

from road crashes every year, and tens of millions are seriously injured. Road traffic crashes are the No. 1 killer of young people aged 15–29 and the eighth leading cause of death among all people worldwide.

Rochelle Sobel, president of the Association for Safe International Road Travel, highlighted the gravity of this issue and the imperative to fix it:

Every 27 seconds somewhere in the world a person dies in a road crash. Those of us who have lost loved ones in a crash know only too well the ongoing pain and devastation that this tragedy causes families and communities. Road crashes are preventable. We must all work together so that the hopes and dreams of our loved ones are not shattered in the roads of the world.

We all need to do our part to take action to prevent these avoidable tragedies and to save lives.

RECOGNIZING MOUNTAIN VIEW DENTAL CLINIC

• Mr. RISCH. Mr. President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. However, in honor of Veterans Day on November 11, this month I will honor a veteran-owned small business for each of the 10 days the Senate is in legislative session. The personal sacrifices made by America's veterans have protected the very freedoms and values that give each of us and our children the ability to achieve the American dream. The skills veterans learn as members of the military are invaluable and undoubtedly contribute to Idaho's flourishing veteran business community. I am proud of the sacrifices veterans have made to protect our country and that they are choosing Idaho to call home when they complete their service in the military.

As your U.S. Senator from the great State of Idaho, it is my pleasure to recognize Mountain View Dental Clinic in Soda Springs as the veteran-owned Idaho Small Business of the Day for November 18, 2019.

Mountain View Dental Clinic is owned by U.S. Air Force veteran Dr. Jerry Walker, DMD. Walker was born and raised in Rexburg before moving to Pennsylvania to attend dental school. Luckily for Idaho, Walker returned home to the Gem State to open his practice and serve the Soda Springs community. With more than 18 years of clinical experience, Walker and his employees pride themselves on building trust with their clients.

Walker and his staff provide routine dental care services such as cleanings and oral cancer screenings, in addition to cosmetic services tailored to fit the needs of each patient. The team at Mountain View Dental Clinic works hard to remain at the forefront of dental research and technology, ensuring that patients enjoy a comfortable experience at the dentist.

Congratulations to Dr. Jerry Walker and all of the employees at Mountain View Dental Clinic for being selected as the Veteran-owned Idaho Small Business of the Day for November 18, 2019. You make our great State proud, and I look forward to your continued growth and success.●

RECOGNIZING MISHA'S CUPCAKES

• Mr. RUBIO. Mr. President, as chairman of the Committee on Small Business and Entrepreneurship, each week I recognize a small business that exemplifies the American entrepreneurial spirit at the heart of our economy. It is my privilege to honor a Florida small business that not only creates a great product but also invests time and effort into charitable work for the Greater Miami area. This week, it is my pleasure to honor Misha's Cupcakes of Coral Gables, FL, as the Senate Small Business of the Week.

Established in 2005, Misha's Cupcakes offers a variety of delicious baked goods at its multiple storefronts throughout South Florida. After hearing about a small cupcake company in Los Angeles which produced 1,000 cupcakes a day, founder Misha Kuryla became inspired and believed she could replicate the same process. She began baking cupcakes out of her kitchen, and after strategically giving away several free samples, landed her first wholesale account from a local bakery. What started as small, home-based operation has developed into a thriving company, employing nearly 70 Floridians. Misha's Cupcakes now produces more than 10,000 baked goods every day at its stores and warehouse. In addition to selling baked goods locally, Misha's Cupcakes sells its products nationally through its website. This website offers customers not only the ability to order products such as cookies and brownies but also to request donated cupcakes for a charity event or fundraiser.

Misha's Cupcakes' dedication to community service has been central since its founding when Misha donated several hundred cupcakes to a local breast cancer awareness event. Since then, this business has remained committed to serving its community. It has participated in a wide range of community service events, including donating baked goods to local food banks and organizing a Hurricane Dorian relief drive for the people of the Bahamas. Such dedication to service has made Misha's Cupcakes a valuable member of South Florida's community.

Residents of South Florida have responded to Misha's Cupcakes' involvement in their community by becoming loyal customers. In addition to receiving rave reviews, the business was named "Best Cupcakes in Miami" by the Miami New Times in 2014 and "Best Cupcakes in Florida" by the Daily Meal in 2017. Misha herself has also been honored by the community for her dedicated work. In 2012, she was named an "uncommon thinker" by her alma
