

HONORING THE LIFE AND LEGACY  
OF MR. WILFRED GEORGE PERKINS

**HON. DOUG LAMBORN**

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

*Friday, November 1, 2019*

Mr. LAMBORN. Madam Speaker, I rise today to honor the life and legacy of Mr. Wilfred George Perkins, a cherished family man, business owner, and faith leader. Mr. Perkins, a lifelong Colorado resident and pillar of the Pikes Peak region passed away on October 19, 2019, at the age of ninety-one.

Will was born in Montrose, Colorado. After graduating from Colorado College in 1949, he married the love of his life, Bessie Lea Hastings, in 1950. Their remarkable sixty-nine years of marriage produced children, Pamela (Ted) Walker, Tom (Cheryl) Perkins, Karen (Jeff) Sheets, and Sandra (Bentley) Tate, along with fourteen grandchildren and eighteen great-grandchildren.

Mr. Perkins was a second-generation automobile enthusiast and salesman. Will owned and operated Perkins Motors from 1958 to 1985. He also served two terms as the president of the Chrysler National Dealer Council. Will was highly regarded in the business world. He was a role model for his peers and community leaders around the state and the nation. Even competitors admired Will's humble attitude and spiritual consistency. Upon retiring, Mr. Perkins passed the family business on to his son, Tom, and later his grandson, David.

Will's public testimony to the power of the Gospel was bold, clear, and compelling. If there was one thing that Will hung his hat on, it was that he was a faithful follower of Jesus Christ. He wanted people to know about the life they could have if they would open up their hearts to the Lord. He generously supported numerous ministries, including: The Navigators, Young Life, Springs Rescue Mission, International Students, Inc., and Focus on the Family. Will and Bessie attended Village Seven Presbyterian Church for forty-seven years. Will faithfully sang in the church choir and encouraged fellow believers to become engaged in their communities, whether it be politically or spiritually.

Mr. Perkins truly made the culture of the 5th Congressional District as beautiful as our natural surroundings. The Colorado Front Range has lost a Christian statesman, but we will benefit from Will's legacy for generations to come.

HONORING THE LEGACY OF  
THOMAS HANIE PARIS, JR.

**HON. DOUG COLLINS**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, November 1, 2019*

Mr. COLLINS. Madam Speaker, I rise today to honor the life and legacy of Thomas Hanie Paris, Jr.

Tom Paris, Jr. was born and raised in Gainesville, Georgia. While attending Gainesville High School, Tom was elected class president and captain of the football team where he earned All-State and All-American honors. After graduating from high school, Tom went on to play college football at the University of Georgia where he earned his bachelor's degree in business administration and was inducted into both Phi Kappa Phi and Beta Gamma Sigma Honor Societies, all while being a three-year letterman.

After graduating from college, Tom joined the family business of Paris-Dunlap Wholesale Hardware Company, serving as the company's president. Building on his success at Paris-Dunlap, Tom founded Paris Management and Investment Company and Paris Storage Company.

Tom was often recognized for his success in business, but above all else, he will be remembered for his devotion to his community. Tom worked to advance numerous organizations throughout Hall County, serving as director of the Gainesville-Hall Chamber of Commerce, president of the Gainesville Rotary Club, a founding trustee of Lakeview Academy, a trustee of both Brenau University and the Northeast Georgia Health System board, and a faithful member of Gainesville First United Methodist Church, among many other roles.

Even after his passing, Tom Paris, Jr. continued to move our community forward by raising funds in his memory to renovate the Humane Society of Northeast Georgia, which he served as a board member for over nine years. We were reminded of his legacy earlier this week as the Humane Society held its ribbon cutting ceremony for the Paris Family Surgery Suite. The remodeled surgery suite honors Tom's wish that the Humane Society of Northeast Georgia renovate the surgery suite to provide the most up-to-date care and technology for the animals of Northeast Georgia. Because of Tom and the funds for this renovation, the Humane Society's lifesaving spay and neuter work will continue for decades to come.

Tom will always be remembered as a steady leader in our community, but first and foremost, he was a devoted son, brother, husband, father and grandfather. On behalf of the people of Northeast Georgia, I hope you will join Tom's beloved family in celebrating his remarkable life.
