

of a lack of understanding of the painful history directed at the Jewish people and the horrors of the Holocaust.

For this reason, I introduced H. Res. 782 alongside Representatives ZELDIN and KUSTOFF that encourages public schools to design and teach a curriculum about the history of anti-Semitism and the Holocaust and it calls on Federal law enforcement to hold the perpetrators of these attacks accountable.

Our Jewish community is feeling rattled, frightened, and unsafe. We cannot allow these feelings to fester. So in support of this community, I am proud to lead a resolution that will help increase understanding and rid our country of all anti-Semitic hatred.

CONGRATULATING THE UNITED WAY OF CENTRAL MASSACHUSETTS

(Mr. MCGOVERN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MCGOVERN. Mr. Speaker, I rise today to congratulate the United Way of Central Massachusetts as they celebrate their 100th birthday this month and to thank the incredible staff, interns, fellows, volunteers, and community partners who allow this amazing institution to make a difference for so many people.

When I think of organizations that change lives, organizations that mobilize and unite our community to inspire change and create a better world, organizations that look out for the least among us by giving families the tools and stability they need to break the cycle of poverty and get back on their feet, I think of the United Way of Central Massachusetts.

I am so proud and grateful for the work they do every day and the positive impact they have on the folks I am privileged to represent.

On behalf of my constituents and with thanks from the entire United States Congress, congratulations to the United Way of Central Massachusetts for a century of awe-inspiring work, and here is to many more.

HONORING THE LIFE OF FRANK MITCHELL

(Mr. LAHOOD asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAHOOD. Mr. Speaker, I rise today to honor the life of a trailblazer and Springfield, Illinois, native, Frank Mitchell, who on Christmas Day at age 70, unfortunately passed away after a fight with lung cancer.

In the spring of 1965 Frank made history right here in the House of Representatives when he became the first African American page since Reconstruction. Nominated by the late Congressman Paul Findley, who represented what makes up much of the

18th Congressional District today, Frank was appointed by then-House Republican leader and future President, Gerald Ford.

As a page, Frank answered calls in the Republican Cloakroom, worked on the House floor, and witnessed many historic events, including the civil rights movement and the debate on the Voting Rights Act of 1965.

Frank's historic appointment was long overdue, and he blazed a path for those who followed him with his work ethic and compassion for everyone he encountered. Frank often said that he couldn't fail because the door of opportunity had to remain open. Frank succeeded in every respect, keeping that door of opportunity open for generations to come.

Our thoughts and prayers are with the Mitchell family, and may Frank rest in peace.

SUPPORTING IRANIAN PROTESTERS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, the people of Iran have taken to the streets in defiance of their oppressive regime and refuted the lies that Soleimani was a beloved general. Already 1,500 people have been killed while protesting the authoritarian regime.

The Epoch Times of January 7 is correct: "The protesters' central demand in Iran is for the mullahs' regime to step down, stop its terrorist adventures abroad, and end its massive corruption at home."

This is why I am cosponsoring H. Res. 791, introduced by Leader KEVIN MCCARTHY that supports the protesters of Iran. I am thankful for the courageous leadership of President Donald Trump and his support for the Iranian people.

He tweeted in Farsi: "To the brave, long-suffering people of Iran: I've stood with you since the beginning of my Presidency, and my administration will continue to stand with you. We are following your protests closely and are inspired by your courage."

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

EARTHQUAKES IN PUERTO RICO AND SUPPORT FOR EMERGENCY DECLARATION

(Miss GONZÁLEZ-COLÓN of Puerto Rico asked and was given permission to address the House for 1 minute.)

Miss GONZÁLEZ-COLÓN of Puerto Rico. Mr. Speaker, today I rise on behalf of every single one of my constituents impacted by the ongoing seismic activity in Puerto Rico.

According to the U.S. Geological Survey, the southwestern coast of the island has been the epicenter of over

1,000 earthquakes since December 28 of last year.

On January 7 the island experienced a 6.4 magnitude earthquake that has triggered consequent aftershock tremors that are felt in the entire island, mainly in the municipalities of Guanica, Guayanilla, Yauco, Penuelas, and Ponce.

Mr. Speaker, I urge President Trump to approve the major disaster declaration requested by the Governor of Puerto Rico. This should be the next step to ensure proper and timely recovery efforts on the island as we push through yet another natural disaster.

CONGRATULATING LOUISIANA STATE UNIVERSITY TIGERS

(Mr. ABRAHAM asked and was given permission to address the House for 1 minute.)

Mr. ABRAHAM. Mr. Speaker, I am here to congratulate the LSU Fighting Tigers for winning the national championship last night, the fourth national championship, a record-setting year, 15-0, 726 points. Joe Burrow is the Heisman Trophy winner, a record-breaking quarterback with 60 touchdowns this year.

LSU alumni are especially proud of what they did last night in the national championship.

I was honored to fly down with President Trump to attend the game. The cheers and standing ovation he got in the Louisiana Superdome was just phenomenal and well deserved, the fifth time the President has been to Louisiana this past year, and rightly so. Our State leads with seafood, oil and gas industry, forestry, and agriculture. You name it, we have got it in Louisiana, and we are very, very proud.

This football team, our baseball team, and our other sports lead the Nation and will continue to do so.

Please join me in congratulating the LSU Fighting Tigers football team for winning the national championship last night.

SUPPORT GRANDPARENTS IN PRIMARY CAREGIVER ROLES

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today in support of H.R. 5583, the Help Grandfamilies Prevent Child Abuse Act. I am proud to cosponsor this legislation with my colleague, Congresswoman MARY GAY SCANLON of Pennsylvania's Fifth District.

All children deserve a loving and safe home. Sadly, due to the Nation's growing opioid crisis, more and more children are being left without structure, without safety, and, in some cases, without parents. As a result, grandparents have become the primary caregivers for many children.

The Help Grandfamilies Prevent Child Abuse Act will provide resources to assist grandparents in raising their grandchildren and, most importantly, help prevent these children from entering the foster care system.

This bill ensures grandfamilies and kinship caregivers are eligible for services under the Child Abuse Prevention and Treatment Act, or CAPTA. It also provides support to meet the needs of children who have experienced trauma; for example, those exposed to substance misuse. Lastly, the bill calls for training and resources to assist caregivers in navigating the complicated childcare system.

Mr. Speaker, H.R. 5583 is a good bill. It is a bipartisan bill, and I urge my colleagues to support it.

GENERAL LEAVE

Mr. DESAULNIER. Mr. Speaker, I ask unanimous consent that all Members be given 5 legislative days to revise and extend their remarks.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from California?

There was no objection.

Mr. DESAULNIER. Mr. Speaker, on Monday, the Rules Committee met and reported a rule, House Resolution 790, providing for consideration of two measures: H.R. 1230, the Protecting Older Workers Against Discrimination Act, and H.J. Res. 76, providing for congressional disapproval under chapter 8 of title 5, United States Code, of the rule submitted by the Department of Education relating to "Borrower Defense Institutional Accountability."

The rule provides for consideration of H.R. 1230 under a structured rule, with 1 hour of debate equally divided and controlled by the chair and ranking member of the Committee on Education and Labor. It makes in order five amendments and provides one motion to recommit.

The rule provides for consideration of H.J. Res. 76 under a closed rule, with 1 hour of debate equally divided and controlled by the chair and the ranking member of the Committee on Education and Labor, and it provides one motion to recommit.

Finally, the rule provides for standard district work period instructions from January 17 through January 24, 2020.

Mr. Speaker, since taking the majority a year ago, Democrats have made it a priority to protect our Nation's students and workers. As a member of the Committee on Education and Labor, I am proud that I have played a role in passing legislation that will provide students and workers the support they need to thrive. We have that opportunity once again this week with these bills, both of which I am proud to co-sponsor.

First, we are taking a stand against the Department of Education's deliberate disregard for students who have been defrauded by institutions. In 2019, student loan debt reached an all-time high in the United States of \$1.41 trillion. Our Nation is truly in a student debt crisis.

Even more significantly impacted by this crisis are students who have been defrauded by predatory for-profit colleges. On top of their crushing debt, they have useless degrees and none of
