COMMEMORATING 75TH ANNIVERSARY OF THE LIBERATION OF AUSCHWITZ

(Mr. LANGEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LANGEVIN. Madam Speaker, this week we commemorate the 75th anniversary of the liberation of Auschwitz and honor Holocaust survivors and those who lost their lives during this terrible period of history. Horrible atrocities were visited upon millions of innocent souls, driven by fear, hatred and oppression.

Seventy-five years later, as anti-Semitism, racism, and other forms of bigotry continue to plague our society, we are reminded that we cannot be silent in the face of intolerance or discrimination.

Earlier this week, I was proud to support the Never Again Education Act, which will help educate the next generation about the genocide that occurred during the Holocaust and the dangers of allowing hatred to go unchallenged.

As we reflect on this moment in history, let us set an example by condemning senseless acts of aggression and intolerance and, instead, encouraging equality and inclusion and honoring our enduring pledge: "Never Again."

RECOGNIZING SHUBHANKAR BALIYAN, PENNSYLVANIA'S 10TH CONGRESSIONAL DISTRICT 2019 CONGRESSIONAL APP CHALLENGE WINNER

(Mr. PERRY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PERRY. Madam Speaker, I rise today to recognize Shubhankar Baliyan as the winner of the 2019 Congressional App Challenge for the 10th District of Pennsylvania.

Shubhankar is a student at Cumberland Valley High School in Mechanicsburg, Pennsylvania, and submitted the winning app called ExciteMath. It is an application designed to help elementary-aged students practice basic, mental math skills in a fun and engaging way.

In each level of the app, students are given a target range or sum, that their final number must fall within and a specific number of hits they must use during that round. The student must then maneuver around falling numbers and select which to add or subtract from their sum for that round.

A panel of experts selected ExciteMath as the winner for its creativity, coding proficiency, and functionality. Through this app, Shubhankar also demonstrated a desire to give back to our community by helping children struggling with mathematics.

I congratulate Shubhankar on a job well done and look forward to seeing his app displayed right here in the Capitol.
