RECOGNIZING MOSS GREENHOUSES

● Mr. RISCHE. Mr. President, as a member and former chairman of the Senate Committee on Small Business and Entrepreneurship, each month I recognize and celebrate the American entrepreneurial spirit by highlighting the success of a small business in my home State of Idaho. Today, I am pleased to honor Moss Greenhouses located in Jerome as the Idaho Small Business of the Month for February 2020.

Moss Greenhouses is the largest wholesale plant producer and distributor in Idaho. Founded in 1952 by Ed and Ruth Adams, their hobby of growing orchids in their small greenhouse quickly became a budding business as they provided flowers, orchids, and flowering crops to their local grocery stores and flower shops. The family-run business quickly developed a reputation for its outstanding service and quality products.

Today, Moss Greenhouses is owned and operated by the family's third generation, Kevin and his wife Dana. Their 300,000 square feet of covered greenhouse and three acres of growing space allow them to serve customers from throughout the Mountain West. Their success and growth has created dozens of jobs for the Jerome community. As the company continues to serve the Jerome area, they hope to eventually welcome the family's fourth generation into the business.

Congratulations to Kevin, Dana, and all of the employees at Moss Greenhouses for being selected as the Idaho Small Business of the Month for February 2020. You make our great State proud, and I look forward to your continued growth and success.●
