

service to our Commonwealth and nation. Mr. Desrosiers was born in Naugatuck, Connecticut and enlisted in the U.S. Air Force shortly after graduating from high school. During his four years of service, Mr. Desrosiers served as a law enforcement specialist in countries around the world, including in Japan and the Philippines, earning both the Good Conduct Medal and the National Defense Service Medal.

After serving our country, Mr. Desrosiers returned home to serve and protect his community as a police officer for over 25 years, being promoted to sergeant before his retirement in 2003. Furthering his dedication to serve, Mr. Desrosiers joined Carbon County as the Director of Veterans' Affairs in 2008. Following a decade of dutiful service to Carbon County's veterans, Mr. Desrosiers will retire later this year.

On behalf of the U.S. House of Representatives and the citizens of Pennsylvania's Ninth Congressional District, I ask my colleagues to join me in congratulating Mr. Desrosiers on his retirement and thank him for his many years of brave and honorable service.

PUBLIC DISCLOSURE OF DRUG DISCOUNTS AND REAL-TIME BENEFICIARY DRUG COST ACT

SPEECH OF

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 28, 2019

Ms. JACKSON LEE. Madam Speaker, I rise in strong support of H.R. 2115, the "Public Disclosure of Drug Discounts Act."

H.R. 2115 requires the Centers for Medicare & Medicaid Services (CMS) to publish certain payment information regarding pharmacy benefit managers (PBMs) and prescription drugs.

Specifically, the CMS must publish certain information, as reported by PBMs, relating to generic dispensing rates, drug discounts and rebates, and payments between PBMs, health plans, and pharmacies, in accordance with specified confidentiality requirements.

Commercially available drug pricing comparison platforms can, at no cost, help patients find the lowest price for their medications at their local pharmacy.

Such platforms should be integrated, to the maximum extent possible, in the health care delivery ecosystem, while also protecting patient privacy.

The Health Insurance Portability and Accountability Act of 1996 provides data privacy and security provisions for safeguarding sensitive health care information.

H.R. 2115 will provide patients with access to drug prices information while also protecting patient health privacy.

Pharmacy benefit managers should work to disclose generic and brand name drug prices to such platforms to ensure that patients can benefit from the lowest possible price available to them; and overall drug prices can be reduced as more educated purchasing decisions are made based on price transparency.

Diabetes is a life-threatening disease that disproportionately affects communities of color.

Diabetes is associated with serious health problems, including heart disease and stroke, kidney failure, and blindness.

In 2017, diabetes contributed to the death of 277,000 Americans—and was the primary death for 85,000 of those individuals.

That same year diagnosed diabetes cost the United States an estimated \$327 billion—including \$237 billion in direct medical costs and \$90 billion in productivity losses.

Diabetes drugs, including insulin and oral medications that regulate blood sugar levels, play a critical role in helping people with diabetes manage their condition and reduce the risk of diabetes-related health complications.

After the Democrats took control of the House in January we got to work on a report on the high cost of insulin and we determined that the Americans' with diabetes are in crisis.

Even though analog insulin has been on the market for nearly 30 years, it has no meaningful generic competition.

Over the past two decades, manufacturers have systematically and dramatically raised the prices of their insulin products by more than tenfold—often in lockstep.

These prices dwarf manufacturing costs. One study found manufacturers could charge as little as \$7 to \$11 per month for insulin and still make a profit.

In recent years, the high prices of diabetes drugs have placed a tremendous strain on diabetes patients as well as the federal government, which provides diabetes medications to more than 43 million Medicare beneficiaries.

These high prices lead many people to ration or stop taking their medications, which can result in serious health complications and even death, as the Energy and Commerce Committee heard in direct testimony earlier this year.

The prices of diabetes medications—and insulin in particular—are far higher in the United States than they are overseas, in part because certain federal programs lack the authority to negotiate directly with drug manufacturers.

Madam Speaker, I urge my colleagues to join me in supporting H.R. 2115 to require the Centers for Medicare & Medicaid Services to publish necessary payment information regarding pharmacy benefit managers and prescription drugs.

FIGHTING HUNGER AT MINES

HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 31, 2019

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Fighting Hunger at Mines for receiving the Golden Mayor's Gold Mine Award for Excellence.

Fighting Hunger at Mines is a unique campus group that is dedicated to improving the physical and mental health of students at Mines and the Golden community. Their programming addresses food insecurity that's pervasive on college campuses, while raising awareness to local food resources and educating students on healthy eating habits. By working with the Golden Backpack Program, GoFarm and other partners, Fighting Hunger at Mines distributes healthy food to nearly 150 students each week and has made a substantial difference on campus and in Golden.

I congratulate Fighting Hunger at Mines for receiving this well-deserved honor by Mayor

Marjorie Sloan. I thank them for their contributions to our community.

IN HONOR OF FRANCIS W. O'BRIEN, ON THE OCCASION OF HIS 90TH BIRTHDAY

HON. STEPHEN F. LYNCH

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 31, 2019

Mr. LYNCH. Madam Speaker, I rise today in honor of Norfolk County Commissioner Francis W. O'Brien, in recognition of his over sixty-five years of dedicated public service, on behalf of the Town of Dedham and Norfolk County.

The son of Annie and John O'Brien, Fran is the youngest of seven children. A true son of East Dedham, Fran was born in 1929 and spent his entire childhood and young adult life at 236 Bussey Street in East Dedham. Fran attended the Avery Elementary School and graduated from Dedham High School in 1949. While in high school, Fran excelled in football, baseball and was the captain of the hockey team. He went on to play semi-pro football for the Canton Town Club and St. Mary's of Brookline. In 1951, Fran enlisted in the United States Navy during the Korean War era and served honorably until he was discharged in 1953.

On January 20, 1951, Fran had the tremendous good fortune to marry his longtime high school sweetheart and classmate, Nancy Kennedy, at St. Mary's Church in Dedham. They were blessed with four children, Francis M., Marlene, Jacqueline, and Cynthia as well as seven grandchildren: David, William, Jeffrey, Gregory, Amanda, and twins Patrick and Sean. He is also the proud greatgrandfather to Annabelle, Sophia, Evan and Aiden.

Fran began his career in public service at the Norfolk County Registry of Deeds in Dedham as a photostat operator, soon after being discharged from the Navy. From 1953 to 1958, he was employed by Whiting's Milk Company as a milkman. Fran served his community as a Dedham firefighter, joining the department in 1958. During this time, Fran also owned and operated O'Bie's Variety store in East Dedham. Always one to help those in need, there were countless times Fran allowed customers to purchase necessary items such as bread or milk on credit, knowing full well they would be unable to pay him back.

Madam Speaker, Fran ran for public office becoming the first firefighter in the Town of Dedham to serve on its Board of Selectman. Fran proudly served as a Selectman from 1962 to 1976; he also served the Town of Dedham as a Town Meeting member, a member of the Board of Recreation and a member of the Board of Assessors. He instantly connected with the citizens of Dedham and continued to serve as Selectman for more than twelve years. Subsequently, he was hired at the M.B.T.A. as Liaison of Governmental Affairs. His compassion and understanding have earned him the deep and abiding respect of the residents in the cities and towns all over the state.

Fran continued with the M.B.T.A. until his retirement in 1993. In 2002, he was appointed, then elected, as a Norfolk County Commissioner, serving on a threeperson board. In

subsequent years, he has been elected to serve as Chairman by his fellow commissioners. Through his friendship and professional relationships with judges, clerk magistrates and clerks of court throughout Norfolk County, Fran helped institute physical changes and improvements to Norfolk County court houses.

On February 16, 2017, Fran lost the love of his life, Nancy, after a long battle with Parkinson's disease and the onset of Alzheimer's. Tragically, 19 months later, he lost his beloved daughter, Marlene, suddenly on September 15, 2018, after her longtime fight with multiple infectious diseases.

As Fran reaches the proud age of 90 years old, he remains living independently in Dedham, with his son, daughters and grandchildren close by his side for support. Not surprisingly, you'll find him still helping people, still caring for the town he loves, and still devoted and loyal to his family and friends.

Madam Speaker, Francis W. O'Brien epitomizes the definition of a truly dedicated public servant. His life-long vocation of service to his community is on constant display as he continues to honorably serve the Town of Dedham. I urge my colleagues, and all who know Fran, to wish him the best on his 90th birthday.

EDUCATING MEDICAL PROFESSIONALS AND OPTIMIZING WORKFORCE EFFICIENCY AND READINESS FOR HEALTH ACT OF 2019

SPEECH OF

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, October 28, 2019

Ms. SCHAKOWSKY. Madam Speaker, I am grateful to Representatives GREGORIO KILILI CAMACHO SABLAN, STEVE STIVERS, KENNY MARCHANT, WILLIAM KEATING, ZOE LOFGREN, and LAUREN UNDERWOOD for their support of H.R. 2781, the Educating Medical Professionals and Optimizing Workforce Efficiency and Readiness (EMPOWER) for Health Act. They wanted to cosponsor this bill but were unable to be added in time.

When H.R. 2781 passes the Senate and is signed into law, we will increase the diversity of our health care workforce, improve geriatrics education and training to address gaps in caregiving and health care for older adults, and grow the critical pediatric health care workforce. I look forward to working with my colleagues as we continue our efforts to make sure health care is more equitable and accessible for our constituents.

PERSONAL EXPLANATION

HON. STEVEN M. PALAZZO

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 31, 2019

Mr. PALAZZO. Madam Speaker, on Wednesday, October 30, 2019 due to a business call I was unable to vote on H.R. 2181,

the Chaco Cultural Heritage Area Protection Act.

Had I been present, I would have voted NAY on Roll Call No. 597.

RECOGNIZING THE STRONG HISTORY OF COLLEGE FOOTBALL IN AMERICA

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 31, 2019

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to commemorate the 150th anniversary of the first ever college football game played between Rutgers and Princeton in 1869. Just twenty-one years later, the Big Ten university in my district, the University of Illinois, would field its first football game in 1890.

Since those days, college football has become one of our nation's most beloved pastimes. Today, it's enjoyed by millions of Americans and the sport has grown immensely with nearly 80,000 student-athletes taking to the field every fall.

In many ways, it is a game that embodies the spirit of what makes us great as a country. As Americans, we have a determination to succeed; we believe in teamwork; we embrace our individual roles as we work together toward a common goal bigger than ourselves. Over the last 150 years, we've seen college football players become U.S. Presidents, Rhodes Scholars, actors, activists, CEOs, successful entrepreneurs, academics, and yes—even elected officials.

So today we recognize the strong history of college football in our nation: the games, the teams, the rivalries, and the memories. My family and I are longtime fans of college football, and I am proud to celebrate 150 years of its history today.

PERSONAL EXPLANATION

HON. RICHARD HUDSON

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 31, 2019

Mr. HUDSON. Madam Speaker, I was unavoidably detained and missed a vote series.

Had I been present, I would have voted yea on Roll Call No. 593; yea on Roll Call No. 594; yea on Roll Call No. 595; yea on Roll Call No. 596; nay on Roll Call No. 597; yea on Roll Call No. 598; yea on Roll Call No. 599; yea on Roll Call No. 600; yea on Roll Call No. 601; and nay on Roll Call No. 602.

RECOGNIZING THE WORK OF DR. VIVIANNE CISNEROS WERSEL

HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, October 31, 2019

Mr. LONG. Madam Speaker, I rise today to recognize the retirement of Dr. Vivianne Cisneros Wersel.

Dr. Wersel has a long and storied career caring for our nation's veterans, and she knows what it means to pay the ultimate sacrifice. She is the widow of Lieutenant Colonel Richard Wersel, Jr. of the United States Marine Corps. Lieutenant Colonel Wersel served two tours of duty in Operation Iraqi Freedom and unfortunately died just one week after returning home from Iraq. Dr. Wersel grew from this tragedy and not only continued to help veterans through her role at Walter Reed Medical Center, but also as an advocate for Gold Star Families.

Dr. Wersel holds a Doctorate of Audiology from the School of Audiology-Salus University. She is also a graduate of the Defense Language Institute (DLI), Monterey, CA and holds a language certificate in Spanish. She earned a Masters and a Bachelor's Degree in Communicative Disorders (Audiology) from San Diego State University.

Dr. Wersel currently works full time as an audiologist at Walter Reed National Military Medical Center and is designated as a prestigious Master Clinician. In addition to caring for the active-duty military, retirees, and their families, she provides hearing health care for members of Congress, including myself.

Over the past 30 years as an audiologist she provided hearing care support to service members, retirees and their families at Camp Pendleton, CA; Twentynine Palms, CA, Nellis Air Force Base, Fort Bragg NC, Camp Lejeune NC, Fort Dietrick MD, Fort Belvoir VA, Walter Reed National Military Medical Center Bethesda. But her service to our nation's veterans goes beyond her role as an audiologist.

Shortly after her husband's passing in 2005, Dr. Wersel discovered she was not eligible for the newly enhanced survivor benefits. She subsequently became instrumental in changing the Servicemembers' Group Life Insurance and Death Gratuity so that all active duty widows are now eligible for enhanced benefits. Today, she is considered a subject matter expert on Military Survivor Benefits and has testified before this body twenty times on the subject.

In addition to her work on survivor benefits, she is a member of the Gold Star Wives of America (GSW) Public Relations; past chair of the GSW Government Relations Committee, President and founder of Arlington Gold Star Wives; military survivor advisor for the "Got Your Back Network"; is an active participant in the VA/DoD Survivor Forum, and founder of, and advisor to the Surviving Spouses Support Group II MEF, Camp Lejeune, North Carolina. She was a local representative for the National Military Family Association and was a volunteer for the Tragedy Assistance Program for Survivors (TAPS) and Military Officers Association of America.

Dr. Wersel has devoted her career and her life to caring for our nation's veterans and advocating for Gold Star Families. In recognition of her work and her much-deserved retirement, I will be flying a flag over the United States Capitol in her honor. Madam Speaker, I ask that you and the rest of this chamber join me in congratulating Dr. Wersel on a job well done.
