

year passed, Sarah's condition had not improved, and the United States Army medically separated her.

I learned of Sarah's condition and I knew her dreams of attending the United States Military Academy at West Point and serving in the Army had come to a close. I reached out to her in late 2017 and offered her an internship in my Carmel District Office and she joined my team in January of 2018. Despite all Sarah has been through, her spirit, smile and laughter lifts up my team each and every day she is in the office. After years of testing, hospital visits, surgeries and medications, Sarah and medical professionals still do not have a full understanding of her illness, symptoms or a pathway for treatment, recovery or for a cure.

Sarah is resilient and strong. I know her illness will not hold her back from accomplishing her new goals and striving for her dreams. Sarah has taught us all to not let the little things bother you, as you never know where life will take you. Life is precious and Sarah is a true inspiration to all of us. She will go on to do many great things after her internship ends and I thank her for her service to the residents of the 5th District of Indiana and to our country. It is with immense hope and great optimism that we look forward to watching Sarah embark on her future endeavors, with her parents Heidi and David by her side.

APPROPRIATIONS BILLS FOR FY
2020, H.R. 1865 AND H.R. 1158

HON. PETER A. DeFAZIO

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 19, 2019

Mr. DeFAZIO. Madam Speaker, this week the House passed two bills that will fund the federal government through Fiscal Year (FY) 2020.

The first package, which I voted in support of, includes a number of provisions which I strongly support.

First, I am proud to have worked in conjunction with Senators MERKLEY and WYDEN as well as Rep. SCHRADER to ensure that this package forgives a multi-million-dollar interest burden owed by Oregon's Pacific groundfish fisheries. This burden was created solely by bureaucratic incompetence, and the inclusion of this provision is a huge win for Oregonians.

The bill also increases funding for programs that hundreds of Oregonians depend upon, such as YouthBuild, JobCorps, and Senior Corps. I led the charge to secure an additional \$13 million above FY 2019 levels for the Senior Corps program, ensuring volunteers earn an increased stipend which will allow them to take hundreds of more dollars home a year. It also increases funding for Pell Grants—easing the way for more people to afford an education. It also included record investments for early childhood education programs, more funding for rural broadband, and a reauthorization of the Secure Rural Schools program through 2020. In addition, it includes the highest funding level for the Land and Water Conservation Fund in 15 years.

The bill makes robust investments to support our nation's veterans, including funding for suicide prevention, homeless assistance programs, rural health initiatives, opioid abuse prevention, and funding for the VA's electronic

health record initiative to ensure our veterans get the care they have earned and deserve.

The package also includes \$25 million for gun violence research at the Centers for Disease Control and Prevention (CDC) and the National Institutes of Health (NIH)—the first time in more than 20 years. The bill secures record-level funding for life-saving healthcare research at the NIH and CDC, and it extends funding for vital community health centers, the National Health Service Corps, and Teaching Health Centers.

Unfortunately, I am deeply disappointed that this bill included a provision that would extend market exclusivity rights to Big Pharma for certain medicines, allowing these companies to price-gouge consumers for longer periods of time without competition from more affordable, generic drugs.

The second appropriations bill also includes a number of provisions that I strongly support, including a 3.1 percent pay raise for both our men and women in uniform and federal civilian employees, as well as robust funding for the STOP School Violence Act, legislation that would give students and teachers the tools they need to help prevent school shootings. It includes increased investment in election security, the National Guard Youth Challenge, the National Science Foundation, and the Census Bureau, so that it can effectively and accurately carry out the 2020 Decennial Census.

I also led the fight to include funding for esophageal cancer research, which I am pleased to report was incorporated into the bill as part of \$110 million for the Department of Defense's Peer-Reviewed Cancer Research Program (PRCRP). I strongly support the robust funding included for numerous other defense health and cancer research programs as well.

Unfortunately, despite including provisions I strongly support, I voted against this second bill because it also contains several objectionable provisions.

For example, this bill once again increases funding for an already-bloated Pentagon budget, including a massive increase to the Pentagon's Overseas Contingency Operations (OCO) account—a fiscally irresponsible slush fund that is not counted in the budget, has no congressional oversight, and gives a blank check to fund endless wars that Congress hasn't authorized. For years, Congress has continued to increase the Pentagon's budget despite overwhelming evidence of its waste and abuse of taxpayer money. I believe this legislation could have made responsible cuts to our defense budget without jeopardizing the safety of our troops, preventing a pay increase, or undermining our national security.

I am also extremely disappointed that this final bill stripped out a repeal of the 2001 Authorization for the Use of Military Force and a provision to block funding for the U.S.'s involvement in the Saudi-led coalition's involvement in Yemen's civil war—both of which were included in the House-passed defense appropriations bill earlier this year. This is yet another example of Congress abdicating its constitutional authority to finally put a stop to the endless wars that have cost countless lives and taxpayer money.

This legislation fails to effectively check the Department of Homeland Security's border policies and spending. The bill includes funding for President Trump's wasteful and ineffec-

tive border wall, lacks appropriate restrictions to prevent the Trump administration from raiding funds from other agencies to spend on immigration detention and the wall, and does virtually nothing to provide necessary oversight against enforcement-only immigration policies.

The Trump administration's policies have resulted in cruel family separations, record levels of detained immigrants, especially children, in cruel conditions, and the death of at least two dozen immigrants while in federal custody. Instead of enacting strong, enforceable oversight mechanisms, this bill largely maintains the status quo. That is unacceptable. Congress needs to be a check against the executive branch's authority.

For these reasons, I opposed this second appropriations package. I will continue to fight against Republican efforts to hand billions of dollars in taxpayer money to a bloated and wasteful Pentagon and work to rein in the Trump administration's cruel enforcement-only immigration agenda.

HONORING THE LEGACY OF THE
USS PITTSBURGH (SSN-720)**HON. GUY RESCENTIALER**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 19, 2019

Mr. RESCENTIALER. Madam Speaker, I rise today to recognize the legacy, veterans, and service members of the USS *Pittsburgh* (SSN-720), a fast-attack Los Angeles Class Submarine. Next month, the USS *Pittsburgh* (SSN-720) will be decommissioned in Bremerton, Washington after 35 years of service in the United States Navy.

The USS *Pittsburgh* (SSN-720) was laid down in April 1983 and commissioned in November 1985. In April 1991, the USS *Pittsburgh* (SSN-720) and USS *Louisville* (SSN-724) launched Tomahawk missiles against Iraq during Operation Desert Storm.

Years later, in 2002, the ship departed for the Mediterranean Sea and participated in Operation Iraqi Freedom. Retired Captain Mark Breor, then Commander of Submarine Squadron 2, stated of the submarine and crew, "USS *Pittsburgh* (SSN-720) provided persistent intelligence, surveillance and reconnaissance to the joint commanders. The products of these very successful and difficult missions were converted into a full array of sea-strike options, which included a 16 Tomahawk strike by USS *Pittsburgh*."

In November 2017, USS *Pittsburgh* completed its 1,000th dive, a milestone few submarines reach in service. Earlier this year, the USS *Pittsburgh* (SSN-720) returned to its homeport, Naval Submarine Base New London, after its final deployment.

The USS *Pittsburgh* (SSN-720) is the fourth ship to bear the name of a great city that helped build America. Pittsburgh leads the nation in health care, technology innovation, and energy industries and dominates athletics with numerous professional championships. I am proud to represent southwestern Pennsylvania in Congress, and I am thankful for the service of these great sailors aboard the USS *Pittsburgh* (SSN-720).

IMPEACHING DONALD JOHN
TRUMP, PRESIDENT OF THE
UNITED STATES, FOR HIGH
CRIMES AND MISDEMEANORS

SPEECH OF

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, December 18, 2019

Mr. VISCLOSKY. Madam Speaker, I rise in support of two articles of impeachment—one regarding abuse of power and one regarding obstruction of Congress—against President Trump.

I decided to support the President's impeachment after a judicious consideration of the facts established by the House Permanent Select Committee on Intelligence (HPSCI) and the House Committee on the Judiciary, as well as reflecting upon my constitutional responsibilities as a Member of Congress.

I would note that the constitutional remedy for high crimes and misdemeanors—such as

abuse of power—is impeachment. Regrettably, the President's severe misconduct with respect to Ukraine showed a complete disregard for our Constitution, our democratic system of government, and the security of our nation and our allies. The President left the House with little choice but to faithfully discharge its duty.

As the Chairman of the House Appropriations Subcommittee on Defense, I believe that it is unconscionable that an American leader would use nearly \$400 million in military aid appropriated by Congress—and signed into law by the President himself—as leverage for personal gain.

There are fundamental reasons why U.S. law provided these desperately needed funds to Ukraine. I would emphasize that, in 2014, Russia invaded Ukraine and illegally annexed the Ukrainian territory of Crimea while Russian-backed separatist forces seized control of key cities in eastern Ukraine. The fighting in eastern Ukraine continues to this day and has killed more than 13,000 Ukrainians while forcibly displacing more than two million individuals.

Additionally, the impeachment reports issued by the HPSCI and the House Committee on the Judiciary present an irrefutable case that the President's behavior constituted an ongoing threat to a free and fair Presidential election in 2020.

Further, I believe that the President's refusal to comply with the impeachment inquiry is representative of his broader contempt for Congress and its constitutional role as a separate and coequal branch of government. Congress must continue to work diligently to protect and fully exert its complete range of constitutional prerogatives and maintain the balance of power that has existed for 231 years.

Finally, I would highlight that the administration's complete repudiation of constitutionally-prescribed legislative authorities stands in stark contrast to the courage and patriotism demonstrated by the whistleblower who filed a formal complaint with the Intelligence Community's Inspector General, as well as the public servants who testified before the House. These individuals deserve our utmost respect and gratitude.

As the Senate moves forward with a trial to determine whether to convict the President of impeachable offenses, be assured that I will continue to work hard to address the pressing needs of our nation's citizens, from creating more opportunities for good-paying jobs to decreasing the cost of prescription drugs.

The 2019 team joins a long legacy of Bishop Guilfoyle Football excellence. During the past six seasons, the Marauders have reached the State Championship game four times.

As a former captain of the Bishop Guilfoyle Football Team and a proud alumnus, I congratulate these students and their coaches on a successful season, and I wish them every continued success both on and off the field.

RECOGNIZING CHYANNE THOMAS
AS CONSTITUENT OF THE MONTH**HON. MIKE LEVIN**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 19, 2019

Mr. LEVIN of California. Madam Speaker, this Holiday season, I am proud to recognize Chyanne Thomas, a postal worker from Vista, as my Constituent of the Month. Chyanne is a hero for two children, their families, and our entire community. Chyanne's vigilance while on her regular delivery route resulted in the identification of two children who had been reported missing. Her quick and caring response allowed these two local children to be safely reunited with their concerned families.

When Chyanne spotted Abby, a 15-year-old with autism, she sprang into action. She used the skills she had learned in a previous job working with children with disabilities to keep Abby calm and safe until police arrived. Two weeks later, Chyanne saw a missing 4-year-old girl alone during her route, and didn't hesitate to approach her and make sure she was okay until police and her parents arrived. Without Chyanne's awareness, compassion, and quick action, these two kids might still be missing.

While Chyanne's action to save those children is extraordinary, I also want to recognize the incredible pressure all postal workers and delivery drivers are under during the Holiday season. They endure exhausting hours, grueling weather, and much more to ensure that families have their gifts before the Holidays. Much of their work is taken for granted on a daily basis, but the Holidays would not be the same without their dedication, I am extremely grateful for their service.

I launched a Constituent of the Month to recognize individuals in the 49th District who have gone above and beyond to help their neighbors and support our community. I know
