

IN RECOGNITION OF ROSELLA
PURCELL ON HER 100TH BIRTHDAY

HON. JAHANA HAYES

OF CONNECTICUT

IN THE HOUSE OF REPRESENTATIVES

Friday, February 28, 2020

Mrs. HAYES. Madam Speaker, I rise today to recognize Rosella Purcell, of Southbury, Connecticut, who will celebrate her 100th birthday on March 27, 2020.

Ms. Purcell is the third youngest of four children born to Rose and Jeffrey Donahue. While her older brothers, John and Joseph, have passed away, her "kid brother" Jeff is just as healthy as his older sister at the youthful age of 96. The two of them still enjoy their conversations on the phone talking about their memories of growing up in Danbury, Connecticut, and raising their families that now spread across four generations.

During World War II, Ms. Purcell was a first lieutenant in United States Army, serving as a nurse at Fort Devens, Massachusetts. In 1951, she married James Purcell, a veteran who served in the Atlantic Theater in General George S. Patton's Third Army. Together they raised three children: Jay, Rosemary, and John. In addition to her children, Ms. Purcell has four grandchildren and 3 great grandchildren.

Memories abound for the Purcell family of family gatherings, most notably at Misquamicut Beach in Westerly, Rhode Island, where they have vacationed regularly for the past 60 years. There, her children and grandchildren would spend hours on their bikes or in the ocean riding waves, playing endless games in the backyard of the family beach cottage, and riding the merry-go-round at Watch Hill hoping to capture the elusive gold ring.

When asked what makes Ms. Purcell such a special lady, family members will say her faith, sense of humor, and sincerity. While she has dealt with hardships in recent years, she remains steadfast to her faith—a faith that continues to guide her through each day and passing night. To this day, Ms. Purcell remains in good health and her mind is as sharp as ever.

It is amazing to think about the history that Ms. Purcell has witnessed in her 100 years, from the Great Depression and World War II, to Neil Armstrong's first step on the moon and so many other events that have shaped the 20th and 21st centuries. However, what means the most to Ms. Purcell are the family members who will gather together to celebrate her 100th birthday and her family members who are no longer with us.

Madam Speaker, I ask my colleagues to join me in extending warmest wishes to Ms. Purcell for a happy birthday and continued good health. I would also like to thank her for her service to our country.

HONORING THE LIFE OF MARTHA
D. (PATSY) WHITE

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 28, 2020

Mr. HUFFMAN. Madam Speaker, I rise today in memory of Martha D. (Patsy) White,

who passed away on November 19, 2019, at the age of 90 after a lifetime of public service to her community.

Born in 1929, in New York City, Ms. White spent much of her childhood with her parents in Italy and France, where her father was working prior to World War II. Later, she attended school in Boston, where she graduated high school and later from Colby Junior College in New Hampshire in 1948. She later moved to San Francisco where she met husband Peter when he was stationed with the Army in Monterey. They soon married and had two children Cordie (Cornelia) and David, before moving to Sacramento and having their third child, Chip (Frances). In 1963, the family moved to Marinwood and in 1988 they settled Novato.

In 1963, Ms. White started working for the Mill Valley School District, holding several positions including receptionist, administrative assistant to three superintendents, and finally as a business manager. Ms. White went back to school and received her Bachelor of Arts with a specially designed degree in Educational Management in 1978. In addition to her work with the school district, Ms. White was also involved in the League of Women Voters for over 50 years, and she was awarded the League's Bunny Award in 2006. Ms. White also served on the Marinwood Community Services District, cofounded the Marin Housing Council, and participated in the Novato Housing Coalition and in the Marin Environmental Housing Collaborative. She also served on the North Bay YMCA Board, and was named the YMCA's volunteer of the year in 2005. In 2008, Ms. White was named Novato's Citizen of the Year.

Beyond her incredible community service, Ms. White enjoyed spending her free time entertaining, traveling, swimming, going to the Y, watching and feeding local birds, knitting, needlepointing, calligraphy, and water color painting. Most of all, she loved spending time with her family and friends.

Ms. White was predeceased by her husband, Peter, in 2018. She is survived by her sister Cornelia Dimmitt, her daughter Cornelia and husband George, her sons Francis White and Dr. David White and David's wife Judy, and two grandchildren, Kyle White and Dr. Ashley White. While she will be greatly missed, Ms. White's legacy will live on through the indelible positive impact she had on her community and beyond.

COMMEMORATING THE KIWANIS
CLUB OF PASADENA CENTEN-
NIAL ANNIVERSARY

HON. ADAM B. SCHIFF

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 28, 2020

Mr. SCHIFF. Madam Speaker, I rise today to honor the Kiwanis Club of Pasadena upon its centennial anniversary.

Kiwanis International is a volunteer-led global organization committed to service and strengthening goodwill. Since its founding in 1915, Kiwanis has grown to nearly six-hundred thousand members spanning across eighty countries.

The Kiwanis Club of Pasadena was founded in 1920 and is one of the oldest Kiwanis Clubs

in the world. Their objective is to make the City of Pasadena a better place to live and to accomplish their goals working together as a team. The club has approximately forty members and supports many organizations that help the local community. These include Union Station Homeless Services, where club members help prepare, cook, and serve monthly meals to the shelter's homeless families, Villa Esperanza Services where members assist disabled adults in the Pasadena area, through the Aktion Club, and the Salvation Army.

The club also works with local Key Clubs, which are international leadership service programs for high school students, by holding a "Career Day," allowing Key Club members to visit various businesses for a day to learn about different careers. In addition, the Kiwanis Club of Pasadena provides annual educational scholarships to outstanding students in the Pasadena area and supports the Camperships for Kids program for youth to attend summer camp.

The care, time and energy that the Kiwanis Club of Pasadena has given to the community is extraordinary and the residents of the Pasadena area have benefitted greatly. I ask all Members to join me in commending the Kiwanis Club of Pasadena upon their celebration of one hundred years of outstanding service.

BLACK HISTORY MONTH ESSAY
CONTEST 2020 GRADES 6
THROUGH 8

HON. A. DONALD McEACHIN

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Friday, February 28, 2020

Mr. McEACHIN. Madam Speaker, I would like to take this opportunity to recognize exemplary middle and high school students from Virginia's Fourth Congressional District who were selected as winners of the Black History Month essay contest I hosted earlier this month. I am inspired by the words of these students, and I encourage young people across our country to reflect on what this month means to them personally.

Since its creation less than 50 years ago, Black History Month has been a time to honor and recognize the remarkable achievements of the African-American community. Madam Speaker, I ask my colleagues to join me in recognizing these distinguished students and their accomplishments in celebration of Black History Month.

I include in the RECORD Trenton Blake's winning essay:

WHAT BLACK HISTORY MONTH MEANS TO ME

As an African American male, Black History means a great deal to me. In today's society racism impacts the lives of my people in a number of ways and for me that is very scary. Black history means to me that no matter how the world views me, I am somebody and I stand on the shoulders of those before me. I can not think of what black history means to me without thinking of the years of slavery my ancestors had to endure. I think of the world we live in, and I don't understand why racism continues to exist today. The achievements of black people compared to the many pitfalls set before us should allow people to see how strong and resilient of a people we are, instead they only
