

food and clothing drives; an annual holiday toy drive he started in 1999, that continues today; a Thanksgiving community outreach initiative in which turkeys are distributed to families; and an annual Queens Breast Cancer Awareness Walk, which has successfully raised over \$100,000 since its inception nine years ago.

For these and other achievements, Chief Secreto has been honored by countless community groups, as well as several NYPD fraternal organizations. In 2009, the New York State Shields honored him as Man of the Year, and in 2014, the Tri-State Law Enforcement Foundation honored James as Person of the Year.

A devoted family man, Chief Secreto has been married to his wife, Yvonne, for 35 years. They are the proud parents of three children. Kiesha, Shamioka and Chanel. The couple also have eight grandchildren.

Madam Speaker, the people of New York owe a debt of gratitude to Chief Secreto for his years of service. I ask my colleagues to join me in saluting him as he moves on to his next phase of life. I wish him and his family all the best and thank him for all he has done for Brooklyn, for NYCHA and all New York residents.

HONORING OUACHITA NATIONAL
FOREST SUPERVISOR NORMAN
WAGONER

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, December 3, 2019

Mr. WESTERMAN. Madam Speaker, I rise today to recognize Mr. Norman Wagoner for

his decades of service with the United States Forest Service.

Mr. Wagoner began his career with the Forest Service in 1986, right in the Fourth District's own Ouachita National Forest. He worked his way up from a co-op student to a Forester Trainee to a Forester, later serving as a District Ranger in Colorado and Wyoming. Mr. Wagoner returned to the Ouachita National Forest in 2006 to become the Forest Supervisor, where he served until his retirement in 2019.

I was privileged to work alongside Mr. Wagoner on numerous occasions, and always admired his commitment to forestry and environmental stewardship. He has been a fantastic leader and advocate for Arkansas forestry, and will be greatly missed. I wish him all the best in retirement.
