

Mindy founded Hunts for Healing to help wounded soldiers returning from military missions in Iraq, Afghanistan, and other combat missions transition back into civilian life, allowing them to experience the joys of hunting, including social interaction and camaraderie.

With the assistance of volunteer guides and funded entirely by private donations, Hunts for Healing helps veterans in need of physical, spiritual, and emotional support. In Laceyville, to the veterans she has helped and their families and loved ones, Mindy is nothing short of a hero.

For the impact of her life and for her continued legacy to the veterans' community, I urge members to support H.R. 4279 to name the post office in Laceyville, Pennsylvania, for Melinda Gene Piccotti.
