

GREAT LAKES RESTORATION  
INITIATIVE**HON. DANIEL LIPINSKI**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 12, 2020*

Mr. LIPINSKI. Madam Speaker, I rise today to celebrate House passage of H. R. 4031, the Great Lakes Restoration Initiative Act of 2019, which will support the health of America's Third Coast. The Great Lakes provide drinking water to more than 30 million people, support more than 300,000 jobs, and are home to more than 3,500 plant and animal species. The Great Lakes Restoration Initiative is a multi-agency program that addresses threats to this ecosystem, such as algal blooms and invasive species. More than 4,700 projects have already been completed under GLRI, leading to healthier fisheries, clean drinking water, and stronger wildlife habitats.

I was proud to cosponsor this bill to reauthorize GLRI with increased funding. I thank my colleagues for passing this bill last week and I urge swift passage in the Senate.

CELEBRATING THE 40TH  
ANNIVERSARY OF PHOENIX PRIDE**HON. RUBEN GALLEGO**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 12, 2020*

Mr. GALLEGO. Madam Speaker, I rise today to celebrate the fortieth anniversary of Phoenix Pride. As one of the longest-standing LGBTQ+ organizations in our state, their work has taken the values of diversity, inclusivity, and equality to every corner of the state of Arizona.

Phoenix Pride is a groundbreaking pillar of advocacy for the city's LGBTQ+ community. In addition to producing the two largest annual LGBTQ+ events in Arizona, they work extensively to reach out to marginalized communities, preserve the unique culture and history of LGBTQ+ Arizonans, and provide scholarship funding for LGBTQ+ students. In fact, the organization awarded over \$47,000 in scholarships in 2019 and has helped dozens of students reach their academic goals since 2008.

Thanks in part to the hard work of Phoenix Pride, Phoenix ranks among the most LGBTQ+-friendly cities in the state, with protections against discrimination and a strong, involved LGBTQ+ community. Our city certainly would not be the same without their tireless work for equality and justice.

They have served as a beacon of hope and growth in the fight for equality for decades. The changes experienced and catalyzed by Phoenix Pride over the last forty years have been tremendous, and I join them in working to ensure that the next forty bring even more progress.

As they celebrate their fortieth anniversary, I wish to congratulate Phoenix Pride on all of their achievements and thank them for their service to our city.

## HONORING DR. LYNDA YOUNG

**HON. JAMES P. McGOVERN**

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 12, 2020*

Mr. McGOVERN. Madam Speaker, I rise today to congratulate Dr. Lynda Young, whose term as chair of the American Academy of Pediatrics (AAP) Committee on Federal Government Affairs wraps up later this month. I have had the honor and privilege of calling Dr. Young a friend and working with her for many years, and I know her to be a brilliant pediatrician and tireless advocate for the well-being of all children and families.

For 34 years, Dr. Young has been a practicing pediatrician in Worcester, Massachusetts as well as serving as a Professor of Pediatrics at the University of Massachusetts Medical School. Throughout her career, she's worked with numerous non-profits serving children in Central Massachusetts and devoted countless hours to advocating on behalf of children at the local, state and national levels.

After serving as a member of the AAP's Committee on Federal Government Affairs for several years, it was no surprise that Dr. Young was elected chair in 2016. During her tenure, she's never shied away from a fight where the well-being of children was in question. Among her many accomplishments during her time as chair include serving as a plaintiff in a successful federal lawsuit against the Food and Drug Administration (FDA) which resulted in a court order requiring the FDA to finalize graphic warning labels for cigarettes; fighting for a 10-year extension of the vitally important Children's Health Insurance Program; defeating attempts to repeal and replace the transformative Affordable Care Act; and co-chairing four national AAP Legislative Conferences in Washington, D.C. Dr. Young has also been an integral contributor to the AAP's Blueprint for Children: How the Next President Can Build a Foundation for a Healthy Future, which outlines federal policy priorities for the next presidential administration on improving children's health.

Madam Speaker, for all of Dr. Young's accolades and accomplishments, none resonate more than the day-in and day-out care she provides for children and their families as a pediatrician. She is compassionate and reassuring during tough times. She takes the time to really listen to and take an interest in her patients. She is always there for them and she has made an extraordinary difference in the lives of thousands of children. And I speak from firsthand experience—Dr. Young was my children's pediatrician in Worcester.

Madam Speaker, I am honored to warmly congratulate Dr. Young on her successful tenure as chair of the AAP's Committee on Federal Government Affairs. I look forward to continuing to work with her to improve the lives of all children and their families.

EQUAL RIGHTS AMENDMENT**HON. STENY H. HOYER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, February 12, 2020*

Mr. HOYER. Madam Speaker, the Gentlelady from California, Ms. SPEIER, has introduced H.J. Res. 79, legislation that would provide for the Equal Rights Amendment's immediate adoption as the Twenty-Eighth Amendment to the U.S. Constitution. As Majority Leader, I am proud to bring that legislation to the Floor this week. Because House rules prohibit the addition of further cosponsors to a bill once the committee report has been filed, however, I am not able formally to cosponsor this legislation. I am in support of the bill and request to be considered by this body as a cosponsor of H.J. Res. 79.
