VOTE EXPLANATION

Mr. MARKEY. Mr. President, I was necessarily absent, but had I been present, I would have voted yes on roll-call vote No. 65, the Motion to Table S. Amdt. 1506 to H.R. 6074, making emergency supplemental appropriations.

CLIMATE LEGISLATION

Ms. KLOBUCHAR. Mr. President, I rise today to address several proposals with significant consequences for our environment that have come before the Senate this Congress. In particular, I would like to express my support for the joint resolution of disapproval concerning the Environmental Protection Agency's regulations to reverse the Obama administration's Clean Power Plan rules and my opposition to two amendments to weaken existing protections for public lands.

I am dedicated to promoting policies that address the urgent climate crisis. We cannot wait 50 or 100 years to address the climate impacts that threaten the livelihoods of our farmers, our businesses, our infrastructure, and our national security. It is for that reason that I oppose the administration's efforts to overturn, roll back, and weaken the Clean Power Plan rules, and I cosponsored S.J. Res. 53, a joint resolution providing for the disapproval of the regulations submitted by the Environmental Protection Agency to repeal the Obama administration's Clean Power Plan rules. In order to fully address our urgent climate crisis, the Clean Power Plan rules must be reinstated and strengthened.

It is also our responsibility to preserve our natural resources and pass them on to future generations through responsible conservation and smart policies that allow outdoor recreation to thrive. This Congress, the Senate has considered proposals—which I oppose—to reduce, diminish, or eliminate protections for existing national monuments and to prevent the use of funds

from the Land and Water Conservation Fund for land acquisition. These proposals would weaken the core mission of two critical conservation programs that preserve our natural resources.

I have voted against similar proposals that would undermine the Antiquities Act or the Land and Water Conservation Fund when they have been considered as amendments to comprehensive public lands bills because I believe that we need to do more to protect and conserve our public lands. I have also cosponsored Senator UDALL's legislation to reinforce existing law on the establishment of national monuments and Senator MANCHIN's bill to provide full, permanent funding for the Land and Water Conservation Fund.

TUSKEGEE AIRMEN DAY

Mr. JONES. Mr. President, I rise today in recognition of the inaugural Tuskegee Airmen Day to be held annually on March 7 in the State of Alabama, marking the anniversary of the first graduating class of Tuskegee Airmen in Tuskegee, AL. After decades of being barred from flying for the U.S. military, on March 19, 1941, the U.S. Department of War created the all African-American 99th Pursuit Squadron in Tuskegee, AL. Upon completing 1,600 missions, destroying over 250 aircraft, and laying the foundation for President Harry S. Truman to desegregate the U.S. military in 1948, this courageous, boundary-breaking group of 13 African-American men would go on to be known simply as the Tuskegee Airmen.

Recently, the President signed H.R. 2500, the National Defense Authorization Act for Fiscal Year 2020, which approves the honorary promotion of Documented Original Tuskegee Airman, U.S. Air Force Colonel (retired) Charles E. McGee, to brigadier general. I believe it is a well-deserved promotion for a hero the likes of General McGee. It is my honor to commend and

recognize General McGee, who is one of the last surviving members of the Tuskegee Airmen.

Less than a year after the Japanese attack on Pearl Harbor, General McGee enlisted in the Army Air Forces on October 26, 1942. He went on to become one of the first pilots to graduate from the experimental Tuskegee Institute in June 1943. General McGee also has the distinction of flying more combat missions in World War II, Korea, and Vietnam than any other Air Force pilot. Brigadier General Charles McGee will be in attendance at the inaugural Tuskegee Airmen Day ceremony in Alabama this year.

For over half century, the courage, tenacity, and grit of General McGee and all of his fellow Tuskegee Airmen have been a source of hope and inspiration for generations of Americans. I congratulate the city of Tuskegee and the State of Alabama for recognizing such a distinguished group of servicemembers who helped change the course of our Nation's history.

GAME CHANGERS STUDY

Mr. PAUL. Mr. President, I recently had the honor of being welcomed by Game Changers, an organization based in Louisville, KY, devoted to guiding our youth toward productive and meaningful lives, for a panel discussion on the impact of violence in our community. The executive director of Game Changers is Christopher 2X, whom I have known for many years and watched change the lives of so many Kentuckians through his advocacy, leadership, and community building efforts. In December of 2019, just a few months ago, Christopher showed me the findings of Game Changers's study on the impact of youth violence recently released by his organization. Subsequently, I asked him to organize
