

he has spearheaded public and government relations efforts in the DMV area. Kurt has been named Legislative Chairman of the Maryland Impaired Driving Coalition, an appointee by the Governor to the Virginia's Task Force to Combat the Influence of Drugs and Alcohol and has served on multiple boards and associations.

Among his many duties, Kurt oversees the SoberRide Program which provides free and discounted rides home during the holidays. This program is considered one of the most successful programs of its kind in the nation. Kurt has Chaired the Checkpoint Strikeforce for the last 18 years, working with local and state law enforcement to get impaired drivers off the roads. WRAP also has aggressive outreach programs for adults as well as youth and provides multi-media presentations and school resource guides.

In recognition of his years of service and dedication, Kurt has received numerous awards including the 2014 Kevin Quinlan Award, the 2008 Metropolitan Police Department's Chief of Police Special Award, the MADD—Chesapeake Region Community Champion Award, and the National Highway Safety Administration's Public Service Award. Under his leadership, WRAP has also earned multiple honors including the 2019 Peter O'Rourke Special Achievement Award from the Governors Highway Safety Association and the Virginia Governor's Transportation Safety Award.

While Kurt has been publicly lauded by local, state, and national organizations and received many awards, I believe that his most precious possession is the knowledge of the countless people who have been kept safe and the tragedies that have been prevented through his efforts. Since its inception in 1991, nearly 79,000 safe rides home have been provided by SoberRide, the vast majority occurring during Kurt's tenure. It is not possible to know how many possible injuries or deaths have been prevented, but these unknown potential victims all owe a deep debt of gratitude to Kurt and WRAP.

Madam Speaker, for two decades Kurt Erickson has played an integral role in the effort to eliminate impaired driving and underage drinking. I ask my colleagues to join me in congratulating Kurt on his 20th Anniversary with WRAP and in thanking him for his tireless advocacy and unending efforts to keep our roads and our residents safe.

Mr. DUNN. Madam Speaker, I rise today to recognize Jake and Tiffany Sache of Levy County, Florida for their dedication to the agriculture industry.

Jake and Tiffany raise beef cattle and harvest hay and grass seed on several farms throughout Levy and Gilchrist counties. They understand the importance of land conservation and have been recognized on numerous occasions for their outstanding conservation practices on their farm land.

Their commitment to agriculture production extends beyond their farm and into the com-

During Florida Farm Bureau's annual meeting this past October, they received the highest statewide honor for agriculture producers known as the Achievement in Agriculture Award. I thank Jake and Tiffany Sache for choosing a career path and lifestyle that sustains our economy and puts food on the table.

SMALL AIRPORT MOTHERS' ROOMS ACT OF 2019

SPEECH OF

HON. CAROL D. MILLER

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Monday, December 16, 2019

Mrs. MILLER. Mr. Speaker, I rise today to ask for support for my bill, H.R. 3362, the Small Airport Mothers' Room Act of 2019.

Travelling with infants, while rewarding, can often be stressful on new mothers. This legislation helps lessen this anxiety and allows for mothers to have a quiet, private space to care for their young ones.

As air travel continues to be one of the most preferred and popular means of transportation, we need to make sure that airport infrastructure is properly updated to fit not only the needs of American mothers but American families as well.

H.R. 3362 would require small hub airports to construct mothers' rooms, which are areas where mothers can nurse their children in privacy.

The FAA Reauthorization Act of 2018 required all large and medium hub airports to construct mothers' rooms by 2021. My bill would help fill the remaining gap and similarly require small hub airports to install mothers' room, extending this coverage to 97 percent of all travelers.

Thank you to Chairman DEFAZIO, Ranking Member GRAVES and my colleagues on the Transportation and Infrastructure Committee for their support on my bill.

I would also like to express my gratitude to the T&I Committee staff for their assistance with this legislation.

I urge all of my colleagues to support H.R. 3362.

HONORING SARAH E. NAKATA

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 19, 2019

Mrs. BROOKS of Indiana. Madam Speaker, I rise today to honor my Carmel District Office

intern, Sarah E. Nakata for her work and service to the citizens of the 5th District of Indiana. Sarah has the spirit of a giver, the strength of a fighter and a heart of gold. She truly is an inspiration to all of us and I am proud to have her as a part of my team. The first time I met Sarah, I was presenting her an offer of appointment to the prestigious United States Military Academy at West Point during my second year as a Member of Congress in 2014. Her dream was to serve our nation in the United States Army and on that day, her dream became a reality.

While Sarah attended high school at Covenant Christian in Indianapolis, she thrived inside and outside of the classroom both academically and athletically. She was a part of the Rifle Team, Rocket Team, Math Club, a member of the National Honor Society, attended NASA Explorer School and participated in band and pep band. Sarah was a tutor for English, Math, Science, and Spanish, all while volunteering her time at English as a Second Language classes as well as at the National Rifle Association's National Rifle Matches. She graduated high school with a 4.3 GPA and ranked first in her graduating class. She had a love for science, space, and mathematics but her true passion was rifle shooting.

While on the Rifle Team at Covenant Christian High School, Sarah earned nine state titles, three national junior titles and served as a team captain. She was an Indiana Rifle State Champion in 2011 and 2012 through the Indiana State Rifle and Pistol Association. She joined the USA Shooting Team and was a National Junior Olympic Rifle Championship qualifier and participant in 2012 and 2013. Sarah was named the National Metric Grand Aggregate Prone and Position Intermediate Junior Champion in 2012 by the National Rifle Association and was National Metric Iron Sight Position Junior Champion in 2013. These achievements caught the attention of multiple colleges and educational institutions, including the United States Military Academy at West Point. Sarah was recruited for her skills in rifle shooting and received a Letter of Assurance from the academy. The last thing she needed in order to attend was a congressional or presidential nomination.

As she was finishing her time at Covenant Christian High School, Sarah started the application process to attend the United States Military Academy at West Point through my office. As many know, it is no easy feat to be accepted into an academy and it takes hard work, dedication and commitment, which is exactly what Sarah had. These academies have the best and brightest students and Sarah was among those ranks. In the spring of 2014, Sarah received a congressional nomination from my office and on May 1, 2014, I presented her with an offer of appointment. Sarah reported to duty as a cadet at West Point in June of 2014 to begin her Plebe year.

During the summer between Sarah's sophomore and junior year in June of 2016, she began to have abdominal pains and severe nausea while participating in summer training. Several days passed and Sarah continued to feel sick, was unable to digest food, and developed chronic dehydration. She was flown to Walter Reed National Military Medical Center in Bethesda, Maryland. Sarah was diagnosed with severe gastroparesis, preventing her stomach from appropriately digesting food. A
