The Chair recognizes the gentleman from Colorado (Mr. NEGUSE).

Mr. NEGUSE. Madam Chair, I yield myself such time as I may consume.

Madam Chair, I would first like to thank Chairman GRIJALVA and Chairwoman HAALAND for their support and advocacy of this bill.

I stand today in support of my bill, H.R. 823, the Colorado Outdoor Recreation and Economy Act, or the CORE Act.

As Representatives for the people, as legislators here in the Halls of Congress, our job is to fight for common-sense solutions that come directly from our communities.

When our constituents raise their voices on issues that impact them, and when we are able to respond with legislation that benefits our districts and our State, that is when our work is most effective.

I am proud that the CORE Act was crafted by Coloradans over the last decade. It is a product of collaboration, careful consultation, and negotiation.

Local elected officials, community members, businesses, outdoor recreation and conservation groups, ranchers, sportsmen, they have all contributed their input and their passion for the outdoor areas that they love.

Each title in this bill has been carefully vetted by a thoughtful group of local elected leaders and community members, and each title is well deserving of consideration on the House floor today.

I will just give a brief overview of the bill.

The CORE Act would conserve over 400,000 acres of public land, and it consists of four titles that Coloradans have been asking Congress to pass, as I said, for well over a decade.

Title 1 is the Continental Divide Recreation, Wilderness and Camp Hale Legacy Act. It establishes permanent protections for nearly 100,000 acres of wilderness, recreation, and conservation areas in the White River National Forest along Colorado's Continental Divide.

The title creates two new wildlife conservation areas, totaling approximately 12,000 acres. The Porcupine Gulch Wildlife Conservation Area would protect Colorado's only migration corridor over Interstate 70 for elk, bear, mule, deer, and other wildlife. The Williams Fork Wildlife Conservation Area would also enhance wildlife habitat for the greater sage grouse and other species.

Title 1 also designates the first-ever national historic landscape at Camp Hale. This unprecedented designation speaks to the storied legacy of the Army's 10th Mountain Division in Colorado and around the world. As my colleagues may know, the soldiers that trained at Camp Hale led our Nation to victory in World War II and then went on to create the outdoor recreation industry as we know it today.

The second title is the San Juan Mountains Wilderness Act. This title, which has previously received bipartisan support in both the House and the Senate, provides permanent protections for nearly 61,000 acres of land located in the heart of the San Juan Mountains in southwest Colorado. It designates some of the State's most iconic peaks as wilderness, including
