

USMCA represents an opportunity to fix fundamental flaws in our trade policy, reverse the failings of NAFTA, establish strong, enforceable labor standards across North America, and promote growth in new sectors of each of our economies. Let's get it right this time.

I thank Speaker PELOSI, Chairman NEAL, and House Democratic leadership for their commitment to working families and for ensuring USMCA reflects our core values, and I ask for a vote on USMCA as soon as possible.

#### RECOGNIZING THE SERVICE OF MS. JENNIFER T. GRAHAM

The SPEAKER pro tempore. The Chair recognizes the gentleman from Georgia (Mr. CARTER) for 5 minutes.

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Ms. Jennifer T. Graham for being honored by the Zonta Club of Savannah for her work helping single mothers throughout the Savannah area.

Ms. Graham galvanized a citywide effort that has significantly aided hundreds of mothers in our community. She founded Shelter From the Rain, which assists low-income mothers by providing food, job search assistance, baby supplies, mentorship, and more. Since Ms. Graham founded the organization in 2010, Shelter From the Rain has helped over 300 single mothers.

Her background in marketing and outreach, which includes earning a graduate degree in marketing and doing communications for a number of local healthcare companies has helped her maximize the number of mothers her organization reaches.

Thank you, Ms. Graham, for your work making our community a better place to live, and thank you to the Zonta Club for recognizing the important work she is doing. Keep up the great work.

#### NATIONAL HEALTHY SKIN MONTH

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize the month of November as National Healthy Skin Month.

Your skin is your body's largest organ, so it is critical to take care of it. Unfortunately, skin cancer affects around 20 percent of the population.

This month, I encourage everyone to think about ways to keep your skin healthy during your daily activities. For example, wearing sunscreen, moisturizing, washing your face, and protecting against blisters are all measures one can take to stay healthy.

Additionally, I hope everyone will consider visiting a dermatologist this month for a skin evaluation.

Thank you to the American Academy of Dermatology as well as dermatologists around the country for your work to protect this vital part of our health.

#### RECOGNIZING THE SERVICE OF MS. MEG HEAP

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Ms. Meg Heap, who was recently honored by the

Zonta Club of Savannah for her work to reduce domestic violence against women.

Serving as the district attorney for the Savannah area since 2013, she has spearheaded a number of programs in coastal Georgia to create greater equality for women. She created an early notification prosecutor position for domestic violence and an early notification process for the Victim Witness Program. Additionally, she created a one-stop Chatham County Family Justice Center.

In 2019, the District Attorney Association of Georgia selected her as the District Attorney of the Year.

From Savannah originally, Ms. Heap can be an inspiration to all of us about giving back to your community.

Thank you, Ms. Heap, for all of your work to make Savannah a better place to live, and thank you to the Zonta Club of Savannah for recognizing her achievements.

#### HAPPY 95TH BIRTHDAY TO MR. HOWARD YOUNG

Mr. CARTER of Georgia. Mr. Speaker, I rise today to recognize Mr. Howard Young, who turns 95 years young on November 25. He has lived in the Savannah area for over 30 years, and, during this time, he has spent countless hours helping others around the community.

After retiring in his 50s, he began to spend each day with a different organization volunteering. On Mondays he works with the Veterans Administration Clinic, on Tuesdays he works with senior citizens.

And the list doesn't stop at Friday. A World War II Navy veteran, he works with veterans to help them get medical benefits on Saturdays and serves at the Isle of Hope Methodist Church on Sundays.

I am proud to have a constituent like Mr. Young in the First Congressional District of Georgia. It is easy to be inspired by his work making the world a better place to live.

As he says: "Each passing day is gone forever, so I want to spend as much of each day as possible helping someone who can't help himself."

Happy birthday, Mr. Young.

#### HONORING THE LIFE AND LEGACY OF COACH MARVIN KEELAN

The SPEAKER pro tempore. The Chair recognizes the gentleman from Louisiana (Mr. RICHMOND) for 5 minutes.

Mr. RICHMOND. Mr. Speaker, today I rise with a heavy heart to acknowledge the life and legacy of Coach Marvin Keelen. Coach Keelen coached at Gorette Playground in New Orleans, Louisiana.

I met Coach Marvin probably when I was about 13 years old; and he started me out as a bookkeeper at the playground keeping score. Then I went on to be an umpire; then I went on to be a coach.

Coach Marvin passed away this weekend, but over his 34 years of coaching

at Gorette Playground, he has touched the lives of so many young men. We have a Capitol Police officer here that Coach Marvin coached. We have myself and countless others that his direction, his mentorship provided a real pathway for a lot of our young men.

The other thing I would say about Coach Marvin is his family followed in his footsteps. Just two weekends ago, his younger son, Nick, won his first city championship. His other son, Marvin, won a couple of city championships, and Coach Marvin won about seven.

But it wasn't just about competing. It was taking our young kids and making sure that they understood their potential to be whatever they wanted to be, that they could be champions if they wanted to be, that they could actually be U.S. Congressmen.

So I just want to extend my condolences to his wife Jennifer Keelen; his daughter Nikki; his son, Nick; and his other son, Marvin, to let them know that their father has heard those words: "Well done, my good and faithful servant."

#### CELEBRATING THE LIFE AND LEGACY OF JUDGE ANGELIQUE "ANGIE" REED

Mr. RICHMOND. Mr. Speaker, I rise to celebrate the life and legacy of Judge Angelique "Angie" Reed, who passed in the city of New Orleans.

Judge Reed was the quintessential judge. She was fair, but she was firm. She expected the best out of lawyers in front of her, and she demanded nothing less.

She was a proud member of Alpha Kappa Alpha Sorority, Incorporated, and, in honor of her, I am wearing my pink tie today. She was also a faithful member of Jack and Jill, that provides mentorship to children and communities all across the country, and she was a faithful member of the New Orleans Chapter of The Links.

Let me just say that her membership in all of these organizations really highlighted her love for New Orleans.

On the national level, she was a member of the Judicial Council of the National Bar Association, even co-chairing the event in New Orleans.

I first met Judge Angie Reed when she was just a young lawyer in the City Attorney's Office and I was a law clerk trying to find my way around. She took me under her wing and taught me life lessons that I would never forget about the practice of law: that it was not about trying to make money; it was not about you, but it was about your client; it was about making a difference; it was about righting a wrong.

Dr. Martin Luther King, Jr., in his speech, "Give Us the Ballot," proclaimed that, if you give us the ballot in the South, we will elect judges and put judges on the bench that will love mercy and do justice. Judge Angelique Reed did just that, and she did it better than anyone else.

She leaves behind her daughter, Giana Warren.

And I would just say that the New Orleans community is better off because Angie Reed passed our way, and she will be sorely missed.

She also will hear those words: "Judge Reed, well done, my good and faithful servant."

#### SUPPORT THE K-9 HERO ACT

The SPEAKER pro tempore. The Chair recognizes the gentleman from Texas (Mr. WRIGHT) for 5 minutes.

Mr. WRIGHT. Mr. Speaker, I am proud to have introduced the K-9 Hero Act last week.

Military and law enforcement K-9s work in tandem with the brave men and women who serve our great Nation. Once these heroes retire from service, the medical treatment they need is often significant enough to create a financial hardship for the individuals who care for them.

The K-9 Hero Act creates a grant program to assist nonprofits that take in retired working dogs or provide financial assistance to the owners of retired working dogs. These grants will cover medical costs, such as veterinarian visits, medical procedures, diagnostic tests, and medications, which tend to average around \$3,000 per year per dog.

As most know, just a few weeks ago, a K-9 played a crucial role in the capture and ultimate killing of ISIS leader Abu Bakr al-Baghdadi. This K-9 took off, racing down an underground tunnel before cornering Baghdadi, leaving him nowhere to run. It is stories like these that inspired me to introduce the K-9 Hero Act.

These dogs assist our Federal Government in ways that no man or machine could, and it is unacceptable to me for them to live with inadequate medical care—or even be euthanized, in some cases—after sacrificing so much for our country.

This bill helps ensure these heroes are well taken care of during retirement and that their need for medical care never prevents them from finding a loving forever home. My K-9-loving colleagues on both sides of the aisle, I believe, should support this legislation.

#### STOP THE PRACTICE OF TELEABORTION

Mr. WRIGHT. Mr. Speaker, I rise today to express my outrage over the practice of teleabortion. This practice, which gets its name from practitioners conducting abortions over the phone or computer, occurs when chemical abortions are induced with no healthcare provider present.

This practice sounds simple, except the woman taking the drugs isn't in a medical facility, no certified medical personnel are present, and if the drugs don't work as planned and the baby is not stillborn, it may still end up in a dumpster and the mother may end up in an emergency room.

The obvious danger is why I filed H.R. 4935, the Teleabortion Prevention Act. This legislation protects women's health by making it a Federal offense for healthcare providers to perform a

chemical abortion without first physically examining the patient, being present during the chemical abortion, and scheduling a follow-up visit for the patient.

Chemical abortions are induced using a two-step abortion pill regimen that can be taken up until the ninth week of pregnancy. Given the serious risks, the FDA has put regulations in place, but pro-abortion groups are looking for ways to get around the law.

If these FDA regulations are ever lifted, chemical abortion drugs could become available by prescription, enabling a single healthcare provider to mail chemical abortion pills to women and young girls across the country, regardless of State pro-life protections and whether they have seen a doctor and had an ultrasound performed. This legislation ensures these much-needed FDA regulations will not be lifted.

No doctor should feel comfortable prescribing a life-ending pharmaceutical drug without physically being there to administer it to the patient.

If the woman's health argument is really more than subterfuge that puts dressing on a tragedy, I urge my colleagues to join me in passing H.R. 4935, the Teleabortion Prevention Act.

#### NATIONAL MEDAL OF HONOR MONUMENT ACT

Mr. WRIGHT. Mr. Speaker, I rise because yesterday I had the privilege of introducing the National Medal of Honor Monument Act, with my fellow Texan, Congressman MARC VEASEY.

Over the course of our history, over 3,500 United States servicemen and -women have been honored with our Nation's highest military decoration, the Medal of Honor.

The Medal of Honor is awarded to U.S. servicemembers who have distinguished themselves with extraordinary acts of valor. These men and women I am referring to went above and beyond the call of duty on the battlefield in order to preserve our families and way of life.

This legislation ensures that their contribution and patriotism are never forgotten. These heroic individuals deserve to be memorialized with a monument in our Nation's Capitol, among the other great Americans that have helped shape our Nation.

In Texas, we celebrate patriotism, American ideals, and our Nation's heroes. Earlier this fall, the National Medal of Honor Museum Foundation chose my hometown of Arlington, Texas, as the location for the new National Medal of Honor Museum. This legislation makes it official.

Congratulations to Mayor Williams and the rest of Arlington's leadership for bringing it to the 6.8 million Dallas-Ft. Worth residents and the over 14 million visitors Arlington welcomes each year and, most importantly, the 1.8 million veterans and Active-Duty military that call Texas home.

Rabbi Steven Abraham, Beth El Synagogue, Omaha, Nebraska, offered the following prayer:

Our God and God of our ancestors, we stand before You in this sacred Hall to ask for Your blessings upon the Members of this House, the leaders of our country, and the citizens of this great Nation.

Mr. GREEN of Tennessee led the Pledge of Allegiance as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

#### WELCOMING RABBI STEVEN ABRAHAM

The SPEAKER pro tempore. Without objection, the gentleman from Nebraska (Mr. BACON) is recognized for 1 minute.

There was no objection.

Mr. BACON. Mr. Speaker, I rise today to extend my appreciation for my friend, Rabbi Steven Abraham, and thank him for leading today's session
