STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. REED (for himself, Ms. COLLINS, Ms. KLOBUCHAR, and Mr. VAN HOLLEN):

S. 2801. A bill to strengthen the United States Interagency Council on Homelessness; to the Committee on Banking, Housing, and Urban Affairs.

Mr. REED. Mr. President, along with Senator COLLINS, I am reintroducing legislation that would eliminate the sunset date for the United States Interagency Council on Homelessness (the Council) so that this agency can further build upon its success in helping to prevent and end homelessness.

The Council was launched under the Reagan Administration as part of the landmark McKinney-Vento Homeless Assistance Act of 1987. Since then, it has worked across the Federal government and private sector to coordinate homeless assistance nationally. In 2009, the Homeless Emergency Assistance and Rapid Transition to Housing, or HEARTH Act, which I introduced along with Senator COLLINS and others, expanded the Council's role to work with stakeholders to develop a national strategic plan to end homelessness, which has guided its work to develop effective strategies to prevent and end homelessness.

Since 2010 when this national strategic plan was first developed, the U.S. Department of Housing and Urban Development (HUD) reports that overall homelessness has decreased by 13%, chronic homelessness by 16%, and family homelessness by 25%. In addition, we have seen veterans' homelessness drop by 49%. This progress is not only a result of the more than \$600 million federal investment in housing and supportive services through programs like HUD-VASH, but is also because of the direction the Council provides to the Department of Veterans Affairs (VA) and HUD, as well as public housing agencies administering assistance at the local level. Specifically, the Council helps diverse partners align their resources, efforts, goals, and measures of success for serving homeless veterans. According to the Council, it "has led a process to confirm that 78 communities and 3 entire states have effectively ended Veteran homelessness. 35 states now have at least one community that has ended Veteran homelessness. Some recent confirmations include: Abilene, Texas, Lexington, Kentucky, Little Rock, Arkansas, Poplar Bluff, Missouri, and the 71 counties in Mississippi that make up the Mississippi Balance of State Continuum of Care." In order to further these efforts and also tackle veterans' homelessness on the front end, the Senate's fiscal year 2020 Transportation, Housing and Urban Development, and Related Agencies (THUD) Appropriations bill includes language I authored directing the Council to improve the coordination between the Department of Defense, the VA, the Department of Labor, and HUD in order to prevent servicemembers from being discharged into homelessness.

In addition to addressing homelessness in our communities, the Council has also helped to save money. We

know that people experiencing homelessness are more likely to use expensive health care services and spend more time in incarceration—which are extremely costly to taxpayers, States, and local governments. According to the National Alliance to End Homelessness, "based on 22 different studies from across the nation providing permanent supportive housing to chronically homeless people creates net savings of \$4,800 per person per year, through reduced spending on jails, hospitals, shelters, and other emergency services."

The Council has extended these estimated savings by identifying and tailoring cost-effective solutions that reduce the use of health care services, as well as recidivism, for individuals experiencing chronic homelessness. In fiscal year 2019 alone, the Council's modest \$3.6 million budget catalyzed more than \$6 billion in combined Federal resources that aim to address homelessness. The Council develops national strategies that inform the work and improve the cost-effectiveness of programs administered by 19 Federal agencies, and as a result, communities and States are able to utilize housing, health, education, and labor funding more strategically and effectively.

In our current budgetary environment we must have a wise and creative arm that helps our communities maximize resources and opportunities where possible, ensuring we are actually addressing homelessness, and not contributing to it. The Council is proof that the government can work and save money in the process, and our bipartisan legislation ensures that the Council's doors remain open until there truly is an end to homelessness nationwide.

I thank the National Alliance to End Homelessness, the Rhode Island Coalition for the Homeless, HousingWorksRI, Council of Large Public Housing Authorities, A Way Home America, Community Solutions International, the National Low Income Housing Coalition, the National Coalition for Homeless Veterans, National Law Center on Homelessness and Poverty, Funders Together to End Homelessness, True Colors United, the Children's Defense Fund, the National Housing Trust, the National Health Care for the Homeless Council, the Local Initiatives Support Corporation, National Alliance on Mental Illness, Consortium for Citizens with Disabilities Housing Task Force, the National Association of Housing and Redevelopment Officials, the Public Housing Authorities Directors Association, LeadingAge, Heartland Alliance, National Housing Conference, the National AIDS Housing Coalition, Covenant House International, the Forum for Youth Investment, the Housing Assistance Council, Volunteers of America, the Corporation for Supportive Housing, the Technical Assistance Collaborative, and the National Coalition for the Homeless for their support. I
