

Mary Beatrice Hutchison was born on May 29, 1922 in Benton County, Tennessee. She grew up in Benton County, where she stood out as a high school basketball player. After she graduated, she moved to Detroit to work in a factory supplying the war effort in World War II.

In 1945, Bea married Tom Brewer, a WWII Army Air Corps veteran who survived many months in a German prisoner of war camp. Together, they raised two daughters—Lisa and Kim—and two grandchildren—Jacob and Lauren.

Bea and Tom lived in Houston County, where Tom worked as a teacher and Bea spent twenty years at the Stewart-Houston Times, the local newspaper where she wrote a column and served as editor. After retiring from the paper, she worked at the Houston County Soil Conservation for over twenty years. For the past year, she has been a resident at Signature Health Care.

I ask my colleagues in the United States House of Representatives to join me in congratulating Mary Beatrice Brewer on her induction into the Signature Health Care Hall of Fame.

RECOGNIZING GEORGE FORMA

HON. RAUL RUIZ

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2019

Mr. RUIZ. Madam Speaker, I rise to recognize George Forma, who has been a champion for tribes and tribal sovereignty for more than 50 years.

I am honored to represent eleven federally recognized tribes in my district. Each of the eleven tribes has had to fight for their rights and their sovereignty at every turn.

Standing with tribes in that fight and leading with them are the attorneys who represent them in the court of law.

George was instrumental in securing victory for tribes in the Cabazon case that set the groundwork for tribes to transform their on-reservation economies and conduct gaming operations, which has empowered tribes' self-sufficiency to provide adequate housing, schools, and other needed social services for tribal members.

He has successfully helped several tribes fight their unjust termination and achieve recognition as federally recognized tribes.

And over the decades, George has served my constituents, the Morongo Band of Mission Indians, providing advice and counsel with the highest of integrity.

I want to thank George for his work and wish him a long, happy retirement filled with well-earned family time.

HONORING THE ROTARY CLUB OF WHITE PLAINS, NEW YORK ON ITS 100TH ANNIVERSARY

HON. NITA M. LOWEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2019

Mrs. LOWEY. Madam Speaker, I rise to honor the Rotary Club of White Plains, New York, as the institution celebrates its 100th anniversary on Saturday, October 19.

Established on October 1, 1919, the Rotary Club of White Plains was the 540th club

charged by Rotary International and among the earliest Rotary clubs in Westchester County. The club focuses on raising funds to help local charities continue the critical, often challenging, work of helping those in need in the City of White Plains and across the Lower Hudson Valley.

In addition to local efforts, including scholarship programs to support White Plains area college students and sponsoring the Glen D. Loucks Memorial Track and Field Games, the Rotary Club of White Plains' philanthropic work has expanded internationally. The group has made crucial contributions to the reconstruction and redevelopment efforts in the City of Bahia de Caraquez, Ecuador, after the city's infrastructure was greatly damaged by an El Niño storm in 1998.

The Rotary Club of White Plains has been an invaluable partner in making the City of White Plains and the surrounding area a healthier and more prosperous community. Madam Speaker, I urge my fellow members of Congress to join me in expressing both congratulations and thanks to the Rotary Club of White Plains and its former and current leaders and members for their century of distinguished service to our community.

HONORING MILLIE MARSHALL

HON. LARRY BUCSHON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Friday, October 18, 2019

Mr. BUCSHON. Madam Speaker, I rise today to honor the career of Millie Marshall as she retires after 28 years with Toyota. I've had the privilege of getting to know Millie over the past three years that she has served as plant President for Toyota's manufacturing facility in Princeton, Indiana, which is located in the Eighth District of Indiana. I have appreciated Millie's efforts to work with me and to keep me updated about the exciting things and new investments taking place at the plant. During her time as president, the plant has experienced significant growth, which has in turn grown jobs and the economy in Southwest Indiana.

Millie has been an outstanding leader who is well known for her unwavering commitment to mentoring and sponsoring women in the STEM fields. As the first female president in Toyota's history and recipient of several Women in Leadership awards, she helped pave the way for other female leaders, not only at Toyota but across Indiana and the nation. I will miss working with Millie, and I wish her all the best as she begins this next phase of her life.
