### IN RECOGNITION OF NATIONAL CYBERSECURITY CAREER AWARENESS WEEK

**HON. BILL POSEY**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 29, 2019*

Mr. POSEY. Madam Speaker, November 11th marks the start of National Cybersecurity Career Awareness Week. This week-long campaign focuses on the local, regional and national interest to engage the community on not only the importance of cybersecurity but career opportunities in the field.

Cybersecurity IT workers play a vital role in upkeep the integrity of our systems, networks, and programs as well as pioneering new ways to promote system strength against unforeseen threats. In a highly interconnected and increasingly globalized world, there has never been a more important time than now to raise awareness.

Unfortunately, America is facing a critical shortage of people trained in cybersecurity. There are currently over 300,000 jobs nationally that need to be filled in the cybersecurity workforce and globally, an expected shortfall of 1.8 million cybersecurity professionals by 2022. This deficit can easily be filled by American talent and continued commitment to making educational resources available early.

In my own district, we are doing our part by educating the public about what role cybersecurity plays in their everyday lives and how impactful a career in cybersecurity can be. To raise the awareness of the importance of pursuing a career in cybersecurity, several of our local colleges along with the Brevard School District, EDC Space Coast and Florida Tech Corridor to name a few, will come together to discuss the role of cybersecurity in our economy, in enhancing public safety and national security.

I ask my colleagues to join me in recognizing National Cybersecurity Career Awareness Week.

WOMEN'S SUFFRAGE CENTENNIAL  
COMMEMORATIVE COIN ACT

SPEECH OF

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Monday, October 28, 2019*

Ms. JACKSON LEE. Madam Speaker, I rise in strong support of H.R. 2423, the "Women's Suffrage Centennial Commemorative Coin Act, as amended."

H.R. 2423 directs the Department of the Treasury to mint and issue up to 400,000 \$1 silver coins that are emblematic of the women who played a vital role in rallying support for the 19th Amendment to the U.S. Constitution.

Elizabeth Cady Stanton and Lucretia Mott organized the first Women's Rights Convention in Seneca Falls, New York.

Sixty-eight women and 32 men signed the Declaration of Sentiments at the Convention in July 1848.

The Declaration of Sentiments was modeled after the Declaration of Independence and declared that "all men and women are created equal", linking women's rights directly to the founding ideals of the United States.

On August 18, 1920, Tennessee became the 36th and final State needed to pass the 19th Amendment, ensuring its ratification pursuant to Article V of the Constitution of the United States.

The 19th Amendment was ratified on August 26, 1920, when Secretary of State Bainbridge Colby issued a proclamation announcing it has become part of the Constitution of the United States.

The ratification of the 19th Amendment marked the single largest extension of voting rights in United States history, enfranchising 27,000,000 American women in the United States.

This act is a way to honor and commemorate the work of women's suffrage activists in the late 19th and early 20th centuries.

It will increase public awareness and appreciation for the history of the women's suffrage movement.

Ultimately, it will encourage all women in the United States to exercise their hard-won franchise and to become involved in civic life, if they so chose.

Without these pioneers for social change and justice, women like me and my fellow colleagues would not have gotten to where we are today.

Mr. Speaker, I urge my colleagues to join me in supporting H.R. 2423 to require the Secretary of the Treasury to mint coins in 19th commemoration of ratification of the Amendment to the Constitution of the United States, giving women in the United States the right to vote.

IN RECOGNITION OF DENTON COUNTY TRANSPORTATION AUTHORITY RENAMING OLD TOWN STATION IN HONOR OF CHARLES EMERY AND HIS RETIREMENT

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 29, 2019*

Mr. BURGESS. Madam Speaker, I rise today in tribute to Mr. F. Charles Emery II of Lewisville, Texas on the event of his retirement as Chairman of the Board of the Denton County Transportation Authority.

Charles and his wife Elaine, both of whom I have considered friends for decades, have served Denton County in a variety of ways and left an indelible mark on our community. In addition to a successful career in real estate development, Charles was a member of the Lewisville City Council, an active member of the Lewisville and Dallas Chambers of Commerce, and a member of a variety of boards and commissions that touched almost every facet of our region.

A man of great faith, Charles has been a dedicated member of the Denton Bible Church, where he and Elaine are long-time supporters of its choir program. Charles is also a proud veteran, having served our country in the United States Air Force and Air National Guard. And I know Charles would not let me forget his dedication to his beloved alma mater, Texas A&M University.

However, in a life that includes many achievements, Charles' most lasting contribution to our region may be his role as the father and chief architect of the Denton County Transportation Authority, which provides vital public transportation services throughout North Texas.

Charles worked tirelessly with state lawmakers to fine-tune the legislation signed by then-Governor Rick Perry in 2001 that created Denton County Transportation Authority as an entity. He then spent the next year going door-to-door in every corner of Denton County in support of a local ballot measure to confirm creation of the agency. It was approved with a 73 percent majority. I remember early in my Congressional career, Charles did not hesitate to lend his expertise on local transportation issues.

Once Denton County Transportation Authority was formed, Charles agreed to serve as Chairman of the Board of Directors and for the next 17 years, he proceeded to lead the agency down a path of providing quality services to a transit-dependent constituency in a financially sustainable manner. After concentrating on bus service for the first 10 years of existence, Charles and his colleagues at Denton County Transportation Authority expanded the agency's footprint to include commuter rail with the 2011 opening of the 21-mile A-Train, which connects Denton County to the Dallas Area Rapid Transit Light rail system in Carrollton.

Charles quickly became a staple in the North Texas transportation community and offered his insights and service to a number of entities, including the Dallas Regional Mobility Coalition, the Regional Transportation Council of the North Central Texas Council of Governments, and the Tarrant Regional Transportation Coalition.
