

RECOGNIZING NATIONAL
DUMPLING DAY**HON. NYDIA M. VELÁZQUEZ**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 24, 2019

Ms. VELÁZQUEZ. Madam Speaker, I rise today to honor National Dumpling Day. National Dumpling Day was inaugurated back in 2015 in Brooklyn, NY and is now celebrated across America every year on September 26.

Dumplings made their humble beginnings in Ancient China, almost 1,800 years ago, where they were known as jiaozi. In America, dumplings were introduced in the mid-1800s by Chinese laborers building the transcontinental railroad. From Korean mandu and Chinese soup dumplings, to the Indian samosa and Tibetan momo, dumplings have become a world delicacy and bear tremendous cultural significance in our Asian Pacific American communities. Today, families come together across our country to the table to wrap, cook and enjoy this delightful treasure.

In the 7th Congressional District of New York, we are proud to have CJ TMI Foods, a part of CJ America, as one of the country's largest dumpling manufacturers and the founder of National Dumpling Day. Since 1989, CJ TMI Foods has been a minority-owned business, creating fresh and tasty dumplings and noodles. The company has grown exponentially over the years by expanding into new facilities and employing over 400 people. I admire their trailblazing mission of connecting and inspiring individuals of all cultural identities through exposure to Asian food.

Dumplings are more than just delicious comfort food, they are a bonding experience among many of our families. I ask my colleagues in the 116th Congress to join me in celebrating National Dumpling Day and recognizing the value these ubiquitous and delicious pockets of dough carry, unifying neighbors and sparking joy.

IN RECOGNITION OF THE 100TH AN-
NIVERSARY OF THE BUDDHIST
CHURCH OF FLORIN**HON. DORIS O. MATSUI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 24, 2019

Ms. MATSUI. Madam Speaker, it is with delight that I rise to honor the 100th Anniversary of the Buddhist Church of Florin as the congregation and greater community gathers

for this historic occasion. This historical Church has served as the heart of the Florin Japanese-American community and a hub for social and religious gatherings alike.

In the 1890's, the Issei arrived in Florin and thrived in our region. In 1919, a few decades after the Issei's arrival, Japanese-American strawberry and grape farmers from Florin, Mayhew, and Elk Grove gathered to form the Buddhist Church of Florin. Tragically, World War II brought turmoil to our community and the church with Executive Order 9066. Because of the order of the relocation of all persons of Japanese ancestry, the church was locked and not in use until residents returned to the region after release.

Since the return of the congregation, the Buddhist Church of Florin has flourished and is now dedicated to sharing the wisdom and compassion of the Buddhist teachings, remembering the history of the Issei and Florin, and most importantly, provide a space for the community to connect. The Church provides social and cultural events, monthly low-cost lunches for seniors, and youth athletics such as basketball and martial arts.

Madam Speaker, as Florin residents and the greater community gather to celebrate this momentous day, I ask my colleagues to join me in honoring the 100th Anniversary of the Buddhist Church of Florin.
