SUBMITTED RESOLUTIONS

SENATE RESOLUTION 436—SUPPORTING THE GOALS, ACTIVITIES, AND IDEALS OF PREMATURITY AWARENESS MONTH

Mr. BROWN (for himself and Mr. ISAKSON) submitted the following resolution; which was referred to the Committee on Health, Education, Labor, and Pensions:

S. RES. 436

Whereas, according to the World Health Organization, complications of preterm birth are now the leading cause of death among children under 5 years of age worldwide;

Whereas approximately 1,000,000 children die each year due to complications of preterm birth;

Whereas preterm birth is a global problem that exacts a toll on families from all parts of society in every country;

Whereas many complications of preterm birth may have lifelong consequences for the health, growth, and development of infants;

Whereas up to 75 percent of deaths resulting from preterm birth worldwide can be prevented through proven cost-effective strategies to promote full-term births and improve the care of preterm infants;

Whereas countries can improve maternal health and the survival rate of babies born prematurely by making strategic investments in health care systems to ensure access to high-quality pre-pregnancy care, prenatal care, childbirth services, emergency obstetric care, postnatal care, and comprehensive care for affected newborns;

Whereas the preterm birth rate in the United States has worsened for four consecutive years, rising from 9.63 percent in 2015 to 10.02 percent in 2018;

Whereas there are significant racial and ethnic disparities in preterm birth rates among many communities in the United States;

Whereas there are disparities in preterm birth rates globally, with lower-income families at the highest risk of having a child preterm;

Whereas many preterm births can be prevented through evidence-based public health programs focused on reducing risk factors such as tobacco use, closely spaced pregnancies, and early elective deliveries; and

Whereas, in the United States and around the world, November is recognized as Prematurity Awareness Month: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the recognition of Prematurity Awareness Month;

(2) honors individuals working domestically and internationally to reduce preterm births; and

(3) supports efforts at home and abroad to—

(A) reduce the impact of preterm births by improving maternal health during and after pregnancy;

(B) advance the care and treatment of infants born preterm; and

(C) promote evidence-based strategies to—

(i) prevent preterm birth and promote full-term births; and

(ii) improve outcomes for infants born preterm.

SENATE RESOLUTION 437—EX-PRESSING SUPPORT FOR THE GOALS OF STOMACH CANCER AWARENESS MONTH

Mr. YOUNG (for himself, Mr. CARDIN, and Mr. BRAUN) submitted the following resolution; which was considered and agreed to:

S. RES. 437

Whereas stomach cancer, also known as gastric cancer, is one of the most difficult cancers to detect in the early stages of the disease, which contributes to high mortality rates;

Whereas stomach cancer occurs when cancer cells develop in the lining of the stomach;

Whereas stomach cancer is the fifth most common type of cancer worldwide;

Whereas, in 2019—

(1) an estimated 27,510 cases of stomach cancer will be diagnosed in the United States; and

(2) an estimated 11,140 people in the United States will die from stomach cancer;

Whereas the estimated 5-year survival rate for stomach cancer is only 31.5 percent;

Whereas, in the United States, stomach cancer is more prevalent among racial and ethnic minorities;

Whereas increased awareness of, and education about, stomach cancer among patients and health care providers could improve timely recognition of stomach cancer symptoms;

Whereas more research into early diagnosis, screening, and treatment for stomach cancer is needed; and

Whereas November 2019 is an appropriate month to observe Stomach Cancer Awareness Month: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the goals of Stomach Cancer Awareness Month;

(2) supports efforts to increase awareness of, and education about, stomach cancer among the general public of the United States;

(3) recognizes the need for additional research into early diagnosis, screening, and treatment for stomach cancer; and

(4) encourages States, territories, and localities of the United States to support the goals of Stomach Cancer Awareness Month.
