

Barnstable as he steps down from the role of Chief Executive Officer of the Cape Cod Military Support Foundation. A former executive of Sheraton Hotels, Don has not slowed down in his retirement but has been fueled by his passion for serving veterans and active military personnel and their families. This commitment led him to establish the Cape Cod Military Support Foundation in 2014.

In his work, Don has recognized that children of deployed military personnel often feel their absence most dearly during the holidays and at other milestone moments. Therefore, he started Operation Backpack, to supply military children with back-to-school supplies, a holiday gift-giving program, and other holiday-themed events. In addition, the Foundation offers emergency and food assistance to military families, as well as nursery supplies for babies and toddlers. The families of Joint Base Cape Cod benefit from these programs through the Family Empowerment Center located on the base, Don's labor of love that opened in 2018. His work through the foundation was especially vital to Coast Guard families during the recent government shutdown.

In 2017, Don was recognized as a Difference Maker of the Year by the New England Patriots. He has been honored by the United States Coast Guard, the Massachusetts National Guard, and the American Red Cross for his work on behalf of military families. As he steps down from his role as Executive Director of the Cape Cod Military Support Foundation, the legacy of his work will continue as it extends to serve military families across Massachusetts and indeed the nation.

Madam Speaker, I am proud to honor Donald A. Cox for his dedication to serving our military and veterans' families. I ask that my colleagues join me in thanking him for all of his incredible work and wishing him all the best as he continues to support our service members and their families.

HONORING REVEREND WILLIE F.
WILSON

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Friday, November 1, 2019

Ms. NORTON. Madam Speaker, I rise today to ask the House of Representatives to join me in honoring one of our nation's foremost liberation theologians, the Reverend Willie F. Wilson, Pastor of the Union Temple Baptist, in our nation's capital. Reverend Wilson has devoted his life and ministry to uplifting, enhancing and empowering the lives of the downtrodden and to fighting for the dignity, justice and liberation of all people.

Over the years, thousands have responded to the power of Reverend Wilson's preaching and exhortation to "unchain your mind" through examining and reclaiming Jesus Christ, the truth of African-American history and learning to love ourselves as well as others. As a result, Union Temple's membership has grown from the initial 25 faithful members to more than 8,000.

Reverend Wilson has served the Union Temple Baptist Church and the District of Columbia community faithfully for 46 years. His impact on the church is immeasurable. As he passes the torch of leadership to his daughter, Reverend Dr. Anika Wilson Brown, we wel-

come her and thank Reverend Wilson for his steadfast work.

Reverend Wilson, born in Newport News, Virginia, received a bachelor's degree in journalism from Ohio University. He became a D.C. resident in 1969 and received a master's degree from Howard University School of Divinity.

Under his leadership, the Union Temple Baptist Church achieved an array of firsts, including the first substance abuse ministry based in a D.C. church; the first African-American church-led Rites of Passage program to support adolescents in transitioning from childhood to adulthood; the introduction of Kwanzaa Celebration as part of faith ministry; the first ordination of women into Baptist ministry regionally; and the promotion of interfaith worship between Christians and Orthodox Muslims. The church invested millions of dollars in the development of affordable housing, home ownership and financial literacy programs, as well as in youth development and health promotion activities.

Social service programs have flourished at the Union Temple Baptist Church, including the Akoma project, which provides case management to individuals living with HIV/AIDS; the AYA Program, a D.C. Department of Human Services-funded program providing counseling, job development and placement services to assist people moving from welfare to work; and the Village Keepers Homeless Outreach Ministry, which provides shelter for homeless individuals in D.C.—to name only a few.

The Union Temple Baptist Church has erected a home in Ghana, West Africa for its Rites of Passage programs. The church has donated over one million dollars in medical supplies to the hospital in Asankrangwa and sponsors an adopt-a-child educational program. Ordained a Wolof Priest in Gambia, Reverend Wilson's ministry and practice are African-centric, focusing on the African influence on Christianity. His most recent book, *Birth of the Bible*, is a commentary on "African spiritual traditions borrowed, stolen, misappropriated and modified to produce the book that we know today as the Bible."

Reverend Wilson's work has not gone unnoticed. In 2018, Reverend Wilson was inducted into the Hall of Fame of the Civil Rights Movement in Selma, Alabama. He was recognized in 1986 by USA Today "as one of the 10 most valuable people in America." In 1995, he was asked to join the historic Million Man March as a national organizer, and, in 1997, he received the Presidential Service Award from President Bill Clinton.

Reverend Wilson is the father of four children and is married to Reverend Mary Lewis Wilson. He has served on the board of trustees of the University of the District of Columbia. Reverend Wilson has dedicated his life to a creative, innovative ministry to uplift humanity. He has a deep abiding love for all people and is a passionate voice for truth, justice and equality for the citizens of D.C. and everywhere.

Madam Speaker, I ask the House of Representatives to join me in honoring Reverend Willie F. Wilson for his dedication to freedom and justice for all, and to the well-being and faith of District of Columbia residents. We recognize him for the profound impact his vision and his work has had on others.

HONORING THE LIFE AND LEGACY
OF MR. WILFRED GEORGE PERKINS

HON. DOUG LAMBORN

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, November 1, 2019

Mr. LAMBORN. Madam Speaker, I rise today to honor the life and legacy of Mr. Wilfred George Perkins, a cherished family man, business owner, and faith leader. Mr. Perkins, a lifelong Colorado resident and pillar of the Pikes Peak region passed away on October 19, 2019, at the age of ninety-one.

Will was born in Montrose, Colorado. After graduating from Colorado College in 1949, he married the love of his life, Bessie Lea Hastings, in 1950. Their remarkable sixty-nine years of marriage produced children, Pamela (Ted) Walker, Tom (Cheryl) Perkins, Karen (Jeff) Sheets, and Sandra (Bentley) Tate, along with fourteen grandchildren and eighteen great-grandchildren.

Mr. Perkins was a second-generation automobile enthusiast and salesman. Will owned and operated Perkins Motors from 1958 to 1985. He also served two terms as the president of the Chrysler National Dealer Council. Will was highly regarded in the business world. He was a role model for his peers and community leaders around the state and the nation. Even competitors admired Will's humble attitude and spiritual consistency. Upon retiring, Mr. Perkins passed the family business on to his son, Tom, and later his grandson, David.

Will's public testimony to the power of the Gospel was bold, clear, and compelling. If there was one thing that Will hung his hat on, it was that he was a faithful follower of Jesus Christ. He wanted people to know about the life they could have if they would open up their hearts to the Lord. He generously supported numerous ministries, including: The Navigators, Young Life, Springs Rescue Mission, International Students, Inc., and Focus on the Family. Will and Bessie attended Village Seven Presbyterian Church for forty-seven years. Will faithfully sang in the church choir and encouraged fellow believers to become engaged in their communities, whether it be politically or spiritually.

Mr. Perkins truly made the culture of the 5th Congressional District as beautiful as our natural surroundings. The Colorado Front Range has lost a Christian statesman, but we will benefit from Will's legacy for generations to come.

HONORING THE LEGACY OF
THOMAS HANIE PARIS, JR.

HON. DOUG COLLINS

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Friday, November 1, 2019

Mr. COLLINS. Madam Speaker, I rise today to honor the life and legacy of Thomas Hanie Paris, Jr.

Tom Paris, Jr. was born and raised in Gainesville, Georgia. While attending Gainesville High School, Tom was elected class president and captain of the football team where he earned All-State and All-American honors. After graduating from high school, Tom went on to play college football at the University of Georgia where he earned his bachelor's degree in business administration and was inducted into both Phi Kappa Phi and Beta Gamma Sigma Honor Societies, all while being a three-year letterman.

After graduating from college, Tom joined the family business of Paris-Dunlap Wholesale Hardware Company, serving as the company's president. Building on his success at Paris-Dunlap, Tom founded Paris Management and Investment Company and Paris Storage Company.

Tom was often recognized for his success in business, but above all else, he will be remembered for his devotion to his community. Tom worked to advance numerous organizations throughout Hall County, serving as director of the Gainesville-Hall Chamber of Commerce, president of the Gainesville Rotary Club, a founding trustee of Lakeview Academy, a trustee of both Brenau University and the Northeast Georgia Health System board, and a faithful member of Gainesville First United Methodist Church, among many other roles.

Even after his passing, Tom Paris, Jr. continued to move our community forward by raising funds in his memory to renovate the Humane Society of Northeast Georgia, which he served as a board member for over nine years. We were reminded of his legacy earlier this week as the Humane Society held its ribbon cutting ceremony for the Paris Family Surgery Suite. The remodeled surgery suite honors Tom's wish that the Humane Society of Northeast Georgia renovate the surgery suite to provide the most up-to-date care and technology for the animals of Northeast Georgia. Because of Tom and the funds for this renovation, the Humane Society's lifesaving spay and neuter work will continue for decades to come.

Tom will always be remembered as a steady leader in our community, but first and foremost, he was a devoted son, brother, husband, father and grandfather. On behalf of the people of Northeast Georgia, I hope you will join Tom's beloved family in celebrating his remarkable life.
