PASS LEGISLATION FOR THE
PEOPLE

(Mr. CARTWRIGHT asked and was given permission to address the House for 1 minute.)

Mr. CARTWRIGHT. Madam Speaker, Congress exists to serve the American people by passing legislation that will protect their rights and promote their welfare.

Since January of this year, House Democrats have been vigorously legislating for the people and have passed more than 200 bills—200 bills—bills to secure a living wage for American workers, bills to protect pensions and fight discrimination in the workplace, bills to expand access to healthcare and lower the cost of prescription drugs. We have passed bills to safeguard our elections, the bedrock of our democracy, from both foreign and domestic interference.

In contrast, the Republican-controlled Senate has offered little but obstruction and inaction. Their leader proudly calls himself the “grim reaper” for laying waste to our 200 bills.

So, I rise today to implore Senate lawmakers: Do your job. Take up these House-passed measures and start serving the American people.

HONORING FIL BAKE SHOP DURING
FILIPINO AMERICAN HERITAGE
MONTH

(Mr. COX of California asked and was given permission to address the House for 1 minute.)

Mr. COX of California. Madam Speaker, I rise today, on the last day of Filipino American Heritage Month, to honor the Fil Bake Shop in Delano, California, and to congratulate them on becoming the Delano Business of the Year.

Owner Tessie Patricio, or Auntie Tess, and workers of the Fil Bake Shop have been dedicated to hard work and unconditional love for their business for nearly 30 years. As a result, Fil Bake Shop has become a staple of the Delano community and a personal favorite of mine.

One-third of the 52,000 residents of Delano are Filipino, and Fil Bake Shop has been a steadfast supporter of our community in Delano and across the Pacific.

When the Philippines are struck by natural disasters, Fil Bake Shop sends care to the islands. They collect donations in times of disaster to support families back in the Philippines, while still providing the hardworking farmworkers and families of Delano with their delicious sweetbreads.

As this local gem is honored as Business of the Year by the Delano Filipino community, I am proud to represent such a tremendous place in the 21st District of California.

CELEBRATING A DOUBLE WIN FOR
D.C.

(Ms. NORTON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. NORTON. Madam Speaker, with the impeachment inquiry vote, the House made history today, but the Washington Nationals made unprecedented history just last night.

Our D.C. Nats won the World Series for the very first time in American history. Our Nats were the underdogs throughout the series, just like their hometown, the District of Columbia, has been for 218 years.

But hold on, America. We are about to make it a double: Nats' victory last night; House passage of H.R. 51, the D.C. statehood bill, during the 116th Congress.

Watch for how I make my friend, SHEILA JACKSON LEE, pay up on our bet against the Houston Astros.

Go Nats! Long live D.C. statehood!

HONORING OUR VETERANS

(Mr. GUEST asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GUEST. Madam Speaker, on Veterans Day, we remember the devotion of the brave men and women of the military who have honorably served our Nation. Our veterans have fought to preserve this Nation, its ideals, democracy, freedom, and prosperity.

American veterans not only have helped maintain the rights that were established by our Founding Fathers, but they have also set an example of enduring patriotism, returning home to become leaders in their communities, States, and Nation. Back home, they have helped advance our country by embodying the American spirit of hard work and preservation.

Today, we acknowledge these men and women who have served our Nation as members of our military. We thank them for their many contributions to our country. We remember in prayer those men and women who never returned home from foreign soil.

SPEAK OUT AGAINST GENOCIDE

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Madam Speaker, the history of the United States has been intertwined with that of the Armenian people and the Armenian genocide.

It was American missionaries and diplomats who let the world know that the Ottoman Empire was attempting to cleanse itself of the Armenian and Christian populations. The U.S. became home to many survivors.

Their experience inspired Raphael Lemkin to create the term “genocide,” only to see his Jewish family suffer the same fate at the hands of Nazi Germany.

The denial of the Armenian genocide has had contemporary consequences. I have visited both Armenia and Nagorno-Karabakh. I saw that a Turkey which denies genocide has no fear of committing it again. In fact, Turkey has begun an ethnic cleansing of the Syrian Kurds in northern Syria.

I have long called for our government to officially recognize the Armenian genocide. I am an original cosponsor of H. Res. 296.

The House has spoken with a clear voice, breaking the silence, recognizing the Armenian genocide. We call on the Senate and President Trump to do the same.

We cannot allow history to repeat itself.

DOMESTIC VIOLENCE AWARENESS
MONTH

(Mrs. LESKO asked and was given permission to address the House for 1 minute.)

Mrs. LESKO. Madam Speaker, I rise in observance of Domestic Violence Awareness Month.

Over 25 years ago, I was in an abusive relationship with my ex-husband. I became a single mother to a young daughter, working just to survive day to day. I never dreamed in a million years that I would be standing here before you today as a Member of Congress, speaking on the floor of the U.S. House of Representatives. But I not only survived, I thrived.

I share my story in hopes of helping others. I hope they find strength in our efforts to acknowledge their suffering and recognize the many organizations that exist to help them today.

TERMINATION OF DESIGNATION
OF REPUBLIC OF CAMEROON AS
A BENEFICIARY SUB-SAHARAN
AFRICAN COUNTRY UNDER
AGOA—MESSAGE FROM THE
PRESIDENT OF THE UNITED
STATES (H. DOC. NO. 116-77)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and referred to the Committee on Ways and Means and ordered to be printed:

To the Congress of the United States:

In accordance with section 506A(a)(3)(B) of the Trade Act of 1974, as amended (19 U.S.C. 2466a(a)(3)(B)), I am providing notice of my intent to terminate the designation of the Republic of Cameroon (Cameroon) as a beneficiary sub-Saharan African country under the African Growth and Opportunity Act (AGOA).

I am taking this step because I have determined that the Government of Cameroon currently engages in gross violations of internationally recognized human rights, contravening the eligibility requirements of section 104 of the AGOA.

Despite intensive engagement between the United States and the Government of Cameroon, Cameroon has
