

RECOGNIZING A WINNING WEEK-END IN SOUTH CAROLINA BASKETBALL

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, this was a winning weekend for basketball in South Carolina.

On Saturday, both the boys and girls Cardinal Newman High School basketball teams won their State titles, and this past Sunday, the University of South Carolina women's basketball team won the Southeastern Conference Championship. Both Cardinal Newman teams fought until the end to accomplish these impressive wins.

Congratulations to girls' coach Molly Moore and boys coach Philip Deter on their successful leadership. The Cardinal Newman girls won over Northwood, and the boys won against Trinity-Byrnes.

Congratulations to the University of South Carolina Women's Basketball Head Coach of the Year, Dawn Staley, on leading number one South Carolina to its program-record 23rd straight win. USC women have a perfect record of 16-0 in the Southeastern Conference this season.

In conclusion, God bless our troops, and we will never forget September the 11th in the global war on terrorism.

Mark Levin is correct. Senator SCHUMER should be reprimanded for threatening bodily harm to Supreme Court Justices.

CONGRESS MUST LIFT UP LOCAL HEALTH OFFICIALS

(Mr. STANTON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. STANTON. Mr. Speaker, yesterday the House fulfilled a critical duty. We passed an emergency funding bill to address the coronavirus to make sure that we give public health officials across America the tools to help keep Americans healthy.

My State, Arizona, had the fifth confirmed case of COVID-19 and recently has another presumptive positive case.

Since the first U.S. case was identified, State and local public health officials have had to carry the heavy burden of responding to this outbreak and preventing it from getting worse.

Our local communities should not take this on alone. The spread of the deadly coronavirus demands a coordinated, comprehensive, government-wide response. In our emergency funding package, we specifically allocated almost \$1 billion to go directly to State and local communities.

In Arizona, our public health officials and our Governor have indicated a need for upwards of \$13 million to effectively meet the demand that the coronavirus outbreak merits. It is time we get our State and local agencies the support they need.

Congress must always do all that we can to lift up our local health officials, and our funding bill does exactly that.

CONGRESS MUST HONOR THEIR COMMITMENT TO VETERANS

(Mr. COX of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COX of California. Mr. Speaker, I rise today in honor of Brain Injury Awareness Month.

Since 2014, over 470,000 veterans have been diagnosed with a TBI, a traumatic brain injury.

Last year, through appropriations, I submitted an amendment requesting a \$10 million increase to the Defense Health Program to fund research for all servicepersons returning home with a TBI. I am happy to report this amendment was passed into law.

In February of this year, the GAO released a report entitled "Veterans' Use of Long-Term Care is Increasing, and VA Faces Challenges in Meeting the Demand."

The brave people who serve this country should never find difficulty in locating a facility or a program that fits their needs.

This year, I ask my colleagues to support my request for further investment into research so the VA can develop TBI long-term care programs, so we can honor our commitment to those who have sacrificed so much for our country.

HONORING THE WOMEN OF THE UNITED STATES HOUSE OF REPRESENTATIVES

(Ms. ADAMS asked and was given permission to address the House for 1 minute.)

Ms. ADAMS. Mr. Speaker, I rise today to honor the women of the United States House of Representatives for Women's History Month.

This Women's History Month marks the 100th year of women's suffrage in the United States.

While the first Congresswoman joined the House in 1917, the first woman of color didn't join our Chamber until Hawaii sent Patsy Mink to Washington in 1965. And the first African American Congresswoman didn't arrive until the unbossed and unbought Shirley Chisholm joined us in 1969.

Our colleague, NANCY PELOSI, became the first and only woman Speaker of the House in 2007.

In 2014, I will never forget, I was honored to be elected by the people of North Carolina's 12th District to serve as the 100th woman in the 113th Congress.

In 2018, a record 127 women were elected to Congress, with over 100 women in the House alone.

However, there is still work to be done. 127 out of 535 is just 24 percent, and that is not what our country looks like.

We need more women Members because, despite the fact that women have had the vote for 100 years, we still don't have equal justice under the law.

To this day, we are still paid less for our work, face workplace harassment, and are discriminated against simply because of being who we are. Women work full time, year-round still only making 82 cents on the dollar for the earnings men make.

Fighting against these disparities and ensuring our Federal Government and policies are reflective of the whole country is why having women in Congress is so important.

So, as we honor women's history, let's remember that all of us have not only the ability, but also the obligation to make history.

RECOGNIZING BARRIO STATION'S 50TH ANNIVERSARY

(Mr. VARGAS asked and was given permission to address the House for 1 minute.)

Mr. VARGAS. Mr. Speaker, I rise today to honor Barrio Station in recognition of the 50th anniversary of their creation.

Barrio Station is a community-based organization in the Barrio Logan community of San Diego, California. It was established in 1970 by Ms. Rachael Ortiz to provide underserved youths and their families with resources that they need to succeed.

This organization has continuously provided youth with access to individual counseling, referrals to vocational and higher education, and exposure to scholarships.

Barrio Station has worked toward revitalizing the community by pushing for the development of low-income housing and opportunities there.

Families and senior citizens are assisted with completing forms which give them access to the benefits that they have earned.

For over 50 years, Barrio Station has provided resources to approximately 3,500 youths, families, and seniors every year.

I thank Barrio Station and, especially, Director Rachael Ortiz, for their exceptional dedication to the youth and families of the 51st Congressional District and all of California.
