast until a mentor directed him to take a year for residency. Shortly thereafter, he moved to Colorado Springs with his first wife, and that same year, he was drafted into the United States Army.

While in Colorado, Dr. Cherington opened his own private practice in neurology and he taught at the University of Colorado Medical School. He served his community very well in both capacities while helping thousands of patients across the state. He most notably cared for patients with varying degrees of neurological damage from lightning strikes. As a matter of fact, towards the end of his practice, he wrote an article about lightning strikes and the injuries they can cause, and it was published in "SportsMedicine."

Later, he became known as "The Lightning Doctor" after publishing many articles about lightning injuries and how to avoid such injuries. This eventually led to the creation of the Lightning Data Center in Denver, which brought together many lightning experts across several different areas of expertise and discipline. As "The Lightning Doctor," he was featured on many local television stations, as well as, ABC's 20/20, National Geographic, and Unsolved Mysteries.

To this day, Dr. Cherington still lives happily in Colorado, almost sixty years later. In his spare time, he greatly enjoys spending time with his wife Nancy, his children, and nine grandchildren. I would like to thank Dr. Cherington for all his contributions and wish him a very Happy Birthday.

**CONGRATULATING INDIANA HIGH
SCHOOL PRINCIPAL OF THE
YEAR BRUCE D. JENNINGS**

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 24, 2019

Mrs. WALORSKI. Madam Speaker, I rise today to congratulate Bruce D. Jennings on being named the 2018 Indiana High School Principal of the Year.

Annually since 1992, the Indiana Association of School Principals has recognized outstanding principals across our great state of Indiana. In his 12 years as principal at Bremen High School, Mr. Jennings has truly been an extraordinary educator, and it is clear this high honor is well-deserved. However, his impact goes far beyond the walls of Bremen High School.

In addition to his role as principal, Mr. Jennings has served his community in compassionate and philanthropic ways that have helped to advance educational opportunities for the next generation. As a member and advisor of organizations like the Marshall County Community Foundation, the Bremen Dollars for Scholars Organization, and Indiana University's Educational Leadership Program, Mr. Jennings works hard to build a bright future for Hoosier students and lead by example for educators across the country. His record of leadership and dedication reflects positively on Bremen High School and the northern Indiana community, and I am grateful for his innovative ideas that promote creativity, confidence, and discovery.

Mr. Jennings' ability to connect with students and teachers and share his passion for

learning empowers everyone at Bremen High School to reach the next level of success. He is a true inspiration and valuable role model to us all, and I have no doubt Bremen students are well-equipped for whatever their futures may hold.

Madam Speaker, on behalf of 2nd District Hoosiers, I want to thank Bruce Jennings for all he has done to educate, guide, and support his students and faculty. It is a privilege to represent principals like Mr. Jennings who help make our schools vibrant and our students' futures bright.

**CELEBRATING THE 200TH ANNI-
VERSARY OF THE OLD
MCKENDREE CHAPEL**

HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 24, 2019

Mr. SMITH of Missouri. Madam Speaker, I rise today to honor the Old McKendree Chapel in Jackson, Missouri on the occasion of its bicentennial. The Old McKendree Chapel was built in 1819 and held their first services on September 14th, a year and a half before Missouri was granted statehood.

The chapel was constructed by Methodist pioneers, who had been meeting at the site since 1809. It was named for the circuit-riding preacher, William McKendree, who visited the congregation in 1818. McKendree went on to become the first native-born bishop of the Methodist Church in the United States. The chapel was actively used until 1888. By the 1920s, the chapel was in disrepair and faced the threat of demolition.

Through the efforts of Rev. William Stewart, then pastor of New McKendree Church in Jackson, the historic chapel was saved. Restoration was completed in 1933 and the McKendree Chapel Memorial Association was founded to preserve the landmark for the enjoyment of future generations.

Today the chapel continues to serve as a holy place in the community. It is a national Methodist shrine visited by families from across the country each year.

For its contributions to the Jackson community and its place in Missouri history, it is my great pleasure to celebrate the Old McKendree Chapel today before the U.S. House of Representatives.
