PETITIONS AND MEMORIALS

The following petitions and memorials were laid before the Senate and were referred or ordered to lie on the table as indicated:

POM–157. A resolution adopted by the House of Representatives of the State of Michigan urging the United States Congress to support federal funding for ports, harbors, and critical marine infrastructure in the Great Lakes region including the Soo Locks construction project; to the Committee on Environment and Public Works.

HOUSE RESOLUTION NO. 160

Whereas, the Great Lakes–St. Lawrence Seaway system is the longest deep-draft waterway in the world spanning from Duluth, Minnesota to the Atlantic Ocean. This commercial waterway provides cost-effective and reliable transportation for cargo, including iron ore, coal, steel, machinery, cement, and petroleum products that are staples in everyday life—whether that be for road improvements or the energy powering our cities; and

Whereas, the economic importance of the Great Lakes–St. Lawrence Seaway system cannot be overstated. Commerce along the seaway supported over 200,000 jobs and generated over \$35 billion in economic activity in 2017 alone. Maintaining the ports, harbors, and critical infrastructure of the seaway is necessary to protect American industry and jobs; and

Whereas, maintaining and updating the Soo Locks in Sault Ste. Marie, Michigan is of utmost importance, not only to the residents of Michigan but to all Americans. Nearly 80 percent of domestic iron ore—the primary material used to manufacture steel critical to the auto industry and construction—travels from mines in Minnesota and Michigan’s Upper Peninsula through the Soo Locks; and

Whereas, even a six-month unplanned closure at the Soo Locks would devastate steel, automobile, and other heavy equipment production throughout North America, decreasing U.S. gross domestic production by \$1.3 trillion and costing more than 11 million jobs. The effect would ripple across national supply chains and eventually lead to a full shut down of steel production in Pennsylvania; and

Whereas, Congress has appropriated an initial \$32 million to begin construction at the Soo Locks; however, the \$1 billion project will require continued appropriation from Congress through the completion of the project. The economic risk of a Soo Locks closure is too great to delay funding for even one year; now, therefore, be it

Resolved by the House of Representatives, That we urge Congress and the President to support federal funding for ports, harbors, and critical marine infrastructure in the Great Lakes region including the Soo Locks reconstruction project; and be it further

Resolved, That copies of this resolution be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives, and the members of the Michigan congressional delegation.

POM–158. A bill adopted by the Legislature of the State of Florida requesting the Joint Committee on the Library of Congress to approve the replacement of the statute of Confederate General Edmund Kirby Smith in the National Statuary Hall Collection with a statue of Mary McLeod Bethune; to the Committee on Rules and Administration.

SENATE BILL NO. 472

Whereas, in March 2016, the Florida Legislature passed, and the Governor signed into law, Senate Bill 310, authorizing the replacement of the statue of Confederate General Edmund Kirby Smith in the National Statuary Hall Collection with a statue of a prominent Florida citizen recommended by the ad hoc committee of the Great Floridians Program within the Division of Historical Resources of the Department of State, and

Whereas, one of the three prominent Florida citizens recommended by the ad hoc committee is Mary McLeod Bethune, and

Whereas, Mary McLeod Bethune was born on July 10, 1875, in Mayesville, South Carolina, and she was the first member of her family, including all of her 16 siblings, born free following the conclusion of the Civil War, and

Whereas, beginning at a young age, Mary McLeod Bethune became engaged with learning and teaching after receiving an opportunity to attend Trinity Presbyterian Mission School in her hometown, and her dedication was evidenced through attending as many classes as she could and teaching her parents and siblings what she had learned, and

Whereas, Mary McLeod Bethune was awarded a scholarship allowing her to enroll at the then-Scotia Seminary for Girls in Concord, North Carolina, from which she graduated in 1893, and she went on to continue her studies at the Moody Bible Institute in Chicago, and

Whereas, upon graduating from the Moody Bible Institute, Mary McLeod Bethune became a teacher and taught at schools in
