

business dedicated to preserving America's history. Recently, McGrogan merged his business with his grandson's company, Popular Patch, where he works as a business partner with his son and grandson.

Popular Patch's goal is to become the world's foremost military patch business by replicating designs for each U.S. military patch ever made. The company has an inventory of more than 8,000 military patches, and its selection of Navy patches is one of the largest in the world. The company also creates custom patches using original designs, including patches for hunters, fishermen, bikers, and zombie fans. Its designs are popular among veterans, collectors, and actors, such as Hollywood actors in "Saving Private Ryan" and "Clear and Present Danger."

Congratulations to Dan McGrogan and all of the employees at Popular Patch for being selected as the Veteran-owned Idaho Small Business of the Day for November 6, 2019. You make our great State proud, and I look forward to your continued growth and success.●

REMEMBERING ARTURO COBO

● Mr. RUBIO. Mr. President, today, I honor the life and legacy of Cuban-American, Arturo Cobo, who died on Sunday, October 27, 2019, at the Lower Keys Medical Center in Key West, FL.

Arturo, a beloved south Florida resident, founded the Transit Home in Key West, a sanctuary for Cuban refugees fleeing the country's tyrannical regime by boat and raft. Arturo fled Cuba in 1960 to escape Fidel Castro's communist revolution but returned to Cuba in 1961 to fight in Brigade 2506 during the Bay of Pigs. After being imprisoned, Arturo returned to the United States in 1962 and dedicated the rest of his life to supporting Cuban refugees and fighting for a democratic Cuba. The Transit Home not only provided a safe haven for Cuban refugees, but also provided hope for a new life for them in a free society. All who came to the Transit Home received food, clothing, and assistance to help rebuild their lives in America.

I pay tribute to Arturo's life with immense gratitude for his invaluable work during such difficult circumstances and for his dedication to the South Florida community.●

RECOGNIZING GLOBAL FREIGHT & COMMERCE LLC

● Mr. RUBIO. Mr. President, as chairman of the Senate Committee on Small Business and Entrepreneurship, it is my privilege to honor small businesses that embody the entrepreneurial spirit of our American economy. I am proud to recognize Global Freight & Commerce of Jacksonville, FL—a veteran-owned small business—as we celebrate this National Veterans Small Business Week.

Following his retirement from the U.S. Army in 2014, founder Jesus Garay

started Global Freight & Commerce using the precision and skill gained from more than 20 years of military experience. During his years of Active Duty, Jesus specialized in strategic operations and completed six combat tours in Iraq and Bosnia. The Armed Forces of the United States provides individuals, such as Jesus, with leadership skills that are practically applicable to entrepreneurial pursuits. Because of Jesus's leadership experience, Global Freight & Commerce has become a successful, 100 percent owner-operated trucking, logistics, and transportation company. This business not only provides quality service but also makes a dedicated effort to extend dignified employment opportunities to our nation's veterans.

Through its website, Global Freight & Commerce assists semi-truck owner-operators with the buying and selling process of their vehicles, a feature that enables owner-operators to gain independence and grow a potential fleet of vehicles. Additionally, Global Freight & Commerce makes the safety of its drivers and those around them a priority. It follows national safety protocols in all operations to provide the best, and safest, service possible for its customers.

A member of the Jacksonville Chamber of Commerce, Global Freight & Commerce is also involved in the community through events such as job fairs and conferences. These community events provide leadership training to assist and develop the local workforce. Such efforts are valuable to the Jacksonville economy as they help to provide skilled and reliable employees.

Even after leaving the service, our Nation's veterans continue to serve our country. Making up nearly 10 percent of all businesses in the United States, veteran-owned small businesses ensure that our unique economy remains robust. Veteran-owned businesses like Global Freight & Commerce are examples of the talent and dedication of our Nation's veterans. This National Veterans Small Business Week, I would like to thank Jesus Garay for his service and congratulate him on the creation of a successful small business. I look forward to watching Global Freight & Commerce's continued growth and success.●
