

RECOGNIZING CHRISTOPHER
COLUMBUS HIGH SCHOOL

HON. DONNA E. SHALALA

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 18, 2019

Ms. SHALALA. Madam Speaker, I rise in recognition of Christopher Columbus High School, which celebrated its first football state championship last week.

This recent victory is the result of the hard work and determination of student-athletes, coaches, parents, and the entire Columbus community. This strong character is what helped the Columbus Explorers pull off a dramatic victory with a two-point conversion in the final seconds of the championship game. This year's state title put Columbus' reputation for resilience and hardwork reputation on full display.

In the state championship game, Columbus was faced with what may have been its biggest challenge all season. With little over four minutes left, the Explorers were down 20–7. In spite of the odds being stacked against them and the early celebrations of opposing team, Columbus came out on top once again.

The Explorers overcame obstacle after obstacle. They scored 14 unanswered points, with the final two points coming with eight seconds left to take the lead and win the championship game.

The state title is reflective of Columbus' success not only as a football team, but also as an institution. For decades, Columbus has produced illustrious alumni who have contributed to our community, our country and the world. This success is only made possible through the school's fighting spirit and integrity, which is exactly what the football team left on the field for all to see.

HONORING THE VOLUNTEERS AND
STAFF ON THE DEDICATION OF
THE NEW ARMED FORCES SERVICE
CENTER AT THE SAINT
PAUL-MINNEAPOLIS AIRPORT

HON. BETTY McCOLLUM

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 18, 2019

Ms. McCOLLUM. Madam Speaker, I rise to honor the dedicated volunteers and staff of the Armed Forces Service Center at the Saint Paul-Minneapolis Airport as they prepare to dedicate a new, larger location. Since the center was opened nearly 50 years ago, more than one million active-duty military personnel, dependents and retirees have received a warm Minnesota welcome and hospitality from its volunteers.

During the Vietnam War, Naval Petty Officer Scott Purdum wrote letters to his mother suggesting that dedicated space in the airport be provided for service members to rest and help boost their morale. He encouraged his mother Maggie to pursue creation of such a place. Sadly, Petty Officer Purdum was killed in a plane crash at the Da Nang Air Base in March 1970. Channeling her grief into action, Maggie started working with airport authorities to make her son's dream a reality for current and future members of the U.S. Armed Forces. She was

granted 600 square feet in a corner of the main floor of the airport, and on November 22, 1970, just four days before Thanksgiving, the doors to the Servicemen's Center were opened for the first time. Those doors have never closed.

The Armed Forces Service Center continues to serve traveling members of the U.S. Armed Forces, family members and veterans 24 hours a day, 7 days a week. With the full co-operation of the Metropolitan Airports Commission, the new space is now located behind security and is double the size of the old center to allow for more bunks, a laundry room, a place to store baggage, and even a children's playroom and a place for nursing mothers. This expansion will allow the Armed Forces Service Center to enhance their mission of "Serving Those Who Serve" as they begin their 50th year of service.

While it is supported by a small staff including Executive Director, Debra Cain, and four part-time employees, the non-profit center is run and staffed by nearly 200 volunteers—many of whom are veterans. One of the volunteers for the very first shift in 1970, Jeanne Morford, continues to serve at the center every Monday evening. Operating independently of any national organization, the center relies solely on donations from the community.

It has been a privilege and honor to support the center for many years as a volunteer and as an auxiliary member of the North Saint Paul VFW Post 1350 American Legion Post 39. I have seen firsthand the impact that center volunteers make providing hospitality to our servicemen and women, veterans and their families.

The success of staff and volunteers has not gone unnoticed. In 2012 the Saint Paul-Minneapolis Airport Armed Forces Service Center was named winner of the Joining Forces Community Challenge and honored at the White House by First Lady Michelle Obama and Dr. Jill Biden as part of their Joining Forces Initiative.

Madam Speaker, please join me in paying tribute to our U.S. Servicemen and women and the selfless volunteers of the Saint Paul-Minneapolis Airport Armed Forces Service Center as they enter a new era of providing excellent hospitality to U.S. servicemen and women, veterans and families.
