

EXTENSIONS OF REMARKS

ANNOUNCEMENT OF THE 2020 CONGRESS-BUNDESTAG/BUNDESRAT EXCHANGE

HON. NANCY PELOSI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Ms. PELOSI. Madam Speaker, since 1983, the U.S. Congress House and Senate and the German Bundestag and Bundesrat have conducted an annual exchange program for staff members from both countries. The program gives professional staff the opportunity to observe and learn about each other's political institutions and interact on issues of mutual interest.

A staff delegation from the U.S. Congress will be selected to visit Germany from Friday, May 22–Sunday, May 31, 2020. During this exchange, the delegation will attend meetings with Bundestag/Bundesrat party staff members, and representatives of numerous political, business, academic and media agencies.

A comparable delegation of German staff members will visit the United States from Saturday, June 20–Sunday, June 27, 2020. They will attend similar meetings in Washington.

The Congress-Bundestag/Bundesrat Exchange is highly regarded in Germany and the United States and is one of several exchange programs sponsored by public and private institutions in the United States and Germany to foster better understanding of the politics and policies of both countries. This exchange is funded by the U.S. Department of State's Bureau of Educational and Cultural Affairs.

The U.S. delegation should consist of experienced and accomplished Hill staff who can contribute to the success of the exchange on both sides of the Atlantic. The Bundestag reciprocates by sending senior staff professionals to the United States.

Applicants should have a demonstrable interest in events in Europe. Applicants need not be working in the field of foreign affairs, although such a background can be helpful. The composite U.S. delegation should exhibit a range of expertise in issues of mutual concern to the United States and Germany such as, but not limited to, trade, security, the environment, economic development, health care, and other social policy issues. This year's delegation should be familiar with transatlantic relations within the context of recent world events.

Please note that there is a significant time commitment aspect for those selected for the program. In addition, U.S. participants are expected to plan and implement the meetings and programs for the Bundestag/Bundesrat staff members when they visit the United States.

Members of the House and Senate who would like a member of their staff to apply for participation in this year's program should direct them to submit a resume and cover letter in which they state their qualifications, the contributions they can make to a successful

program and some assurances of their ability to participate during the time stated.

Applications should be sent to the Office of Interparliamentary Affairs, HC-4, the Capitol, by 5 p.m. on Wednesday, February 26. Questions may be directed to Ms. Kate Knudson at 202-226-1766.

CONGRATULATIONS TO COACH MARK ROBERTS

HON. JOE NEGUSE

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. NEGUSE. Madam Speaker, as a source of inspiration and drive for every student who walks onto his track, Colorado's Lyons High School Head Cross Country Coach Mark Roberts is a prime example of the kind of coach we all hope our children have. I am so proud that his many years of tireless work at Lyons High is being honored by his induction into the Colorado High School Coaches Association Hall of Fame this March.

Raised in Colorado and a runner himself since high school, Coach Roberts is well-known throughout Colorado's running community and has expertly coached countless track and field students to victory. During Coach Roberts tenure, the Lyons boys and girls cross country and track and field teams won a combined 18 state championships and were runners-up an equal number of times. In 2013 alone, the Lyons High boys runners placed first, second and third to record the only perfect team score in state history. This past fall, Lyons also won every possible championship—boys and girls individual titles, as well as boys and girls team titles—joining just one other school as the first to do so since 1995.

In addition to his clear talent for coaching students to victory, Coach Roberts has also been the meet director for the St. Vrain Invitational track and St. Vrain Invitational cross country meets. These are two of the largest meets in Colorado and Coach Roberts has added innovative and exciting components to them, to not only inspire the participating athletes, but also to ensure these events are engaging for families and, truly, our entire community.

Coach Roberts is clearly an irreplaceable asset to the running and sports communities throughout Colorado and to every student athlete he serves, and his induction into the Colorado High School Coaches Association Hall of Fame is very well earned. Colorado's 2nd Congressional District and our entire state send our congratulations to Coach Roberts and wish him and the Lyons team continued victory on the field.

HONORING THE 112TH ANNIVERSARY OF ALPHA KAPPA ALPHA SORORITY

HON. RASHIDA TLAI

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Ms. TLAIB. Madam Speaker, I rise today in tribute to Alpha Kappa Alpha Sorority, the oldest Greek-letter organization established by African American college-educated women in the United States, on its one hundred twelfth anniversary.

Founded in 1908 on the campus of Howard University in Washington, D.C., Alpha Kappa Alpha's sisterhood has grown to more than one thousand chapters worldwide with more than seventy-five thousand members strong. Michigan alone is home to more than thirty chapters, several of which serve the Wayne County and metropolitan Detroit regions. Alpha Kappa Alpha was founded with a goal of bringing like-minded women together to uplift each other, using their bond, strengths, and passions to benefit others. This sisterhood has created a vast network of sisters in service who work on countless community projects each year. The sisters of Alpha Kappa Alpha have focused their efforts to uplift the most vulnerable and impoverished individuals and advancing human and civil rights everywhere.

Please join me in recognizing Alpha Kappa Alpha on this outstanding milestone as we wish them many more years to come.

IN RECOGNITION OF SCHOOLS IN CALIFORNIA'S 39TH DISTRICT SELECTED AS 2020 CALIFORNIA DISTINGUISHED SCHOOLS

HON. GILBERT RAY CISNEROS, JR.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. CISNEROS. Madam Speaker, it is with great pride that I rise today to honor and congratulate ten elementary schools in California's 39th District for their selection as 2020 California Distinguished Schools. The California Distinguished Schools Program is a component of the California School Recognition Program and serves to recognize schools that demonstrate outstanding education programs and practices. Schools awarded with this distinction hold the Distinguished School title for two years. This year, eligible elementary schools in the State of California were identified through a multiple measures accountability system that examines performance and progress on state indicators specified on the California School Dashboard. Schools were identified and selected within two distinct categories: Closing the Achievement Gap and Exceptional Student Performance.

Elementary schools in California's 39th District awarded this distinction include: Acacia

Elementary School (Fullerton School District), Blandford Elementary School (Rowland Unified School District), Buena Terra Elementary School (Centralia Elementary School District), George B. Miller Elementary School (Centralia Elementary School District), Golden Elementary School (Placentia-Yorba Linda Unified School District), Killian Elementary School (Rowland Unified School District), Laguna Road Elementary School (Fullerton School District), Mesa Robles School (Hacienda La Puente Unified School District), Robert C. Fisler School (Fullerton School District), and Wedgeworth Elementary School (Hacienda La Puente Unified School District).

As California Distinguished Schools, these institutions set the standard for an immersive educational climate bound by a student-driven learning philosophy. Exceptional student achievement in each school is a testament to the efforts made by educators to realign pedagogical practices to allow for student empowerment and engagement. This relies on a comprehensive platform that supplements the breadth of academic rigor with collaboration and social support. Through programs ranging from dual immersion to positive behavior intervention, these schools reconcile differences in theory and praxis to close achievement gaps and instill traits vital to academic success. What results is a seamless integration between teacher guidance and student participation. It is this attunement to the holistic well-being of each student that sets Distinguished Schools apart.

As a strong believer in education and its life-changing advantages, there is nothing more pleasing than knowing that the community I serve is paving a brighter road for the academic future of California's youth. I am proud of the tireless efforts made by parents, teachers, administrators, and staff to advance a scholastic agenda that rewards integrated educational experiences. Madam Speaker, I ask that you and my honorable colleagues join me in congratulating these ten California Distinguished Schools for this tremendous achievement in the world of education. I am wholeheartedly assured in their ability to guide and leave a lasting impact on the students of California's 39th District.

HONORING LIEUTENANT COLONEL
(LTC) RYAN NENANBER

HON. DUSTY JOHNSON

OF SOUTH DAKOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. JOHNSON of South Dakota. Madam Speaker, I rise today to recognize and honor Lieutenant Colonel (LTC) Ryan Nenanber for his retirement from the United States Army after over 20 years of service.

LTC Nenanber's record of service with the U.S. Army is truly outstanding. He began his career in 2000 when he was stationed in Ft. Wainwright, Alaska and served as an Anti-Tank Platoon Leader, Rifle Platoon Leader, Company Executive Officer, and Battalion Assistant Operations Officer. LTC Nenanber then served as a Special Forces Operational Detachment ALPHA Commander and an Advanced Operational Base Executive Officer in Fort Lewis, Washington. He spent time teaching our next generation of servicemembers at

the U.S. Military Academy, and then was assigned to the U.S. Army North as a Strategic Intelligence Officer. LTC Nenanber has been deployed to Iraq, Afghanistan, and multiple locations in Asia. Currently, LTC Nenanber is the Chief of the Functional Training Branch at the United States Army Intelligence Center of Excellence.

I want to specifically recognize LTC Nenanber's leadership when he commanded an Operational Detachment ALPHA team that captured the leaders of an Al-Qaeda affiliated cell north of Baghdad, Iraq that used young boys as suicide bombers. Through their brave actions, LTC Nenanber and his team saved countless young boys—many thought to be orphans—from certain death, and prevented the execution of many disastrous suicide bombings.

Originally from Belle Fourche, LTC Nenanber is a native South Dakotan and I am proud to have such an exceptional servicemember call South Dakota home. Our state and country are better because of citizens like him. I thank LTC Nenanber and his family for their tremendous sacrifice, and I extend my deepest congratulations for his retirement.

COMMEMORATING JOE BURROW
WINNING THE 2019 HEISMAN MEMORIAL TROPHY

HON. STEVE SCALISE

OF LOUISIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. SCALISE. Madam Speaker, I rise today to congratulate Louisiana State University's quarterback, Joe Burrow, for winning the Heisman Memorial Trophy. As the most prestigious award in college football, this honor is afforded to the most outstanding player who has exhibited excellence and integrity both on and off the field. Through hard work and dedication, Joe has exemplified these qualities, and there is no other college athlete more deserving of this award.

On December 14, 2019, Joe became the first LSU player since Billy Cannon to win the Heisman, shattering previous voting records and receiving the highest percentage of first place votes. Breaking national and SEC records, Joe passed for 4,715 yards and 48 touchdowns during the regular season, completing a college football record 77.9 percent of his passes. Joe's historic season led LSU to its first SEC Championship since 2011 and a berth in the College Football Playoff.

Originally from Athens, Ohio, Joe Burrow was given the opportunity to play football at LSU by head coach Ed Orgeron. Seizing this opportunity, Joe transformed the LSU offense and overall attitude of the team. His leadership on and off the field has made Louisiana proud, and we are forever grateful for his time at LSU. On behalf of Tiger fans in Louisiana and across the nation, and as a proud LSU alum, I again congratulate Joe on winning the Heisman Trophy, and officially recognize him as an adopted Louisianan. *Geaux Tigers.*

IOWAN OF THE WEEK—DR. MIKE WELLS

HON. CYNTHIA AXNE

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mrs. AXNE. Madam Speaker, I rise today to ask the House of Representatives to join me in recognizing Dr. Mike Wells, Superintendent for the Hamburg Community School District for his effort to create a unique and engaging learning environment for K–8 students in the Hamburg Makerspace Program.

The Makerspace Program and Farm School serving elementary and middle school students in Hamburg, IA has been a major hit with both students and community members. Students have the opportunity to experience immersive learning environments where they gain hands on experience in a number of areas including: embroidery, wood working, culinary arts, screen printing, video game design with virtual reality, book making and so many other amazing programs each Friday for nine weeks.

I had the opportunity to see these students at work, building a house for a family in their community that was hit by devastating flooding in the Spring of 2019. The plan is for a new home to be built each year moving forward and sold to a local family at a below market rate. Dr. Wells brings an amazing learning opportunity for his students and is using it to lift up our community.

Dr. Wells has created an expectation in Hamburg Community Schools where students lead projects and obtain valuable, hands on experience. This includes The Farm School, started up in 2016, which is an effort to introduce hands on, agricultural education experiences through a functioning small farm on school property. This endeavor includes a garden, green house, poultry, and livestock. The students supply the local food pantry fresh produce and eggs year-round. Dr. Wells has made the school the center of the community and is a source of pride and learning for all residents of Hamburg, IA.

It is an honor to commemorate the outstanding achievement of Dr. Wells and his staff in the Hamburg Community School District. I have great respect and admiration for our educators and am particularly thankful for the strong foundation they are giving our kids. As the mother of two boys, I know that a quality education is crucial to success. I hope the well-rounded training and techniques they found successful in the classroom becomes a model for other districts and the country as a whole.

HONORING THE LIFE OF DR.
IVERY DWIGHT CLIFTON

HON. DAVID SCOTT

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. DAVID SCOTT of Georgia. Madam Speaker, I rise today to honor Dr. Ivery Dwight Clifton of Winterville, Georgia, who passed away on January 1, 2020.

Dr. Clifton was born on April 6, 1943, in Oliver, Georgia, to B.J. Clifton and Rosetta Benjamin Clifton. From the beginning, farming was

in his blood. His parents, once sharecroppers, eventually became landowners and young Ivery passionately loved their South Georgia homestead. This reverence for the land and his parents' hard work inspired Dr. Clifton's dedication to agricultural-based research, teaching and administration.

Dr. Clifton graduated from William James High School in 1961. Although his father relied on him to work the farm, his mother encouraged and supported his pursuit of higher education. He enrolled in Tuskegee Institute (University), receiving a B.S. in Agricultural Education in 1965 and an M.S. in Agricultural Economics in 1967. While at Tuskegee, he was active in the R.O.T.C., the yearbook staff, the military honor society (Scabbard and Blade) and worked as a dorm counselor to support his education. He met the love of his life, Patricia Ann Davis, during college. They wed on May 28, 1967, at the Tuskegee Chapel, a beautiful start to their 52-year marriage.

Ivery and Pat's blissful beginnings were abruptly interrupted when he answered the call to serve his country in the Army as a Lieutenant during the Vietnam War. Leaving his first job as an agricultural economist with the Tennessee Valley Authority, he served as an advisor to the South Vietnamese Army, supervised tactical logistics and served as a Quartermaster. The intensity of his battle experiences forever shaped his commitment to civic duty.

After his service in Vietnam, he was employed by the United States Department of Agriculture in Washington, D.C. There, he and his wife welcomed their first-born daughter, Kalisa Nicole. Subsequently, the family moved to Champaign, Illinois, where he earned a Ph.D. in Agricultural Economics in 1976 from the University of Illinois.

Dr. Clifton returned to Georgia, accepting an appointment as an Assistant Professor of Natural Resource Economics at the University of Georgia in Athens in 1976. He advanced through department, college, and university level positions. Notably, Dr. Clifton was the University of Georgia's first African American Dean. He led the College of Agricultural and Environmental Services and his unique leadership skills resulted in an assignment to the Presidential Office as Associate Vice President for Academic Affairs. As his career progressed, the Cliftons were blessed with a second daughter, Kelli Rochelle.

An advocate for diversity, Dr. Clifton served as graduate advisor to students from across the globe. He also championed the Young Scholars Program to develop a pipeline of minority students interested in the field of agriculture. Students described Dr. Clifton as a superb teacher. They noted his systematic use of hands-on experiments, along with excellent lectures and handouts to make the learning of difficult topics easy through his caring personality, effective communication skills and willingness to help individual students succeed whenever necessary.

Throughout his career, Dr. Clifton made significant contributions to the profession of agricultural economics, especially farm production and natural resource economics. Published extensively, his innovative expertise in economic modeling has benefited research literature and the scientific community around the world. His major contributions have advanced state-of-the-art knowledge in understanding the policy implications of controlling

non-point pollution and pricing of farm real estate. His work in developing hedonic pricing functions for farmland has been used to enhance understanding of the operation of real estate markets in the United States, Australia, and Ireland.

Dr. Clifton retired as a Lieutenant Colonel from the U.S. Army Reserves after 27 years of service. After nearly 30 years at the University of Georgia, Dr. Clifton retired in 2003, as Professor Emeritus from the College of Agricultural and Environmental Sciences.

Dr. Clifton was also a dedicated community servant leader. As a 43-year member of the First A.M.E. Church, he served on the Board of Trustees, taught bible study and led the Men's Fellowship. He was a member of Alpha Phi Alpha Fraternity, Incorporated and was a Charter Member of the Delta Psi Chapter of Sigma Pi Phi Fraternity, Incorporated (The Boule'). He was inducted into Leadership Georgia and Gridiron. His service with organizations such as Rotary, The Trust for Public Land, and countless local civic roles cemented friendships that he cherished. Recently, he "unretired," sat for an exam and was appointed as a tax assessor by the Mayor and Commission of Athens-Clarke County Government. In 2016, The University of Illinois presented Dr. Clifton with the Alumni Award of Merit, given annually to graduates who have made significant contributions to their chosen profession.

Madam Speaker, Dr. Clifton's life was defined by his service to his family, to our country, and to our community. He will be forever remembered as a husband, a father, a grandfather, a veteran, an educator, an administrator, a selfless servant, and a great friend.

My wife, Alfredia, and I offer our deepest and heartfelt condolences to the Clifton family. We also lift up the family and friends of Ivery Clifton in our prayers.

CONGRATULATING WHITEHAVEN
HIGH SCHOOL MATH TEACHER
NATHAN KIRSCH

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. COHEN. Madam Speaker, I rise today to congratulate Whitehaven High School math teacher Nathan Kirsch for winning the Milken Educator Award and its \$25,000 honorarium.

Mr. Kirsch was surprised with the award at a school assembly Wednesday morning where the entire student body applauded him for being the only teacher in Tennessee to receive the national distinction which some have called "the Oscar Award for teaching." In accepting the award, Mr. Kirsch called it one "for all of my students," past, current and future. The Whitehaven High School community is rightly proud of this accomplishment.

It is very encouraging that a program known as a powerhouse in athletics is also being recognized for its excellence in academics. Mr. Kirsch embodies both traditions as the coach of the school's cross-country and track teams and for being credited for raising the school's AP Calculus scores.

I also commend Whitehaven High School Principal Vincent Hunter for recognizing the importance of providing excellent educational opportunities across the board. The Milken Award is given to 40 early- and mid-career teachers across the country, often jump-starting careers while inspiring educators and their communities.

I congratulate Mr. Kirsch and all the Whitehaven Tigers on this exceptional achievement.

HONORING MR. ALEX RICHARDSON

HON. ALCEE L. HASTINGS

OF FLORIDA

Alex is known for beating the odds. He grew up without a father and lost his mother to cancer at age four. One of five children, he and his siblings were adopted by Mr. Patrick Hosler, Jr., who mentored him throughout his childhood. Alex played YFL football for his city, and he now coaches other young men and women in four sports. I am delighted that this fine young man lives in my Congressional district. I am confident that he will succeed beyond all expectations at whatever endeavor he chooses to pursue. I wish him all the very best and thank him for his service to our community.

RECOGNIZING JULIUS ("JULIE") P.
KNAPP

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. PALLONE. Madam Speaker, as we consider this critical 5G security and supply chain legislation before us, on behalf of Ranking Member WALDEN, Subcommittee on Communications and Technology Chairman DOYLE, and Subcommittee Ranking Member LATTA, I would like to commend Julius ("Julie") P. Knapp for the wonderful contributions to civil service he has made over his 45 year career.

Mr. Knapp recently retired from his position as the Federal Communications Commission's (FCC) Chief of the Office of Engineering and Technology. He is well known in our Committee because he has testified before us so many times over the years. We could always rely on his technically precise and straight-forward testimony. Mr. Knapp is an internationally-recognized expert who is known for his pragmatic and fair approach, and his ability to explain, in plain language, engineering issues to policymakers on all sides of an issue.

Julie Knapp's career ran in tandem with the growth of the American communications industry. In many ways, it was a symbiotic relationship. He graduated from high school in New Hyde, New York, in 1969, and received his engineering degree from the City College of New York in 1974. Less than a month later, he joined the FCC. At 22 years old, he started out certifying radio frequency devices. He then rose through the ranks to become Chief of the FCC laboratory, then Chief of the Policy and Rules Division for the Office and Engineering and Technology (OET), and finally Chief of OET, where he has served with extraordinary distinction since 2006.

It goes without saying that Julie Knapp could have taken the extraordinary skills he perfected at the FCC to Silicon Valley or to one of the trade associations where his work is so well regarded and appreciated. Instead, he chose to serve the United States through multiple administrations as a public servant, and his longtime contributions will make a positive difference for generations to come.

It's not surprising that Mr. Knapp's outstanding work has brought him numerous awards and accolades within the government and in the engineering community. In 2012, he received one of the highest honors for a civil servant, the Presidential Distinguished Rank Award. He also received the FCC's Gold and Silver awards and the Eugene C. Bowler award for exceptional professionalism and dedication to public service.

Here in Congress, we have been the fortunate beneficiaries of that dedication to public service. He has briefed generations of Members and congressional staffers on the intricacies of how spectrum works and why we need to harness it with careful consideration. He has provided significant and substantial input on all of the spectrum legislation passed by Congress in recent memory.

Mr. Knapp helped usher in the modern age of communications. He played an instrumental role in helping us make spectrum available to fuel our nation's economic and innovative growth. If you are accessing a mobile device right now, using WiFi or buying the latest wire-

less gadget, you are likely benefiting from Julie Knapp's work.

Julie Knapp epitomizes the non-partisan ideal of a public servant. As the leaders of the House Energy and Commerce Committee, we are grateful for his invaluable longtime service to our nation, and extend our sincerest thanks to him for dedicating his life to building America's communications systems.

RECOGNITION OF THE LIFE AND
CAREER OF JIM WEILL

HON. JAMES P. MCGOVERN

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. MCGOVERN. Madam Speaker, I rise today to honor Jim Weill, a dedicated advocate who has spent his 50-year career standing up for what's right, and fighting to end poverty and promote social justice in this country.

As President of the Food Research & Action Center, also known as FRAC, Jim spent the last 22 years as a vital partner in the fight to eliminate hunger—my long-time priority here in Congress.

During this time, he has worked hard to expand programs that are essential to reducing hunger for so many, including SNAP, school lunch and breakfast, after school and summer food programs, child care food, and WIC. He's also been a champion of poverty reduction measures like the refundable Child Tax Credit.

Madam Speaker, Jim's commitment to ending the epidemic of hunger in this country cannot be understated, and is exemplified by his tireless efforts to strengthen the coalition to end it. He not only helped bolster FRAC's network of state and local partners, but he's also launched and nurtured strong new anti-hunger advocacy groups, including in Maryland and the District of Columbia—bringing more allies into this important fight.

His lifetime of advocacy has led him to other prominent roles as well. Early in his career, Jim served as counsel at the Legal Assistance Foundation of Chicago as the Director of Federal Litigation and Social Impact Projects, where he worked on over 100 federal class action and impact cases. This important work helped protect people on Social Security, Medicaid, AFDC, Food Stamps, and other public benefits. He also worked to improve our immigration system and combat discrimination against racial minorities and women.

As if all that weren't enough, Jim spent 16 years as Program Director and General Counsel at the Children's Defense Fund, where he helped safeguard and expand essential programs promoting youth health and well-being. Jim played a leading role in the fight to expand Medicaid and made major contributions to the enactment of several programs to promote youth health like the Children's Health Insurance Program. His leadership on children's rights helped spur child support enforcement reforms as well as the expansion of federal fair housing laws to include families with children.

Madam Speaker, on behalf of the United States Congress and all the people in whose lives Jim has made a positive difference, it is my great privilege and honor to thank and recognize Jim Weill for his tireless efforts to create a more just and equitable world. I'm truly grateful to call him a friend.

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. JOHNSON of South Dakota. Madam Speaker, I rise today to recognize and honor the Sioux Falls Veterans Affairs (VA) Health Care System for achieving a Pathway Designation from the American Nurses Credentialing Center.

HON. LARRY BUCSHON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. BUCSHON. Madam Speaker, I rise today to honor the career of Mayor Joe Wellman upon his retirement. In 1983, Mayor Wellman began his career at People's National Bank in Washington, Indiana. He later became the CEO at Peoples National Bank and served on the bank's board of directors. Once Peoples National Bank merged with German American Bank, Joe continued his

work there before retiring in 2008. After his retirement, Joe spent time as a consultant and served one year with the Federal Deposit Insurance Corporation before being elected as Mayor of Washington in 2011.

Mayor Wellman has been affiliated with many community development organizations, including the Daviess County Community Foundation, Daviess County Economic Development Corporation, Community Foundation Alliance, Accelerating Indiana Municipalities, Indiana Bankers Association, Radius Indiana, and Rotary, among many others.

It has been a pleasure to work with Mayor Wellman while he led Washington through the development of I-69 and many other projects that have increased economic development in the community. I wish Mayor Wellman and his wife, Elaine, the best in retirement as they get to spend more time with their three daughters—Brenda, Angie and Lindsay—and their 7 grandchildren.

CONGRATULATING DAISY PAEZ ON
HER RETIREMENT

HON. NYDIA M. VELÁZQUEZ

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Ms. VELÁZQUEZ. Madam Speaker, I rise today to congratulate Daisy Paez on the occasion of her retirement from the Educational Alliance after 30 years of dedication and service. The Educational Alliance is a non-profit organization established in 1889 serving thousands of Lower East Side residents and New Yorkers.

A life-long resident of the Lower East Side, Daisy's first interaction with the Educational Alliance (EA) was more than three decades ago when she enrolled her children in the early childhood program. Recognizing that a parent is a child's primary teacher, Daisy bravely registered for adult classes. She was encouraged to push herself beyond her circumstances to achieve greater opportunities for herself and her children. With the support of the Educational Alliance, Daisy proudly earned her high school diploma. This achievement empowered her to apply for an employment opportunity at the Education Alliance which hired her. She then furthered her education by taking college classes. These accomplishments emboldened her desire for community service and the betterment of her neighborhood. The Education Alliance provided an opportunity to develop her skills, leadership and helped her build a pathway for economic security for the past 30 years.

Daisy is an amazing role model for women and single parents. She is a strong and effective community advocate. In her capacity on numerous local boards, she has championed issues from demanding enhanced transportation services for seniors, to fighting for increase funding for youth programs and more access to park space.

Today, Daisy is an elected community representative, currently serving as District Leader for NYS's 65th Assembly District, Part B. She is also a member of the 7th Precinct Community Council and a graduate of the NYC Police Department's Citizens Police Academy and the FBI's Citizens' Academy. She works closely with government leaders on behalf of her constituents.

Daisy's commitment and dedication to her community is immeasurable. She has made a remarkable impression at work and in the community through her public service. I know her colleagues and members of the Educational Alliance will deeply miss her guidance, smile and energy.

I congratulate Daisy Paez on her retirement and wish her the very best to her and her family as she enters the next phase of her life.

PERSONAL EXPLANATION

HON. NORMA J. TORRES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mrs. TORRES of California. Madam Speaker, as the mother of an air force veteran, my

heart goes out to every military family right now living on pins and needles over what President Trump set in motion. We still don't know what threat was so dire that President Trump needed to risk a conflict with Iran to kill their second-most powerful leader. What we do know is American lives are our nation's most precious treasure, and this president cannot be trusted to keep us safe. I was unavoidably detained during the vote and regret that I was not able to cast my vote tonight, but I wholeheartedly support the War Powers Act (H. Con. Res. 83) and would have voted in favor of it as reflected in my YEA vote and testimony in the Rules Committee the day prior.

Had I been present, I would have voted: YEA on Roll Call No. 7.

THE U.S.-INDIA ALLIANCE

HON. SCOTT PERRY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. PERRY. Madam Speaker, I rise today to recognize the strong relationship between the

United States and India. Since our two countries established diplomatic relations in 1946 through the 2005 launch of our strategic partnership, the United States and India have had a long and storied history. I thank Ambassador Shringla for his friendship and his deep commitment to maintaining our strong US-India alliance. I wish him the best of luck in his future endeavors.

I stand with India in their aspiration to provide equal economic, social, and political opportunities to all citizens. As part of this pursuit, two-thirds of the Indian Parliament voted last year to change the status of Jammu and Kashmir. This vote allowed the government of India to address the stagnant economy and high youth unemployment plaguing the region by providing economic opportunity and sound governance. The residents of Jammu and Kashmir have battled economic depression and forces of extremism and radicalization for too long. The regional stability now provided by government will give residents of Jammu and Kashmir a better way forward and hope for the future.

RECOGNIZING THE 30TH ANNIVERSARY
OF BLACK JANUARY

HON. PAUL A. GOSAR

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, January 9, 2020

Mr. GOSAR. Madam Speaker, I rise today in remembrance of the 30th anniversary of the events in Azerbaijan culminating in what is now known as Black January. In January 1990, the former U.S.S.R. attempted to continue to suppress freedom and impose its political will on the people of Azerbaijan. At that time, however, the people of Azerbaijan decided that they had enough of Soviet control and resisted.

At night, the Red Army marched into Baku to stem the movements for equality and freedom. While the Azeris used peaceful protests and calls for freedom, the Soviets responded with guns and tanks. These actions resulted in 147 civilian deaths, with hundreds more wounded and imprisoned.

The Azeris had seen what happened to prior independence movements in the Soviet Union, yet they persevered on. This tragedy only emboldened them in their cause, carrying on the mission of their countrymen which culminated in their August 1991 independence.

Since this monumental declaration, Azerbaijan has been a beacon of freedom in the region as well as a friend and ally of the United States. At this time, we memorialize those fallen and celebrate the continued strength of the Republic of Azerbaijan.

Madam Speaker, I strongly urge my colleagues to recognize Black January and join in the honoring of allies in Azerbaijan and their quest for liberation.
