

With cybercrimes like the WannaCry ransomware attack of 2017, which remains one of the worst ransomware attacks in history with over 150 countries affected and over 4 billion dollars pilfered by cyber thieves, people, businesses, and governments across the globe are at risk.

In the United States, the financial services industry suffers from the highest average annual costs due to cybercrimes like data breaches, ransomware, phishing, and identity theft.

Over the last 10 years, the Government Accountability Office has found that the number of cyber attacks that target federal agencies has increased from 5,500 to over 77,000 per year.

Madam Speaker, this legislation will help prevent a potential cyber threat to the global financial system.

Requiring increased reporting and information sharing for the Federal Reserve will strengthen current protocols and create new policies to address threats like the destruction of information without official authorization, malware attacks, and the denial of service activities.

This bill will also lay the foundation for further cybersecurity efforts among departments and agencies of the Federal Government, foreign central banks, and other partners.

I ask all members from both sides of the aisle to join me in voting to pass H.R. 4458.

HONORING STEVE MARTINEZ OF  
EAGLE IDAHO

---

**HON. RUSS FULCHER**

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 14, 2020*

Mr. FULCHER. Madam Speaker, I rise today to honor a fellow Idahoan who reassured, restored, and comforted the community of builders in Idaho during a difficult time. Sadly, today, I also honor the life and passing of Frankie Hickman, who ran the Idaho Builders Contractors Association for 27 years. Frankie was the Executive Officer of the Idaho Building Contractors Association and a lifeline for the community in Idaho. During her final months and after her passing, Steve Martinez, stepped in to fill the long-time role of Frankie. When all were grieving the loss of her presence at the IBCA, Steve helped to pick up the pieces, reassure staff, and maintain a continued legacy for IBCA. He also helped Frankie in the most difficult months of her life, because in the end, IBCA was her life. Frankie, unable to fulfill her role, entrusted Steve with the arduous task of continuing the hard work at the IBCA. Steve has a passion and heart for the building industry. It shows in his love for the people, customers, and partners at IBCA. He follows in his father's footsteps and serves as National Builders representative for Idaho, representing Idaho at the National Association of Home Builders. Steve displays the qualities we all strive to be, and I am honored to showcase his work for a brief but permanent moment in the House of Representatives.

IN RECOGNITION OF MS. KATIE  
MAZZOLA

**HON. ROBERT J. WITTMAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 14, 2020*

Mr. WITTMAN. Madam Speaker, I rise today in recognition of Katie Mazzola and her service to Virginia's First District.

Katie earned her Bachelor of Arts in Political Science with a concentration in National Security from Virginia Tech in Blacksburg, VA. While at Tech, Katie served in the Corps of Cadets where she quickly climbed the ranks, culminating in Executive Officer who was in charge of over 200 cadets. Katie also served as a Division Leader for the Coast Guard Auxiliary University Programs, commanding 22 units nationwide. Following a knee injury, Katie's plans to commission into the Coast Guard were changed. Ever the servant leader, she knew she wanted to continue to serve our great nation.

Katie began her service in my office as an intern in the summer and winter of 2016 before becoming my Staff Assistant in May 2017. During her years serving Virginia's First District, Katie has been on the front line of my office in many roles, including hiring and training our D.C. interns, coordinating tours, assisting my staff and me, managing our constituent services database, responding to over 36,000 pieces of constituent mail, and assisting with my proactive constituent outreach. Katie has also been responsible for a legislative portfolio including health, labor, education, workforce development, family values, women's issues, and religious issues. Katie has been my lead staffer on the Congressional Public Health Caucus of which I am a Co-Chair. Additionally, Katie successfully created my CTE Task Force, shedding light on the importance of CTE and STEM programs as a way to cultivate the skillsets needed for students to succeed in today's workforce. In addition to her official duties, Katie has never missed an opportunity to update my office on the most recent Virginia Tech game—Go Hokies.

Since her first day in my office, Katie has always upheld the values of honor, respect, and devotion to duty in service to the people of the First District. Her commitment to servant leadership, constituent services, and integrity are without equal. I have no doubt that Katie will continue to excel as she begins this new chapter—her best and brightest years are still ahead.

Madam Speaker, I ask you to join me in recognizing Katie Mazzola for her dedicated service to Virginia's First District. May God bless Katie as she continues her career in public service.

HONORING MR. CHARLES SCHUCK

**HON. JOHN H. RUTHERFORD**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 14, 2020*

Mr. RUTHERFORD. Madam Speaker, I rise to pay tribute to Mr. Charles Schuck and celebrate his 100th birthday, which occurred this past August. From the time he graduated high school, he has served our country dutifully in

many roles including as a Sergeant in the Marine Corps during World War II, the Chief of the Flight Standards Division during the Vietnam War, and, most recently, a volunteer at his local elementary school. Mr. Schuck embodies the American spirit, and I am honored to tell his story here today.

Mr. Schuck was born on August 5, 1919, in New York City and is the son of a German immigrant. Growing up he always had a passion for aeronautics and mechanics, this led him to become an aircraft mechanic upon his graduation from Stewart Tech. He then worked for an airline where he taught Army mechanics aviation skills. Following this, he joined the Marines and received the rank of Sergeant out of boot camp. He was stationed in El Toro, a Marine Air Station in California.

After the war, he joined the Civil Aeronautics Administration where he quickly moved up the ranks from Maintenance Inspector to Chief of the General Aviation Maintenance Branch. In 1962, he was selected to attend the War College at Maxwell Air Force Base and in 1964 was stationed in Hawaii as Chief of the Flight Standards Division. Here, his experience and expertise proved invaluable during the Vietnam War. He has also held high positions in the Federal Aviation Administration and was instrumental in setting standards in the Pacific Theater. He received both an Outstanding Performance Rating and a Special Achievement Award from the FAA for his service. He then transitioned to the Experimental Aircraft Association where he advised policymakers on aeronautic and aviation issues for 21 years until his retirement at the age of 81.

Today, he lives a healthy and happy life and continues to teach about patriotism and aeronautics. As a volunteer at his local elementary school, he engages with children about our flag, how airplanes and helicopters fly, and his love for our country. He is very much appreciated by the students, parents, and faculty alike.

Madam Speaker, it has been a privilege to share the story of Mr. Charles Schuck and recognize his exemplary achievements. On behalf of a grateful nation, I thank him and wish him all the best as he reflects on a century full of memories.
