

Today the House will vote on the SHIELD Act, adding further transparency in campaigns, stiffer penalties for voter deception, and further restrictions against foreign interference, including making campaigns mandatory reporters if there is any offer of foreign assistance in those campaigns.

Madam Speaker, I urge others to join me in voting to protect the vote of the American people.

PRESCRIPTION DRUG PRICES

(Mr. RUIZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUIZ. Madam Speaker, I rise today because seniors in my district are walking out of the pharmacy without their medications after they look at the out-of-pocket price and say to themselves, "I can't afford this." They are not taking the medications they need, which jeopardizes their lives, and this is unacceptable.

It is their health—their very lives—that are on the line. That is why, when we are talking about prescription drugs, we must focus on lowering the out-of-pocket costs for seniors.

That is why I support H.R. 3, the Lower Drug Costs Now Act, because it requires Medicare to negotiate drug prices so that my constituents can get a fair and affordable price for their medication. It also caps the annual out-of-pocket costs for those seniors who require many medications or expensive medication.

No one should have to choose between buying groceries to eat or getting medications they need, and H.R. 3 will lower costs so seniors don't have to make that decision.

BRIDGETON VFW

(Mr. VAN DREW asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. VAN DREW. Madam Speaker, today I want to show my appreciation for the Veterans of Foreign Wars Post of Bridgeton in south Jersey. This community provides a space for veterans to come together and connect with others, and these are other folks who understand the hardships and the rewards of serving our Nation.

The Veterans of Foreign Wars meet monthly to share their experiences and bond with one another in Bridgeton. They also organize special services for holidays, like Memorial Day and Veterans Day, so the members can commemorate these days together.

In addition, the VFW reaches out to the greater Bridgeton community by hosting barbecues, community dinners, and other festivals to connect with their neighbors and sometimes raise funds for important charitable causes.

I would like to thank the brave veterans of the Bridgeton VFW. Their service to our Nation is tremendous. I

am overjoyed that this community has given them a safe place to remember their service together.

Madam Speaker, they are our best; they are our shining stars; and they are our heroes.

May God bless them.

Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. □ 1230

The SPEAKER pro tempore. The gentleman from Florida is recognized for 1 hour.

Mr. HASTINGS. Madam Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentleman from Oklahoma (Mr. COLE), my friend, pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

GENERAL LEAVE

Mr. HASTINGS. Madam Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. HASTINGS. Madam Speaker, on Tuesday, the Rules Committee met and reported a rule, House Resolution 650, providing for consideration of H.R. 4617, the Stopping Harmful Interference in Elections for a Lasting Democracy, better known as the SHIELD Act, under a structured rule.

The rule provides 1 hour of debate, equally divided and controlled by the Chair and ranking member of the Committee on House Administration. The rule also executes a manager's amendment from Chairwoman LOFGREN, makes in order 14 amendments, and provides one motion to recommit on the bill.

Madam Speaker, it is going to be interesting to watch my Republican friends twist pretzel-like today to convince themselves that voting against a bill that will protect the sanctity of our electoral process from foreign interference is the right thing to do for the American people.

Through today's rule, the Democrats bring to the floor a bill that states that those campaigns that are offered assistance from foreign actors should be required to report such attempts at assistance.

Sadly, I predict that my Republican friends will vote against such protections.
