

TRIBUTE TO KAREN WEAVER

• Mr. PAUL. Madam President, Karen Weaver, a Kentucky native and a veteran of the U.S. Air Force, has been recognized as the Kentucky Female Veteran of the Year 2019. After serving on Active Duty and in the Air Force Reserve, Karen taught science at Leestown Middle School in Lexington, KY, where she began immersing herself in volunteer work for veterans. She has worked with Military Missions, an organization that sent care packages to over 8,500 deployed U.S. men and women last year. One of her current passions is Lady Veterans Connect, a nonprofit with a real heart for female veterans, particularly those who are homeless. Karen Weaver has been an incredible role model to the children of her classrooms and to the entire Commonwealth. I am honored to recognize Karen in her service to our country and our State.●

RECOGNIZING GRANNY
CANTRELL'S RESTAURANT

• Mr. RUBIO. Madam President, as the chairman of the Senate Committee on Small Business and Entrepreneurship, each week I am privileged to honor an American small business for its dedication to dignified work and its surrounding community. This week, it is my honor to recognize Granny Cantrell's Restaurant of Panama City, FL, for its achievements.

Founded in 2002 by Doug Crosby and his family, Granny Cantrell's is well known for its delicious southern comfort food and catering. Based on recipes from friends, neighbors, family, and local churches, Granny Cantrell's food consists of familiar items such as fried chicken, pot roast, and macaroni and cheese. Since opening more than 17 years ago, Granny Cantrell's has experienced success and continued growth. Their menu has expanded beyond comfort food to offer a variety of daily specials and health-conscious options. Today, they are an important part of the Panama City community, attracting and retaining customers who enjoy their food at the restaurant, as well as at catered events.

Granny Cantrell's dedication to the greater Panama City community is unmatched. In the days following the landfall of Hurricane Michael in 2018, Granny Cantrell's worked tirelessly with local authorities to ensure that the city's employees were fed. Additionally, with the help of likeminded community partners, Granny Cantrell's restaurant was able to provide and hand-deliver more than 500 prepacked Thanksgiving meals and 400 cupcakes to those in need after the hurricane. In recent years, Doug and the Granny Cantrell's team have also opened the restaurant's doors as a drop-off location for Coats for Kids, a Bay County program that collects and distributes gently used coats to prepare local children for the winter.

Their dedication to the Florida community, their fantastic homemade dishes, and exemplary customer service has certainly not gone unnoticed. For 9 years running, Granny Cantrell's has been awarded Panama City News Herald's Best of the Bay Award, highlighting its customers' loyalty and integral place in the local economy. Furthermore, Granny Cantrell's has been awarded the Reader's Choice Award by Panama City Living for several years in a row to commemorate their outstanding food and customer service.

Small businesses play an important role in supporting and uplifting their communities. Granny Cantrell's is a prime example of the bonds that small businesses can create when such an integral role is bolstered. I am proud to recognize this Florida business for its reflection of America's unique entrepreneurial spirit and its dedication to the common good of its community. Congratulations to the entire Granny Cantrell's team. I look forward to watching your continued success.●

MESSAGES FROM THE HOUSE

At 10:36 a.m., a message from the House of Representatives, delivered by Mr. Novotny, one of its reading clerks, announced that the House has passed the following bills, without amendment:

S. 256. An act to amend the Native American Programs Act of 1974 to provide flexibility and reauthorization to ensure the survival and continuing vitality of Native American languages.

S. 737. An act to direct the National Science Foundation to support STEM education research focused on early childhood.

The message also announced that the House has passed the following bills, in which it requests the concurrence of the Senate:

H.R. 2051. An act to provide for Federal coordination of activities supporting sustainable chemistry, and for other purposes.

H.R. 3318. An act to require the Transportation Security Administration to establish a task force to conduct an analysis of emerging and potential future threats to transportation security, and for other purposes.

H.R. 3469. An act to direct the Transportation Security Administration to carry out covert testing and risk mitigation improvement of aviation security operations, and for other purposes.

H.R. 3669. An act to require the Secretary of Homeland Security to conduct a collective response to a terrorism exercise that includes the management of cascading effects on critical infrastructure during times of extreme cold weather, and for other purposes.

H.R. 4355. An act to direct the Director of the National Science Foundation to support research on the outputs that may be generated by generative adversarial networks, otherwise known as deepfakes, and other comparable techniques that may be developed in the future, and for other purposes.

H.R. 4372. An act to direct Federal science agencies and the Office of Science and Technology Policy to undertake activities to improve the quality of undergraduate STEM education and enhance the research capacity at the Nation's HBCUs, TCUs, and MSIs, and for other purposes.

H.R. 4373. An act to provide for a coordinated Federal research initiative to ensure

continued United States leadership in engineering biology.

H.R. 4402. An act to require the Secretary of Homeland Security to conduct an inland waters threat analysis, and for other purposes.

H.R. 4566. An act to accelerate the income tax benefits for charitable cash contributions for the relief of the families of victims of the mass shooting in Virginia Beach, Virginia, on May 31, 2019.

H.R. 4713. An act to amend the Homeland Security Act of 2002 to make certain improvements in the Office for Civil Rights and Civil Liberties of the Department of Homeland Security, and for other purposes.

H.R. 4727. An act to amend the Homeland Security Act of 2002 to establish a mentor-protégé program, and for other purposes.

H.R. 4739. An act to amend the Homeland Security Act of 2002 to protect U.S. Customs and Border Protection officers, agents, other personnel, and canines against potential synthetic opioid exposure, and for other purposes.

H.R. 4761. An act to ensure U.S. Customs and Border Protection officers, agents, and other personnel have adequate synthetic opioid detection equipment, that the Department of Homeland Security has a process to update synthetic opioid detection capability, and for other purposes.

The message further announced that pursuant to 10 U.S.C. 9455(a), and the order of the House of January 3, 2019, the Speaker appoints the following Member on the part of the House of Representatives to the Board of Visitors to the United States Air Force Academy: Ms. Speier of California.

At 5:40 p.m., a message from the House of Representatives, delivered by Mr. Novotny, one of its reading clerks, announced that the House has passed the following bill, in which it requests the concurrence of the Senate:

H.R. 5363. An act to reauthorize mandatory funding programs for historically Black colleges and universities and other minority-serving institutions, for other purposes.

MEASURES REFERRED

The following bills were read the first and the second times by unanimous consent, and referred as indicated:

H.R. 2051. An act to provide for Federal coordination of activities supporting sustainable chemistry, and for other purposes; to the Committee on Commerce, Science, and Transportation.

H.R. 3318. An act to require the Transportation Security Administration to establish a task force to conduct an analysis of emerging and potential future threats to transportation security, and for other purposes; to the Committee on Commerce, Science, and Transportation.

H.R. 3469. An act to direct the Transportation Security Administration to carry out covert testing and risk mitigation improvement of aviation security operations, and for other purposes; to the Committee on Commerce, Science, and Transportation.

H.R. 3669. An act to require the Secretary of Homeland Security to conduct a collective response to a terrorism exercise that includes the management of cascading effects on critical infrastructure during times of extreme cold weather, and for other purposes; to the Committee on Homeland Security and Governmental Affairs.

H.R. 4355. An act to direct the Director of the National Science Foundation to support
