

mind, and the ABA's report found Mr. VanDyke to be lacking a commitment to the truth.

In order to see how the ABA came to this conclusion, one only needs to look at Mr. VanDyke's record of pursuing an ideological agenda instead of working for the people and defending the law. In his past role as attorney general of Montana, he filed many politically driven briefs, including one asking the Supreme Court to strike down *Roe v. Wade* altogether, a view that is out of step with the views of Nevadans. He even signed the State onto one brief without reading it, by his own admission.

Mr. VanDyke has also made controversial and appalling statements about LGBTQ Americans, writing this: "[There is] ample reason for concern that same-sex marriage will hurt families, and consequentially children and society."

Mr. VanDyke was given every opportunity to disavow this statement and repeatedly declined to do so. Allowing Mr. VanDyke to serve on the Ninth Circuit would put at risk the rights of thousands of LGBTQ Americans to employment, healthcare, housing, and basic equal treatment in what is often the court of last resort.

Surely you must agree, no matter who is President or who controls the Senate, you would want qualified judges with connections to the State who will be fair to your constituents and not use cases to advance their personal ideological agenda.

I oppose the nomination of Mr. VanDyke, and if it is withdrawn or voted down, I will be ready at a moment's notice to work with this White House in finding a fair, qualified, and non-partisan nominee from Nevada. The people of my home State and yours deserve nothing less.

I yield the floor.
