

130 frogmen (including Chief Edwin Thompson), and 4 miniature submarines to recover the warhead from the sea. Secretary of the Navy Paul Ignatius later described the successful recovery as “the largest and most difficult deep-sea search ever conducted by any country in the world.” Thompson’s team of frogmen recovered the warhead under 2,162 feet of water just a few feet from edge of a 5,000-foot abyss. The recovered warheads were 75 times more powerful than the Atomic Bomb dropped on Hiroshima.

Following his retirement from the Navy, Mr. Thompson continued diving and worked for Brown & Root for many years. He also served as a Reserve Deputy with the Harris County Precinct Three Constable’s Office for twenty years. Thompson has served as Veterans of Foreign Wars Post 912 Commander and is a life-member of several other community organizations, including the American Legion and Fleet Reserve Association. He is also a member of the Shiners and Freemasons.

Edwin Thompson was married to Mrs. Margaret Bell Griffin Thompson for forty-four years until her death in 1992. Together they have seven children: John, Tammy, Lorrie Anne, Mary Frances, Don Marie, Sue Ellen, and Margaret. He has 49 grandchildren, and many other great-grandchildren. The Thompson family has a long history of career military service to our country spanning several generations.

Madam Speaker, I would like to thank Chief Edwin “Easy” Thompson, as well as his family, for their selfless service to this great nation.

Marilyn has served as an effective elected official to her community for nearly 15 years, and her leadership has changed Niles Township for the better.

Marilyn Glazer was first elected as a Niles Township Trustee in 2005, and she held this position until her election as Supervisor in 2014. Marilyn worked hard to make sure that Niles Township residents had access to the best services that the township could offer.

Marilyn helped to increase resources allocated to the Niles Township food pantry and under her leadership, the food pantry has grown and moved into a new and larger space. RECOGNIZING THE RETIREMENT OF TOM BRADLEY AFTER NEARLY 30 YEARS OF DISTINGUISHED FEDERAL SERVICE

HON. JOHN A. YARMUTH

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 21, 2019

Mr. YARMUTH. Madam Speaker, I rise today to recognize the distinguished career and retirement of Tom Bradley after 24 years of service at the Congressional Budget Office. Tom has been Chief of the Medicare Cost Es-

timates Unit for 21 of those years. He also spent almost 6 years at the Prospective Payment Assessment Commission and the Department of Health and Human Services, for a total of nearly 30 years in federal service.

It is hard to overstate Tom’s role in analyzing the budgetary impacts of health legislation over the past two decades. Notable examples include the Balanced Budget Act of 1997 and the Medicare Access and CHIP Reauthorization Act of 2015. In all of those interactions, Tom has been instrumental in providing insightful and objective estimates of the effects of every piece of important health care legislation that the Congress has considered, debated, and enacted since 1995.

Tom has worked tirelessly with Members of Congress and our staff on both sides of the aisle throughout the years. During many hours of discussion and explanation, he was never less than methodically forthright and fair, embodying CBO’s commitment to nonpartisan analysis. He helped us understand the key levers to move an estimate and the need to focus on making the language match the intent.

Tom also trained numerous CBO analysts to think harder, dig deeper, and consider all the possible outcomes of a bill. The high standards that he set for himself and for the Medicare Unit will continue to be a benchmark for CBO’s health analysis going forward.

Tom can look forward to a well-earned retirement with his wife, Judith, in Florida. He leaves CBO and Washington with the thanks and appreciation of the Congress.

Thursday, November 21, 2019

Mr. HUDSON. Madam Speaker, I rise today to honor Deputy Police Chief Terry Clanton on his 36 years of service to our community with the Kannapolis Police Department, located in North Carolina's Eighth Congressional District.

Over the last 36 years, Terry has made countless contributions to our area. He started his career in 1984 as a patrol officer for the Kannapolis Police Department and retires today as the Deputy Police Chief. His strong character and leadership enabled him to advance within the Kannapolis Police Department, culminating as Deputy Police Chief.

Growing up in Cabarrus and Rowan Counties, Terry knew he wanted to give back to his community through law enforcement. Rising through the ranks of patrol, investigations, staff services, and support services, his outsized contributions to the Kannapolis Police Department have been profound and unmatched. Terry helped guide his office through the transition that followed the incorporation of the City of Kannapolis and saw the number of police officers rise from 48 to over 100. Described by colleagues as dedicated, loyal, and a true professional, his legacy of service will be felt for years to come.

HONORING THE LIFE AND SERVICE OF COMMANDER SAMMY L. VICKERS

HON. MATT GAETZ

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 21, 2019

Mr. GAETZ. Madam Speaker, today I rise to honor and remember the life of one of Northwest Florida's most notable citizens, Commander Sammy L. Vickers, who passed away on March 29, 2018. Commander Vickers was born in 1946, in Corpus Christi, TX, and lived a lifetime full of impressive and dedicated service to our nation.

Commander Vickers served heroically in the United States Navy for 22 years. As a P-3C Orion pilot during the tumultuous years of the Cold War, Commander Vickers patrolled the waters of the Pacific and Atlantic Oceans hunting Russian submarines. His dedication to duty helped ensure the safety of millions of grateful Americans.

Commander Vickers was later assigned to VP-6 in Hawaii and VP-5 in Jacksonville, Florida. He also served aboard the USS *Eisenhower*, CVN 69. Commander Vickers' service in the United States military culminated as the Executive Officer at Whiting Field in Florida, where he eventually retired.

However, Commander Vickers' life of service did not conclude with his retirement from the United States Navy. In 1995, Commander Vickers served the Santa Rosa community as the Executive Director of the Santa Rosa Chamber of Commerce.

Following his time with the Santa Rosa Chamber, Commander Vickers devoted his time to leading the Pace High School Navy JROTC unit. He served as unit commander for 18 years, leading Pace High School to top national honors in 2003.

Even during his time as the unit leader of the Pace High School Navy JROTC, Commander Vickers continued to selflessly devote himself to our community as he partnered with several other community organizations. Commander Vickers consistently dedicated his time to the service of others.

Commander Vickers was revered and loved by all who knew him. To honor his extraordinary legacy, the traditional "Celebrating Our Veterans" ceremony at Pace High School will be renamed "Commander Sam Vickers Celebration of America at Pace High School."

On behalf of the United States Congress, I recognize and honor a remarkable man for his selfless service to his country. I am grateful for his lasting contributions to our community and I ask my colleagues to join me in honoring the life of a faithful and dedicated American hero.

SHARK FIN SALES ELIMINATION ACT OF 2019

SPEECH OF

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 20, 2019

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I want to thank Ranking Member MCCAUL and Representative SABLAN for their leadership on H.R. 737, the Shark Fin Sales Elimination Act, an important animal and wildlife protection bill. Their efforts earned the broad bipartisan support of nearly 290 Members of the House who cosponsored the bill which passed on an overwhelming bipartisan basis.

Many sharks are killed through the horrific method of "shark finning," a method of removing fins from sharks while they are still alive at sea and discarding the rest of the shark. This bill would expand the Shark Conservation Act, which was passed in 2010, prohibiting the commercial trade of shark fins and products containing shark fins, to also prohibit taking the fins of sharks at sea.

Currently, shark finning is illegal in U.S. waters, but more is needed to protect these rapidly declining shark populations. Shark fins sold in the U.S. come from all over the world, including locations which have no bans on finning. The United States is in the top 15 shark-fin-importing countries in terms of volume. It is highly likely that shark fins sold in the United States come from sharks that have been brutally finned from places that allow shark finning.

Some populations have declined by up to 90 percent in recent decades leaving almost 25 percent of shark and ray species at risk of extinction. These global populations are currently threatened by this practice and instituting this ban will help to reduce the demand for shark fins and conserve these species while still allowing the sales of shark meat and products.

My home state of Illinois has already enacted a law prohibiting the shark fin trade joining 12 states and 3 territories that already have laws banning the sale of shark fins, similar to this bill.

I voted yes on this bill and applaud my colleagues who also voted in favor of H.R. 737, the Shark Fin Sales Elimination Act.
