

Ludwig Joseph Maria of Austria, the heir presumptive of the throne of Austria-Hungary in 1914, which set in motion the Great War.

The decision to send American men and women into harm's way is the most consequential decision the Constitution vests in the President and the Congress.

That is why the Administration must consult with and seek and secure from Congress authorization to use military force (AUMF) against Iran.

Any vote on an AUMF for engagement with Iran must be preceded by meaningful, substantive, and thoughtful dialogue and robust debate.

Members of Congress must be apprised of all facts material to the decision and have access to relevant documentation, classified and otherwise, and afforded the opportunity to meet in small groups and in secure locations with senior members of the Administration's national security team who can answer detailed and pointed questions and provide requested information.

The Constitution wisely divides the responsibility of deciding when to use military force to protect the nation and its interests between the President and the Congress, the representatives of the American people.

The war in Iraq taught this nation the importance of having accurate and reliable information when deciding whether to use military force and the painful costs in lives and treasure of acting precipitously.

We cannot and dare not repeat that mistake.

That is why it is essential that all Members of Congress have access to the relevant information and the responsible Administration officials before any vote to authorize the use of military force be scheduled.

REMEMBERING LISA POWERS
COOPER

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 7, 2020

Mr. COHEN. Madam Speaker, I rise today to pay a heartfelt tribute to Lisa Powers Co-

per, wife of my good friend and former Tennessee State Senator Jerry Cooper, who died last Friday at her home in McMinnville. As chief of the Consumer Services Division of the Tennessee Public Utilities Commission since 2009, Lisa Cooper showed her dedication to public service. As a law student over seven years, she showed her perseverance, graduating from the Nashville School of Law in 2009 while working full time. But as the inseparable wife of Jerry, she showed the kind of love and support that inspired all of us who knew them. Their marriage was bigger than the sum of its parts and showed that two really can become one. As a valued friend, Lisa was always supportive of me when I served in the state Senate and since I have been in Congress. She often offered wise counsel over the phone, but also sent her love and prayers. A graduate of Trevecca Nazarene University, Lisa worked in government relations before going into state government, all while raising a family and doting on her grandchildren. I want to express my deep condolences to Jerry; Lisa's parents, Larry Powers, Sr. and Linda Pritchett; her daughter Holly and her husband Ward Bushart of Nashville; stepdaughters and their spouses Elisa and Barry Luna, Sally and Mike Pack and Faith and Chase McGee; her grandchildren; her extended family and her many, many dear friends and colleagues. She lived a good, virtuous and remarkable life and will be missed.

RECOGNIZING CHYANNE THOMAS
AS CONSTITUENT OF THE MONTH

HON. MIKE LEVIN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 7, 2020

Mr. LEVIN of California. Madam Speaker, this Holiday season, I am proud to recognize Chyanne Thomas, a postal worker from Vista, as my Constituent of the Month. Chyanne is a hero for two children, their families, and our entire community.

Chyanne's vigilance while on her regular delivery route resulted in the identification of two children who had been reported missing. Her quick and caring response allowed these two local children to be safely reunited with their concerned families.

When Chyanne spotted Abby, a 15-year-old with autism, she sprang into action. She used the skills she had learned in a previous job working with children with disabilities to keep Abby calm and safe until police arrived. Two weeks later, Chyanne saw a missing 4-year-old girl alone during her route and didn't hesitate to approach her and make sure she was okay until police and her parents arrived. Without Chyanne's awareness, compassion, and quick action, these two kids might still be missing.

I launched a Constituent of the Month to recognize individuals in the 49th District who have gone above and beyond to help their neighbors and support our community. I know the families of those two missing children would agree that Chyanne is well-deserving of this recognition. I am proud to recognize her as my Constituent of the Month.

INTRODUCTION OF THE ENSURING
CHILD HEALTH COVERAGE COM-
PENSATION IN DIVORCE ACT OF
2019

HON. ELEANOR HOLMES NORTON

OF THE DISTRICT OF COLUMBIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 7, 2020

Ms. NORTON. Madam Speaker, today, I introduce the Ensuring Child Health Coverage Compensation in Divorce Act of 2019. This bill would require that when a court directs a non-custodial parent (including a stepparent) to provide health insurance to a child, the other parent can get reimbursed directly from the insurer for any out-of-pocket medical expenses for the child incurred by such parent, regardless of the source of insurance.

Typically in a divorce, one parent is court-ordered to provide health insurance for the child to prevent the child from going uninsured. However, the other parent may pay for out-of-pocket medical expenses for the child that are reimbursable by the insurer. Under the Employee Retirement Income Security Act of 1974, group health insurers are required to directly reimburse a parent who pays for reimbursable out-of-pocket medical expenses when the other parent has been court-ordered to provide health insurance for the child. However, other health insurers are not required to directly reimburse the other parent.

This bill would provide the same requirements for all health insurers to ensure that the parent who pays for the out-of-pocket medical expenses is reimbursed.

I strongly urge my colleagues to support this bill.

HONORING THE SERVICE OF MAS-
TER SERGEANT DOUGLAS
WONACOTT

HON. MARK E. GREEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 7, 2020

Mr. GREEN of Tennessee. Madam Speaker, I rise today to honor the service of Master Sergeant Douglas Wonacott of the U.S. Army's 160th Special Operations Aviation Regiment (Airborne).

MSG Wonacott enlisted in the United States Army in 2000 and he has served with great honor and distinction in the 160th Special Operations Aviation Regiment (Airborne) throughout his entire career. As a special operations flight medic with the famed Night Stalkers, MSG Wonacott provided life-saving medical treatment for scores of U.S. soldiers who were wounded in combat operations. Time and again he demonstrated peerless courage under enemy fire as he sought to provide emergency care for the wounded—even when a helicopter he was providing medical care on was shot down by enemy fire in Iraq.

MSG Wonacott served with distinction and valor in the War on Terror, with over a dozen deployments to Iraq in a decade of conflict, as well two deployments to Afghanistan in Operation Enduring Freedom. In the course of his deployments, MSG Wonacott took part in Operation Red Dawn, a crucial mission which culminated in the capture of Iraqi dictator Saddam Hussein.

In 2013, MSG Wonacott was named the Regiment Operation Assessment Element flight medic, and in 2016 he was selected as the Regiment Senior Medic. As the senior medic of the 160th SOAR, he supervised the regiment's special operations flight medics, medical officers, and physicians' assistants, and he has consistently gone above and beyond to ensure that the soldiers of the unit have access to the physical and mental care that they need. His merit and courage bring great credit to the United States Army, and I am honored to have served alongside him.

Among his many awards and citations, MSG Wonacott has received two Distinguished Flying Crosses, a Bronze Star Medal, a Purple Heart, a Meritorious Service Medal, and two Air Medals. On behalf of the United States Congress, I commend MSG Wonacott for his faithful and patriotic service to our nation, and I congratulate him on the occasion of his well-earned retirement from active duty.

Ms. HERRERA BEUTLER. Madam Speaker, I rise to express my strong support of the pro-life amicus brief filed by 207 of my colleagues with the U.S. Supreme Court relating to June Medical Services, LLC v. Gee. I affirm my full support for the brief. My record shows consistent support for life at all stages, and that has not and will not change.

Coach Eckenrode not only stands out for his winning record, but also his dedicated service and leadership as he teaches his team what it takes to succeed both on and off the court. It is my pleasure to congratulate fellow Bishop Guilfoyle High School graduate Gerry Eckenrode on this honor, and I wish the Eckenrode Family continued success.

HUMAN TRAFFICKING AWARENESS MONTH

HON. LOIS FRANKEL

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 7, 2020

Ms. FRANKEL. Madam Speaker, I rise today to bring attention to Human Trafficking Awareness Month, which serves as an opportunity to reaffirm our country's commitment to preventing trafficking and supporting victims. I would also like to express my sincere gratitude to the Human Trafficking Coalition of the Palm Beaches for their tireless efforts to educate community members, build trust, and restore hope for survivors.

Over 40 million people worldwide are impacted by human trafficking. Unfortunately, my home state of Florida ranks third in the nation for reported cases. While many victims face challenges finding appropriate services, early intervention empowers victims and provides a pathway to recovery. Human Trafficking Awareness Month is a time to ensure that victims of this horrific crime are offered accessible and appropriate services in the aftermath of being trafficked.

I would like to thank all the advocates, victim service providers, and criminal justice professionals committed to improving our response to all human trafficking victims and helping them find the support, justice, and peace they need.

HONORING THE TOWN OF BEEKMANTOWN ON THE BICENTENNIAL ANNIVERSARY OF ITS FORMATION

HON. ELISE M. STEFANK

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 7, 2020

Ms. STEFANK. Madam Speaker, I rise today on behalf of the residents of the Town of Beekmantown, New York as they celebrate the Bicentennial anniversary of the town's formation.

The land that would become Beekmantown was first settled around 1783 and is located five miles north of the City of Plattsburgh, in Clinton County. The town was officially formed in 1820 and was named after one of the original landowners. In 1814, just prior to its formation, the area was the scene of skirmishes between American and British forces at the battle of Culver Hill during the War of 1812. Beekmantown's oldest monument is the Point au Roche Lighthouse which was built in 1858 as commerce through Lake Champlain expanded. Many other historic sites fill this picturesque community, highlighting the rich historical legacy of the North Country.

To this day, Beekmantown remains a vibrant and beautiful community that exemplifies the best qualities of the North Country and our Nation as a whole. On behalf of New York's 21st Congressional District, I want to congratulate the residents of Beekmantown on this momentous occasion. It has been an honor to represent this community and I know that its future looks bright.
