PERSONAL EXPLANATION

Mr. KIRKPATRICK. Mr. Speaker, I was absent today due to a medical emergency. Had I been present, I would have voted: "yea" on rollcall No. 23, and "yea" on rollcall No. 24.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 3621, STUDENT BORROWER CREDIT IMPROVEMENT ACT, AND PROVIDING FOR CONSIDERATION OF SENATE AMENDMENT TO H.R. 550, MERCHANT MARINERS OF WORLD WAR II CONGRESSIONAL GOLD MEDAL ACT OF 2019

Mr. RASKIN, from the Committee on Rules, submitted a privileged report (Rept. No. 116-383) on the resolution (H. Res. 811) providing for consideration of the bill (H.R. 3621) to amend the Fair Credit Reporting Act to remove adverse information for certain defaulted

or delinquent private education loan borrowers who demonstrate a history of loan repayment, and for other purposes, and providing for consideration of the Senate amendment to the bill (H.R. 550) to award a Congressional Gold Medal, collectively, to the United States Merchant Mariners of World War II, in recognition of their dedicated and vital service during World War II, which was referred to the House Calendar and ordered to be printed.

MEDICAL EDUCATION FOR A DIVERSE AMERICA ACT

(Ms. MUCARSEL-POWELL asked and was given permission to address the House for 1 minute.)

Ms. MUCARSEL-POWELL. Mr. Speaker, from maternal mortality rates to inaccurate drug prescriptions to cardiovascular procedures, it is clear that minority groups experience worse health outcomes in our healthcare system.

Although structural bias is a factor, the unconscious biases of even the most well-intentioned healthcare professionals play a role as well. And we can't let this continue.

In a district as diverse as Florida's 26th District, we must do more to ensure that every person, regardless of their background, can get the quality care that they need. That is why I introduced the Medical Education for a Diverse America Act, along with Representative PORTER, which would provide cultural competency and language training to medical students and prepare them to better serve minority populations.

This legislation would help not only patients in south Florida, but all over the country in diverse communities.

OBSERVING INTERNATIONAL HOLOCAUST REMEMBRANCE DAY

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to observe International Holocaust Remembrance Day, commemorating the 75th anniversary of the liberation of Auschwitz.

The Holocaust is responsible for the systematic murder of more than 6 million Jews, and it is remembered as one of the darkest periods of modern history.

In the wake of this tragedy, we often utter the words, "never forget." But, as time passes and memory fades, this can become a challenge.

We have a responsibility, however, to ensure that this chapter of history does not slip through the cracks. Through storytelling, the teaching of history, and great organizations like the Holocaust Museum right here in Washington, we can do our part to ensure younger generations truly never forget.

Today, I ask my colleagues to pause and remember the pain caused by the
