NOTCH FAIRNESS ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. MENG. Madam Speaker, I rise today to bring attention to the need to right a wrong caused by Congress in 1972 when Congress amended the Social Security Act to adjust the benefits formula to include automatic cost-of-living adjustments. Unfortunately, this new formula was flawed; it resulted in unexpected windfalls for beneficiaries born before 1917.

In 1977, Congress corrected the formula, but beneficiaries born between 1917 and 1926 received significantly less than those born before and after them. Those born during these nine years are referred to as "Notch Babies," and Congress has been attempting to offset this disparity since 1999.

That is why I am introducing the Notch Fairness Act, which would compensate Notch Babies by providing them with either a one-time benefit of \$5,000 payable over a period of four years, or monthly benefits in accordance with a new formula.

Madam Speaker, fixing this disparity in benefits would not only make a real difference to our seniors who rely on this money as their main source of income, but it is the fair thing to do for seniors who were shortchanged by Congress. I urge my colleagues to support this legislation.

HONORING DAVID DEMANT

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Mr. HUFFMAN. Madam Speaker, I rise today in recognition of David Demant, who has the honor of being named Humboldt County Citizen of the Year for 2019. Mr. Demant's contributions to the local community are exemplary.

Mr. Demant has been engaged in civic issues since childhood. He joined the newly formed Environmental Club at his middle school in 1969, and wrote his first opinion letter to his Congressman in 7th grade. His activism grew into adulthood when he joined the Friends of the Eel River and became an active union member.

Mr. Demant has a Bachelor of Arts degree in Music Education and a teaching credential from Humboldt State University. He was named Outstanding Music Educator of the Year in 2005 from the California Music Educa-

tor Association, North Coast Section, and he has taught music to North Coast residents ranging from preschool to community college. He has spent over three decades working and educating students in both public and private schools. He served as president of the Eureka Teachers Association, and he played a pivotal role in the annual Labor Day Picnic over many years. Mr. Demant is active in community organizations including the Humboldt and Del Norte County Central Labor Council, organizes local marches, and still finds time to sing to Humboldt County residents in care homes each week.

Mr. Demant has dedicated his life to public service and community improvement. Madam Speaker, please join me in expressing deep appreciation for David Demant's commitment to bettering his community and congratulating him on his service to the North Coast.

IN HONOR OF BRUCE SPRINGSTEEN'S 70TH BIRTHDAY

HON. MIKIE SHERRILL

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. SHERRILL. Madam Speaker, I rise today to honor Bruce Springsteen, the New Jersey legend who turned 70 years old this week.

There is so much this Jersey Girl could say to honor Bruce Springsteen on his birthday. I could remind you of his 19+ albums, 15 world tours, sold-out Broadway shows, best-selling autobiography, countless Grammys, an Oscar, Kennedy Center Honors, Presidential Medal of Freedom, and membership in the New Jersey Hall of Fame. I could recount his lyrics that are poetic stories of everyday people just trying to get by.

I could tell you of his epic concerts and the way he connects with each audience member in sold-out stadiums and how he makes them feel as though he's singing directly to them. If you're lucky enough to experience it as I have, a live Springsteen show is not something you watch, but nearly 4 hours of power, raw beauty, and sweat that you actively participate in. Or maybe, to best honor him for his 70th birthday, I should proudly say that Bruce Springsteen is the unofficial spokesperson and ambassador of our great state.

He sings for the underdog, for the quiet hero, and for every New Jerseyan who has dared to dream of a better life for themselves. He sings about what is possible when we truly connect with each other and work to better the lives of our neighbors.

Bruce represents not only the best of New Jersey, but the best of America. He reminds us that this great nation of ours is indeed The Promised Land, and that each of us has a responsibility to make it so.

Happy Birthday, Bruce.

DOUGLAS IRBY EARNS RANK OF EAGLE SCOUT

HON. PETE OLSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Mr. OLSON. Madam Speaker, I rise today to congratulate Douglas Irby of Pearland,

Texas for earning the rank of Eagle Scout. Eagle Scout is the highest honor a Boy Scout can achieve.

Only a small percentage of Boy Scouts reach the rank of Eagle Scout. This honor requires years of effort to develop the necessary leadership, service and outdoor skills. To earn it, Douglas planned, built and organized a library for First Nation students of Ojibway Heritage School near Winnipeg, Canada. Douglas became aware of the need for a library and reading facility during his canoe trip with Troop 55 during the summer of 2016. Douglas tackled this project with passion and determination, and provided a library for the students of Ojibway Heritage School. This dedication has prepared him to be a leader in his future career. The leadership skills he learned through Boy Scouts are already benefiting communities across the world, just as the contributions of Boy Scouts continue to benefit our local communities in countless ways.

On behalf of the Twenty-Second Congressional District of Texas, congratulations again to Douglas Irby for becoming an Eagle Scout. We are proud of his continued success and thank him for his dedication to making our community a better place.

RESPONSIBLE BODY ARMOR POSSESSION ACT

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, September 27, 2019

Ms. MENG. Madam Speaker, gun violence continues to plague our streets and our communities. Even more frightening and dangerous is a gunman who is protected by enhanced body armor.

Madam Speaker, every second a shooter is on their feet, more lives are threatened.

Gun violence researchers and the law enforcement community agree that the armored gunman is threatening the safety of our community. Enhanced body armor, which is designed for military use, is increasingly being used in the commission of violence crimes in our streets, and to overcome law enforcement response.

We have seen shootings by gunmen wearing body armor in Riverside, CA, Salt Lake City, UT, Pittsburgh, PA, Cleveland, OH, Binghamton, NY, and many other communities. In 2012, the gunman in the Aurora, CO movie theatre shooting wore a ballistic helmet, ballistic leggings, a throat protector, a groin protector, and tactical gloves. It has also been reported the gunman in Dayton was wearing body armor. Body armor was also found in the home of the Gilroy Garlic Festival's gunman, and the Pulse night club shooter in Orlando, FL, attempted to buy body armor to protect himself during the massacre. One can deduce that had the Gilroy and Orlando shooters been wearing military-grade body armor, the number of casualties would have been far greater.

Shockingly, there are no federal restrictions on civilians' access to this type of military body armor.

That is why I am introducing the Responsible Body Armor Possession Act which would keep military body armor out of the hands of mass shooters by prohibiting the sale, transfer, or possession of enhanced body armor by
