

Trump's ban which does not even include Jordan, a longtime ally of the United States.

They pulled him aside and kept asking him, "What are you doing? Where are you going? What is your business?"

The questions continued for a scared young boy thousands of miles away from home without counsel.

Mohammad told the truth about what he was doing while in the States.

At some point during the questioning, Mohammad told authorities that he was enrolled in school.

Enrolling in public school is a violation of his visa, but we do not ask students their status in the school system in Harris County.

He was taking only ESL courses—something he perhaps had not been able to explain.

Authorities held Mohammad, questioned him without counsel and then sent him to Chicago to a detention center for an undetermined amount of time.

This is a 16-year-old boy, and this should not have happened to him.

He was a minor, the case moved from the Department of Homeland Security to Health and Human Services, which eventually released him.

The Muslim Ban was the first separation of children from their families and turned out to be a harbinger of the cruelties and inhumanities to come.

That is why we need to pass H.R. 2214, the No Ban Act.

SENATE COMMITTEE MEETINGS

Title IV of Senate Resolution 4, agreed to by the Senate of February 4, 1977, calls for establishment of a system for a computerized schedule of all meetings and hearings of Senate committees, subcommittees, joint committees, and committees of conference. This title requires all such committees to notify the Office of the Senate Daily Digest—designated by the Rules Committee—of the time, place and purpose of the meetings, when scheduled and any cancellations or changes in the meetings as they occur.

As an additional procedure along with the computerization of this information, the Office of the Senate Daily Digest will prepare this information for printing in the Extensions of Remarks section of the CONGRESSIONAL RECORD on Monday and Wednesday of each week.
