

GEORGIA SUPPORT ACT

SPEECH OF

HON. BRENDAN F. BOYLE

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, October 22, 2019

Mr. BRENDAN F. BOYLE of Pennsylvania. Mr. Speaker, I rise in support of H.R. 598, the Georgia Support Act. This bill helps strengthen the vital U.S.—Georgia partnership, a strategically important relationship in a critical part of the world. In 2008, Georgia was invaded by Russia and the Kremlin continues to attack Georgia through subversive disinformation campaigns and cyberattacks. This bill provides Georgia with assistance to combat this threat and support its democratic institutions.

The Georgian government has long made closer integration with the EU and NATO a priority. According to recent polls, almost 80 percent of the Georgian population supports membership in the EU and over 70 percent supports membership in NATO. As a member of the U.S. delegation to NATO Parliamentary Assembly, I am pleased that the bill recognizes that Georgia has been a longstanding NATO-aspirant country.

I urge all of my colleagues to support the Georgia Support Act. Passing this bill shows our support for Georgia's sovereignty, independence, and territorial integrity, as well as for its democratic development, Euro-Atlantic integration, and peaceful conflict resolution in Abkhazia and South Ossetia.

GEORGIANA VINES

HON. TIM BURCHETT

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 23, 2019

Mr. BURCHETT. Madam Speaker, today I recognize longtime East Tennessee journalist Georgiana Vines as she celebrates her 80th birthday this week.

Over the last five decades, Georgiana has had a successful career as a reporter and editor. She retired from full-time work in 2005 but continues to cover East Tennessee news and politics as a newspaper freelancer. In addition to working in the news industry, Georgiana has spent a great deal of time teaching and sharing her experience with future journalists at the University of Tennessee's College of Communications and Information.

I am honored to call her my friend, and I know I speak for many in East Tennessee when I say Happy Birthday, Georgiana.

RECOGNIZING THE WORK OF THE SOCIETY FOR NEUROSCIENCE

HON. ADAM KINZINGER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 23, 2019

Mr. KINZINGER. Madam Speaker, I rise today to recognize the work of the Society for Neuroscience, an organization at the forefront of medical research and positively affecting the lives of people across America and all over the world. The Society for Neuroscience

is the world's largest organization of scientists and physicians devoted to understanding the brain and nervous system.

Over the past few days, more than 30,000 scientists from more than 70 countries have gathered at the Society's Neuroscience 2019 Conference in Chicago to present emerging science, learn from experts, forge collaborations with peers, and explore new tools and technologies. Some of the research being presented includes the latest projects and discoveries surrounding Alzheimer's and opioid addiction research, both of which are issues I care deeply about and have advocated for here in Congress.

At the annual conference, the state of Illinois is represented by nearly 1,400 attendees who are sharing cutting-edge research conducted by Illinois' research institutions and academic centers. One of these institutions taking part in the gathering of minds is Northern Illinois University (NIU), which I proudly represent in Illinois's 16th Congressional District. NIU had 10 researchers showcasing their dedicated work to the Society, representing their passion to better the sciences and find answers to questions we all hope to uncover.

In Fiscal Year 2019, the state of Illinois received over \$485 million in funding through grants from the National Institute of Health (NIH). Of that funding, \$424,000 went to IL-16 and included funding to conduct research aimed at better understanding the nervous system and to improve the treatment and prevention of brain and nervous system disorders. I want to commend the institutions in my district and state, as well as the Society for Neuroscience, for being leaders in neuroscience research and highlighting the importance of scientific research to advance our understanding of the nervous system to ultimately improve the health of people across the world.

IN RECOGNITION OF LIEUTENANT MICHAEL GRISSOM

HON. DEBBIE DINGELL

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Wednesday, October 23, 2019

Mrs. DINGELL. Madam Speaker, I rise today to recognize Lieutenant Michael Grissom and congratulate him on receiving The Washtenaw 100 Firefighter of the Year Award. Lieutenant Grissom's selfless dedication to protecting the Washtenaw County community is worthy of commendation.

The Washtenaw 100 is a non-profit organization committed to supporting our hometown heroes. The organization's mission is to provide immediate financial funding to families of law enforcement and firefighting personnel in Washtenaw County who have died in the line of duty, helping them through their grief. In addition, the organization strives to serve active duty law enforcement officers and firefighters by providing grants to local departments and offering annual scholarships to their children to bolster their educational opportunities.

The Washtenaw 100's Annual Dinner exemplifies the organization's continued commitment to supporting our community's firefighters and law enforcement officers and serves as a great way to recognize their outstanding efforts. This year, The Washtenaw

100 is proud to recognize Lieutenant Michael Grissom as the 2019 Firefighter of the Year.

Lieutenant Michael Grissom is an experienced and valuable member of the Dexter Area Fire Department. Nominated by Chief Robert Smith, Lieutenant Grissom is known as a leader who consistently goes above and beyond what is expected of him in his position. Lieutenant Grissom has a host of remarkable accomplishments that make him deserving of the Firefighter of the Year Award, but some of his most noteworthy achievements include his involvement with Active 911, a mobile app that enables responders to easily access pertinent information and communicate effectively with one another, and his leadership in repurposing old radios.

When asked about his impressive work, Lieutenant Grissom responded, "It's not about me." Lieutenant Grissom truly embodies all the qualities of a dedicated firefighter—he humbly strives for excellence without seeking praise or recognition for any of his significant accomplishments.

Madam Speaker, I ask my colleagues to join me in honoring Lieutenant Michael Grissom. His bravery, dedication, and service to the citizens of Washtenaw County is deeply appreciated and truly makes a difference in our community.
