

Mr. Green of Tennessee moves to recommit the bill, H.R. 3525, to the Committee on Homeland Security with instructions to report the same back to the House forthwith with the following amendment:

Add at the end of section 3 the following:

(c) EFFECTIVE DATE.—This section shall take effect on September 30, 2027.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Tennessee is recognized for 5 minutes in support of his motion.

Mr. GREEN of Tennessee. Mr. Speaker, many of us made the trip this summer to Normandy to celebrate the 75th anniversary of the D-Day landings. It was an amazing opportunity.

Standing among the rows of crosses and Stars of David in the U.S. cemetery, I was reminded of the sacrifices of our incredible American warriors.

Standing there ignited my memory of 24 years of wearing the uniform. I was reminded of my driver when I was a young second lieutenant. He was 4 foot 11 and had a heart the size of his home State of New York. I recalled my radio telephone operators, both from California. When I was a commander in the 82nd Airborne Division, they stuck to me like glue and would try so often to sneak food in so that we could eat while we were all rigged up in our airborne gear before an airborne operation.

Of course, my friends from the war flashed into my mind. I will never forget watching the flag-draped coffin of a fellow Army Ranger carried into the back of a C-17 in Bagram, Afghanistan for his last trip home.

Our veterans deserve everything that we can give them. However, in the past few years, despite improvements in the VA electronic health records system, problems and delays still remain. For example, the very benefits that Congresswoman UNDERWOOD in this bill advances for illegal aliens flooding across our southern border, our veterans don't have those benefits. Let me say that again: This bill, without the amendment I am asking this body to consider, advances healthcare services to illegal aliens before it does to our American heroes.

The VA Secretary testified before Congress that it will take his department 10 years to fully deploy this new system.

Mr. Speaker, I have the deployment schedule for the VA from their website, and I will include this in the RECORD at a later date.

Mr. Speaker, this timeline states that our veterans will not get an interoperable electronic health record at all VA healthcare facilities until September 20 of 2027.

VA medical facilities serving veterans in Virginia won't get it until 2024. Pennsylvania, New York, New Jersey, and New England won't be fully operational until 2026. It won't be until 2027 that VA medical facilities in Iowa, Minnesota, and Illinois are fully operational. Veterans in my home State of Tennessee won't benefit from interoperable electronic health records until 2023.

Yet, without this amendment, without my amendment, we are going to give it to illegal aliens within 90 days.

Mr. Speaker, these are the same men and women who, when they raised their right hand and took that oath, wrote a

blank check for America, for every person in this room, that was cashable, redeemable, all the way up until their life, their very life.

I think our constituents across this great country would find it appalling that we are about to give this health record system to illegal immigrants before our veterans receive it.

All this amendment does is ensure that our veterans get this service first. If you vote against this motion to recommit, you are giving an electronic health medical record to illegal aliens before our veterans.

Mr. Speaker, I yield back the balance of my time.

Ms. UNDERWOOD. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Illinois is recognized for 5 minutes.

Ms. UNDERWOOD. Mr. Speaker, my colleagues in this body, medical experts, and our neighbors and constituents all agree the humanitarian and medical situation at our southern border has reached crisis levels.

During my conversations with health officials at the border, including with the Department of Homeland Security, they told me that one of the most urgent solutions they need is an electronic health record that can be used by everyone providing medical care at the border.

DHS recognizes this, too, and has already taken steps toward implementation, but it is not moving fast enough. So this legislation directs that process, setting an aggressive but achievable timeline that reflects the urgency of the humanitarian situation. The children and families in our care can't afford any further delays.

Now, let me be clear: As a nurse, and a member of the House Committee on Veterans' Affairs, providing world-class care to our veterans is a top priority. I have introduced a number of proposals to improve healthcare delivery to our veterans, and I am working on a slate of others.

I welcome the input of my colleagues from across the aisle who want to work with me on modernizing the VA to better serve women veterans, improving mental healthcare access and quality, ending the veteran suicide epidemic, or any other way to serve our country's heroic veterans.

But where I am from, in northern Illinois, we can walk and chew gum at the same time because we also have a moral duty to ensure that children in our government's custody receive the basic medical screenings and services needed to ensure lives are not lost on our watch.

It is simple, and we can do both. That is what we are debating here today.

Children are dying of preventable causes in our care for the first time in a decade. We all agree that the humanitarian situation at our southern border presents a complex set of challenges. Congress has a duty to address

those challenges by providing, as appropriate, both resources and oversight.

Oversight is ongoing through the excellent work of our committees, in addition to inspectors general. We have repeatedly met requests for additional humanitarian funding as needed, most recently with the approval of almost \$5 billion in supplemental funding this summer.

But this Congress is choosing, rightly, to provide that funding along with additional guardrails and directions for how to spend it in a way that is consistent with American values because the status quo is unacceptable. Children are dying of preventable causes in our care for the first time in a decade. My bill, along with Congressman RUIZ's and Congresswoman ESCOBAR's, provides the guardrails and direction to reverse course.

Let's be clear: This is not some gold-plated package. What these policies do is establish minimum, consistent standards that ensure that we can effectively provide the most basic medical screenings and care. What we are doing is making sure that children and families in our care are asked questions like, "Do you have a fever? Do you have your inhaler? Could you be pregnant?" and that their answers are recorded and used to make sure that they are provided basic care.

These changes are urgently needed. Children are dying of preventable causes in our care for the first time in a decade, children like Darlyn, Jakelin, Felipe, Juan, Wilmer, and Carlos.

Medical care for these children has huge, unacceptable gaps. We have a responsibility to implement common-sense, effective policies that we know will fix that because children should never die from a preventable cause in our care.

We have a responsibility to ensure that the Department of Homeland Security is better prepared for future challenges to ensure the failures that contributed to these deaths are never repeated.

Children in our care have been separated from their families. They have been denied toothbrushes and blankets. They have been saddled with trauma that can affect them for their entire lives.

We must make sure that these children and their families have access to basic medical care and screening while in custody. That is why we have to reject this procedural gimmick, which could delay essential tools and resources from getting to officials at the border who need them.

I urge all my colleagues, vote "no" on the motion to recommit and vote "yes" to pass this bill.

Mr. Speaker, I yield to the gentleman from Maryland (Mr. HOYER), the distinguished majority leader.

Mr. HOYER. Mr. Speaker, read the bill, read the amendment that they offered.

Eric Cantor called MTRs a gimmick. This is the gimmick of gimmicks. It

does nothing for veterans' healthcare, not a single thing. You know it. I know it. Everybody in this House knows it. All it does is try to delay this bill for 10 years, and they are going to all vote against the bill.

Mr. Speaker, this does nothing for veterans' care. If the gentleman cared about veterans' care, he would have offered it.

Ms. UNDERWOOD. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

Mr. GREEN of Tennessee. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, the Chair will reduce to 5 minutes the minimum time for any electronic vote on the question of passage.

This is a 5-minute vote.

The vote was taken by electronic device, and there were—yeas 202, nays 213, not voting 18, as follows:

So the bill was passed.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

PERSONAL EXPLANATION

Mr. GALLAGHER. Mr. Speaker, I was unavoidably detained. Had I been present, I would have voted "nay" on rollcall No. 550, "yea" on rollcall No. 551, and "nay" on rollcall No. 552.

PERSONAL EXPLANATION

Mr. MCHENRY. Mr. Speaker, due to a family obligation, I unfortunately missed today's vote series. Listed below is how I would have voted had I been in attendance: Previous Question—"Nay"; Adoption of the Rule Providing for Consideration of S.J. Res. 54—"Nay"; Republican Motion to Recommit—"Yea"; and Passage of H.R. 3525—"Nay".

ELECTING MEMBERS TO CERTAIN STANDING COMMITTEES OF THE HOUSE OF REPRESENTATIVES

Mr. SMITH of Missouri. Mr. Speaker, by direction of the Republican Conference, I offer a privileged resolution and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 596

Resolved, That the following named Members be, and are hereby, elected to the following standing committees of the House of Representatives:

(1) COMMITTEE ON EDUCATION AND LABOR.—Mr. Murphy of North Carolina.

(2) COMMITTEE ON FINANCIAL SERVICES.—Mr. Timmons.

(3) COMMITTEE ON HOMELAND SECURITY.—Mr. Bishop of North Carolina.

(4) COMMITTEE ON SCIENCE, SPACE, AND TECHNOLOGY.—Mr. Murphy of North Carolina.

(5) COMMITTEE ON SMALL BUSINESS.—Mr. Bishop of North Carolina.

The resolution was agreed to.

A motion to reconsider was laid on the table.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 1406

Mr. LAWSON of Florida. Mr. Speaker, I ask unanimous consent to remove Representative BILL FOSTER as a cosponsor of H.R. 1406.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 2723

Mr. MEADOWS. Mr. Speaker, I ask unanimous consent to be removed as a cosponsor of H.R. 2723.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

REQUEST TO CONSIDER S. 820, DEBBIE SMITH REAUTHORIZATION ACT

Mrs. WAGNER. Mr. Speaker, I ask unanimous consent that the Committee on the Judiciary be discharged from further consideration of S. 820 to bring justice to victims of sexual assault, the Debbie Smith Reauthorization Act, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Mr. BRINDISI). Under guidelines consist-

ently issued by successive Speakers, as recorded in section 956 of the House Rules and Manual, the Chair is constrained not to entertain the request unless it has been cleared by the bipartisan floor and committee leaderships.

PARLIAMENTARY INQUIRIES

Mrs. WAGNER. Mr. Speaker, I have a parliamentary inquiry.

The SPEAKER pro tempore. The gentlewoman will state her parliamentary inquiry.

Mrs. WAGNER. Mr. Speaker, this has not been consistently. This is the first time this has been Uced.

I understand the guidelines just cited, Mr. Speaker; however, seeing no objection from leadership or committee members on either side of the aisle, does that constitute clearance and allow the Chair to entertain my motion under the rules of the House?

The SPEAKER pro tempore. A unanimous consent request for the consideration of that measure would have to receive clearance by the majority and minority floor and committee leaderships. The Chair is unaware of such clearance. Therefore, the Chair cannot entertain that request at this time.

Mrs. WAGNER. Mr. Speaker, I have a further parliamentary inquiry.

The SPEAKER pro tempore. The gentlewoman will state her parliamentary inquiry.

Mrs. WAGNER. Again, seeing no objection on either side of the aisle, and since this is dealing with grants for DNA testing and rape kits, can the Chair advise what is required pursuant to section 956 of the House rules to allow my motion to be considered to protect victims of sexual assault.

The SPEAKER pro tempore. As the Chair previously advised, that request cannot be entertained absent appropriate clearance.

Mrs. WAGNER. Mr. Speaker, I urge that the Speaker and the majority leader schedule the bill on the floor immediately to protect victims of sexual assault.

The SPEAKER pro tempore. The gentlewoman has not been recognized for debate.

TRUMP BEHAVIOR THREATENING SANCTITY OF ELECTIONS

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I am disgusted and appalled with the latest news about President Trump's behavior. He has repeatedly threatened the sanctity of our elections with his behavior. His latest call to the President of Ukraine is just par for the course with this administration.

This is not the country I grew up in where the rules and law have to apply to everyone. No one man is above the law.

This is not the way our elected officials should behave. The institutions of our country are meant for the people of this country, not for personal gain.
