

for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, I rise this morning to congratulate a very significant and historic high school, Jack Yates High School. Jack Yates High School was founded by the founding father, if you will, of the African American community in Houston, Freedmen's Town.

He is the founder of Wheeler Avenue Baptist Church. He is respected at Texas Southern University, and today they announced in a public school that they will implement an international baccalaureate.

In the midst of the tumultuous times that we have, how important it is that high school students will be engaged in discussions of peace, diplomacy, understanding world engagement, understanding the value of languages and being diverse, recognizing the wonderful experiment of the United States founded by those who fled persecution and indicated in the Constitution we have organized to create a more perfect union.

The more young people, more minorities that we can get in programs like an international baccalaureate where they will come out with that document and be ready to perch on the leadership role is outstanding.

To Jack Yates High School, I salute you. You are mighty. You are important, and God bless you.

CELEBRATING KELLY'S ANGELS ON THEIR 10TH ANNIVERSARY

(Ms. STEFANIK asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. STEFANIK. Madam Speaker, I rise today to honor and celebrate Kelly's Angels on their 10-year anniversary. This charitable organization has been serving the children of the Capital Region of New York for the past decade.

After Kelly Mulholland, a local teacher and mother of two from my district, tragically lost her battle with cancer in 2007 at the age of 37, her husband, Mark, founded Kelly's Angels in her honor.

Their mission is to provide grants for children in upstate New York who have lost parents or siblings to cancer or other illnesses. Children receive fund grants to use for whatever the child can dream up.

The goal of these grants is to bring a smile to a child's face, create positive new memories, and help with the healing process.

Kelly's Angels has worked with countless families in our local communities over the past decade, and their work continues to have a positive impact on so many lives.

On behalf of New York's 21st Congressional District, I want to congratulate and thank Mark, his children, McKenna and Connor, and the entire Kelly's Angels team for achieving this milestone.

I thank them for their amazing work. We are so proud of them.

STOP TRUMP'S WAR WITH IRAN

(Ms. GABBARD asked and was given permission to address the House for 1 minute.)

Ms. GABBARD. Madam Speaker, President Trump has committed an illegal and unconstitutional act of war, pushing our Nation headlong into a war with Iran without any authorization from Congress, a war that would be so costly and devastating, it would make our wars in Iraq and Afghanistan look like a picnic.

In doing so, he has undermined our national security in two critical ways: number one, Iran is no longer complying with the Iran nuclear agreement and is quickly speeding forward in developing their nuclear weapons capability, putting us and the world at greater risk.

Number two, our troops in Iraq are no longer focusing on preventing a resurgence of ISIS and al-Qaida. Instead, all of their efforts are now focused on Iranian forces and Iranian-backed Shia militias.

Congress must act today to stop further escalation of this war. Vote "yes" on H. Con. Res. 83 to uphold the Constitution which we all took an oath to support. Vote "yes" to stop Trump's war with Iran.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

HIGHLIGHTING SERVICE ACADEMY NOMINATION BOARD

(Mr. BUDD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BUDD. Madam Speaker, I rise today to highlight one of the most rewarding responsibilities I have as a Member of Congress: the honor of nominating students to the service academies.

This past weekend, I met with my Service Academy Nomination Board for North Carolina's 13th Congressional District to begin the review process. This year's board includes Mr. Ronald Hope of Advance, Mr. Matt Reyes of Mooresville, Mr. Doug Lain of High Point, Mrs. Rayne Brown of Lexington, Mr. Wayne Davidson of Greensboro, Mr. John Sherden of Mocksville, and Mr. Frank Pugh of Greensboro.

I am grateful that these individuals sacrificed their time and effort to help review applications, interview candidates, and recommend qualified individuals for the nominations. I look forward to announcing our nominees in the coming weeks.

Madam Speaker, please join me in thanking the members of our board and all the applicants who want to serve our great country.

PREVENTING WAR WITH IRAN

(Mr. TAKANO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAKANO. Madam Speaker, I am here to condemn the President's hostile actions against Iran that led us to the brink of war.

President Trump had no legal justification to launch an attack against Iran. The President's dangerous provocation was unlawful and unconstitutional, and Congress must assert its sole authority to declare war. His actions made America less safe.

Today, I will be voting for a War Powers Resolution to check the President's use of military action against Iran. But the need for Congress to reassert its authority does not end there. We must repeal the 2002 AUMF and prevent the administration from engaging in an unauthorized war by restricting funding from being used to wage war against Iran.

We must not yield to the voices of extreme hawks that see war as the only answer. We must not go to war with Iran.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

RECOGNIZING U.S. ASTRONAUT CHRISTINA KOCH

(Mr. MURPHY of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MURPHY of North Carolina. Madam Speaker, as a North Carolinian and member of the Science, Space, and Technology Committee, I take great joy today in rising to recognize United States astronaut Christina Koch.

Christina grew up in eastern North Carolina in Jacksonville and graduated from the prestigious North Carolina School of Science and Mathematics. She later earned her bachelor's and master's degrees from N.C. State.

On December 28, 2019, Christina set the record for the longest continuous spaceflight by a female. She surpassed the previous record of 288 days achieved by fellow astronaut Peggy Whitson. She is now at 300 days and counting. In addition, Christina participated in the first all-female space walk on October 18 alongside fellow astronaut Jessica Meir.

She is, without a doubt, one of the most accomplished people in North Carolina's history. Christina has made her country, her State, and all of eastern North Carolina proud. I wish her luck on her continuous voyage amongst the stars. We look forward to her safe return to Earth in February.
