HONORING THREE AMERICAN HEROES KILLED AT FORT STEWART, GEORGIA

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to honor three American heroes who lost their lives this weekend in a training accident at Fort Stewart in the First Congressional District of Georgia.

The incident happened at approximately 3:20 a.m. Sunday morning when the Bradley Fighting Vehicle they were riding in rolled off a bridge and was submerged in a stream. Three soldiers were killed and three others were injured.

The heroes who lost their lives that day were Sergeant First Class Bryan Andrew Jenkins of Gainesville, Florida, Private First Class Antonio Gilbert Garcia of Peoria, Arizona, and Corporal Thomas Cole Walker of Ohio.

Sergeant First Class Jenkins was born on December 29, 1977, and had served in the Army since 2001.

Corporal Walker was born on August 5, 1997, and had served in the Army since 2016.

Private First Class Garcia was born on August 1, 1998, and had served in the Army since 2018.

This is a tragic and devastating loss for our community and for our Nation. These servicemembers gave everything for their Nation, including their lives.

Please join me praying for their family, friends, and the entire 3rd ID community.

The sacrifices of our military families are greater than most of us will ever know.

We also pray for healing for the soldier injured in the incident. These men represent the greatest among us.

It will take time to grapple with this loss, but I know the Fort Stewart and 3rd ID communities are strong in their resolve. We are with you in this most difficult time.

I am glad to be joined tonight by my fellow members of the Georgia delegation and Representatives from the hometowns of these heroes.

Please join me in honoring these heroes. I ask that all Members and guests in the gallery rise for a moment of silence.

HELPING SENIORS AFFORD HEALTHCARE

(Ms. BLUNT ROCHESTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. BLUNT ROCHESTER. Madam Speaker, I am proud to report that last week the Energy and Commerce Committee advanced H.R. 3, the Lower Drug Costs Now Act.

We also passed out of committee H.R. 4671, the Helping Seniors Afford Healthcare Act, which I introduced with my colleagues Representatives ANDY KIM and DWIGHT EVANS.

Currently, Medicare beneficiaries receive financial assistance for their premiums and out-of-pocket costs through the Medicare Savings Programs, or MSPs.

Medicare takes great strides to protect low-income beneficiaries through these programs, but there are millions of Americans who fall through the cracks. My bill expands access to the MSPs so more Medicare beneficiaries will be protected from soaring healthcare costs.

I urge my colleagues on both sides of the aisle to join me in supporting the passage of H.R. 3 and H.R. 4671.

WHAT DO THEY HAVE TO HIDE?

(Mr. SCALISE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCALISE. Madam Speaker, like so many of my colleagues here today on the floor, I rise in strong opposition to the way that this impeachment inquiry is being conducted—in secret, behind closed doors.

Madam Speaker, we had an election in 2016 and the people of this country spoke loudly. Not only that, Madam Speaker, there is going to be another election next year, and that is when the people of this country should be able to decide who the next President is.

This shouldn't be conducted behind closed doors. Not only is it an impeachment inquiry that has not had a vote of the full House, which every other impeachment inquiry has had, but there are actual voting Members of Congress who are being denied access to these hearings, denied the ability to see what is happening behind closed doors.

What do they have to hide, Madam Speaker? Why aren't they willing to have a vote on the House floor?

This is not the way it should be done. Maybe in Russia this is how they conduct hearings. This is not how it should be done in the United States of America, where Members of Congress are denied access, the press is denied access, and, ultimately, the American people are denied access to what is going on behind closed doors to overturn the results of the 2016 election.
