

I thank my colleagues on the Energy and Commerce Committee for their work on this, and I urge all of my colleagues to support the underlying legislation.

Mr. LATTI. Madam Speaker, I yield 1 minute to the gentleman from North Dakota (Mr. ARMSTRONG).

Mr. ARMSTRONG. Madam Speaker, I thank the gentleman for yielding. I rise today in support of H.R. 4500, the Promoting United States Wireless Leadership Act.

American companies have time and again proven themselves as global leaders in developing and deploying new technology. To ensure we maintain our competitive edge and advance future wireless capabilities, the government must work with the private sector to position the U.S. as a global leader in the development of 5G standards.

H.R. 4500 fosters this relationship by encouraging companies and other stakeholders to participate in international standards-setting bodies while also offering technical assistance to participants.

With China seeking to erode our technical advantage at every turn, it is more important than ever to promote American leadership and innovation in our telecommunications networks.

I thank Mr. WALBERG, Mrs. DINGELL, and Mrs. BROOKS for sponsoring this important legislation.

Mr. LATTI. Madam Speaker, I yield myself the balance of my time.

It is absolutely important that the United States develop these standards so that we can stay at the top of 5G deployment. As I mentioned in the earlier bill, we want to make sure that 5G is out there to support everyone across the United States. Because of that, we have to make sure that we have these standards in place.

Madam Speaker, I urge support of this legislation, and I yield back the balance of my time.

Mr. MICHAEL F. DOYLE of Pennsylvania. Madam Speaker, I yield myself the balance of my time.

Madam Speaker, this is a good bill. I urge all of my colleagues to support it. I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Pennsylvania (Mr. MICHAEL F. DOYLE) that the House suspend the rules and pass the bill, H.R. 4500, as amended.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.
