

Mr. HICE of Georgia. Madam Speaker, with solemn remembrance and a heavy heart, I rise today to honor the life of my uncle, Colonel Joseph S. Hice.

We knew him as Uncle Spurge. He was a great husband, a father, a friend to everyone who knew him, and an amazing American patriot.

Colonel Hice was born in 1928 in Cherry Log, Georgia. He attended the University of Georgia, where he graduated with a degree in aeronautical engineering.

His passion for flight led him to an amazing career in the United States Air Force, where he served with honor for 21 years. He was among the first jet pilots in our Nation's history who commanded the P-80, F-84, F-86, F-100, F-104, KC-135, and B-52.

During his distinguished career, he earned the World War II Victory Medal, the Armed Forces Reserve Medal, the Air Force Outstanding Unit Award with oak leaf cluster, the Air Force Commendation Medal, the National Defense Service Medal, and the Bronze Star service medal.

Colonel Hice served his Nation with great honor during both the Korean and Vietnam wars and led the first squadron of jet aircraft to circumnavigate the globe nonstop.

During the October 1962 Cuban Missile Crisis, Colonel Hice served at Strategic Air Command headquarters at Offutt Air Force Base in Nebraska, where he helped coordinate various branches involved in Operation Looking Glass, and he was responsible for briefing President John Kennedy in real time.

Following his career in the Air Force, Colonel Hice celebrated a 20-year career with Eastern Air Lines in Miami, Florida, as a chief flight instructor. Later, he worked in real estate in both south Florida and Atlanta, Georgia, after his retirement from the airline.

Colonel Hice was preceded in death by his wife, Mary Phil Blankley Hice. He is survived by his children, Joseph Hice, Jr., Charles N. Hice, Leslie Jane Hice Coleman; his brother, my father, Thomas Hice; 10 grandchildren and great-grandchildren; his many nieces and nephews; and his beloved pup, Louie.

Colonel Hice led an illustrious life of great honor and marked dignity in service and commitment to his family, his friends, and his Nation. He will receive full military honors during a ceremony at the Georgia National Cemetery in Canton, Georgia, on Friday, October 4, 2019—10/4/2019.

Madam Speaker, I ask my colleagues to join me in honoring this amazing American hero, Colonel Joseph S. Hice: Fly low and slow, and keep the doors open. 10-4.

CONGRESS MUST ACT TO LOWER INSULIN COSTS

The SPEAKER pro tempore. The Chair recognizes the gentleman from Illinois (Mr. RUSH) for 5 minutes.

Mr. RUSH. Madam Speaker, I rise today to address the scourge of the diabetes disease in lower income communities all across our Nation.

According to the Centers for Disease Control and Prevention, over 30 million Americans are living with the dreaded diabetes, and many cannot properly manage this potentially deadly disease due to the high cost of their medication.

Insulin is a critical and necessary treatment for those with diabetes. Since 1996, the cost of the most frequently prescribed forms of insulin has increased from just \$25 to over \$250 per bottle.

According to a 2018 Yale University survey, one in four patients were forced to ration their insulin due to these skyrocketing costs, a potentially deadly practice.

□ 1030

No one, Madam Speaker, should ever have to forgo or ration their lifesaving medication, which is the very reason why I introduced H.R. 366, the Insulin Access for All Act.

This bill would prevent the most vulnerable citizens from having to choose between taking their insulin or paying their household bills by eliminating the out-of-pocket costs for Medicare and Medicaid patients.

I encourage all of my colleagues, Madam Speaker, to join me in supporting this very necessary bill.

Additionally, Madam Speaker, the Committee on Energy and Commerce Subcommittee on Health held a hearing yesterday to begin discussions on H.R. 3, the Lower Drug Costs Now Act. I am a proud cosponsor of this bill. I firmly believe that passing this piece of legislation would be an important step in relieving the burden of rising pharmaceutical costs experienced by all of our citizens. This legislation would direct the Secretary of Health and Human Services to negotiate fairer prices for some of the 250 most costly drugs, including insulin.

Madam Speaker, no American should ever have to wonder if they can afford the lifesaving insulin that they must depend on. Congress must take bold action to lower insulin costs. Lives are depending on it.

Madam Speaker, healthcare is a human right, and access to insulin is righteous and just and good.

EASTERN HANCOCK HIGH SCHOOL WINS COLTS LEADERSHIP CHALLENGE

The SPEAKER pro tempore. The Chair recognizes the gentleman from Indiana (Mr. PENCE) for 5 minutes.

Mr. PENCE. Madam Speaker, I rise today to recognize the Eastern Hancock High School football team for being one of four Indiana high schools to win the Colts Leadership Challenge.

The Colts Leadership Challenge is a competition that encourages high school football teams to host blood

Hundreds of donations are needed each day to meet the needs of the Versiti Blood Center of Indiana. We are so proud of the Royals for helping to deliver these critical, lifesaving measures.

I want to thank the Eastern Hancock High School football team for their outstanding service to the community and to the State of Indiana. Well done.

Mr. PENCE. Madam Speaker, I want to recognize Rush County resident Bec Wicker, who was recently awarded the Women in Agriculture Achievement Award. The annual award recognizes Indiana women who have contributed significantly to the success of Indiana agriculture.

I thank Mrs. Bec Wicker for her outstanding contributions and support for the agriculture community.

FARMERS IN INDIANA'S SIXTH DISTRICT RECEIVE HOOSIER HOMESTEAD AWARD

Mr. PENCE. Madam Speaker, I want to recognize the outstanding achievement of 27 family farms in Indiana's Sixth Congressional District.

The Hoosier Homestead Award is given out by the Indiana State Department of Agriculture to family farms that have been farming for over 100 years, 150 years, and 200 years. I am proud that, in my district alone, 15 family farms earned the Hoosier Homestead centennial award, 8 earned the sesquicentennial award, and 4 earned the bicentennial award.

Future generations of Hoosier farmers can look up to these family farms and know that hard work and dedication pays off.

Congratulations to all of these families for earning the recognition as a Hoosier homestead.

INDIANA'S BEIRUT MEMORIAL MONUMENT

Mr. PENCE. Madam Speaker, this weekend, I joined my fellow veterans and Gold Star families in dedicating the Beirut Memorial monument to Hoosiers killed in the terrorist attack in Beirut, Lebanon, on October 23, 1983.

As a Beirut veteran myself, I understand that our first duty is to remember. I am proud that Indiana now has our own memorial to commemorate the Indiana servicemen who sacrificed their lives in the name of peace, and we will never forget:

James Baynard, USMC

Danny Estes, USMC

Michael Gorchinski, USN

Maurice Hukill, USMC

George McVicker, USN; and

Thomas Thorstad, USMC.

Madam Speaker, I will always be faithful.
